INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
First Basin Credit Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the First Basin Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the First Basin Credit Union 401(k) Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Basin Credit Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Basin Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audits of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Basin Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST BASIN CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan

General

The First Basin Credit Union 401(k) Plan (the Plan) was established by First Basin Credit Union (the Credit Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is First Basin Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan's Trustee is an officer of the Credit Union. The Plan's Investment Custodian is Ameritas Life Insurance Corporation. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan Administrator has also retained Ameritas Life Insurance Corporation to provide participant recordkeeping and administration services.

Eligibility

The Plan covers all eligible employees of the Credit Union who have attained age 18 and completed 6 months of service. An employee can become a participant in the Plan on the first day of the plan quarter following the date eligibility requirements are met.

Contributions to the Plan

Each year, participants may contribute up to 100% of their eligible compensation, as defined in the plan document, on a pre-tax basis through payroll withholdings. Participants who have attained age 50 before the end of the period are eligible to make additional 'catch-up' contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

The Plan also provides for employer contributions as noted below:

- Discretionary employer matching contributions, which for the year ended December 31, 2022 equaled 50% of the first 6% of eligible employee compensation.
- Employer discretionary profit sharing contributions; however, none were declared for the year ended December 31, 2022.

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

FIRST BASIN CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Credit Union's contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are pro rata based on participant account balances, except for certain loan and distribution expenses that are charged directly to the specific participant account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Funds contributed by participants are invested at percentages as directed by participants in any one or more of several investment alternatives.

The income, gains or losses in each fund are allocated daily to the applicable participants' accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals.

Participant Notes Receivable

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, unless the loan is \$10,000 or less. Loan transactions are treated as participant-directed investments. Loan terms range from one to five years. Loan terms may exceed five years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prime plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount or a partial withdrawal. The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions. The Plan also allows for in-service distributions due to financial hardship, as defined in the plan document.

Vesting

Participants are immediately vested in their deferral contributions plus actual earnings thereon. Employer matching and discretionary profit sharing contributions are subject to a six year graded vesting schedule based on years of service. Participants are 100% vested after the completion of 6 years of service or upon death or total and permanent disability.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to pay plan expenses and to reduce future Credit Union contributions. During the year ended December 31, 2022, forfeitures used to reduce the Credit Union's matching contributions were approximately \$33,000. No forfeitures were used for the payment of plan expenses during 2021. The forfeitures account maintained a balance of approximately \$8,000 and \$23,000 as of December 31, 2022 and 2021, respectively.

FIRST BASIN CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the Investment Custodian and investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is accrued on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are valued at the unpaid principal plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Professional fees incurred to operate the Plan, such as attorney and audit fees, as well as other fees and expenses relating to the day-to-day plan operations are paid partly by the Plan Sponsor and partly by the participants. Fees that are paid directly by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of loans and benefit payments are charged directly to the participant's accounts and are included in administrative expenses. Direct fees for custodian and recordkeeping services are paid by the Plan and are included in administrative expenses. Investment related expenses are included in the net appreciation or depreciation in fair value of investments.

401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 2 - Summary of Significant Accounting Policies (Continued)

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 29, 2023, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Ameritas Life Insurance Corporation as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021,
2. All investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022,
3. All investment related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and
4. Notes receivable from participants as of December 31, 2022 and 2021 and the related income on notes receivable from participants for the year ended December 31, 2022.

Note 4 - Fair Value Measurements

The Plan's investments in pooled separate accounts are valued at fair value based on the fair value of the underlying assets of the pooled separate accounts, using net asset value as the practical expedient.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value (or its equivalent) as of December 31, 2022 and 2021:

	As of December 31,		Unfunded	Redemption	Redemption
	2022	2021			
	<u>Fair Value</u>	<u>Fair Value</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Pooled Separate Accounts	\$ 4,099,430	\$ 4,837,929	\$ -	Daily	Daily

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. No changes in methodologies were made from 2021 to 2022. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FIRST BASIN CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contribution accounts.

Note 6 - Plan Amendment and Tax Status

The Plan is a standardized prototype plan, which has been filed with the IRS and has received a favorable opinion letter dated March 31, 2014 from the IRS. While the amended plan document has not received an IRS determination letter, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2022.

Effective March 1, 2022, the Plan was amended and restated in its entirety. The Plan was amended to conform to new tax laws and to exclude residents of Puerto Rico from eligibility in the Plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022, the Plan Administrator believes that the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the Plan is currently not being examined. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for the years prior to 2019.

Note 7 - Party-in-Interest Transactions

Certain plan investments are managed by Ameritas Life Insurance Corporation, who is the Investment Custodian. During the year ended December 31, 2022, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
