# INDEPENDENT AUDITOR'S REPORT

The Trustees and Participants
D. A. Collins Construction Co., Inc. 401(k) Plan
Wilton, New York

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of D. A. Collins Construction Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of D. A. Collins Construction Co., Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of D. A. Collins Construction Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about D. A. Collins Construction Co., Inc. 401(k) Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of D. A. Collins Construction Co., Inc. 401(k) Plan internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about D. A. Collins Construction Co., Inc. 401(k) Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

December 31, 2022 and 2021

Note 1 - **Description of Plan:**

The following description of the D. A. Collins Construction Co., Inc. (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) ***General.*** The Plan is a defined contribution plan, which includes a qualified deferred arrangement as described in section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan is for the benefit of all full-time employees of the Company classified as salaried, hourly clerical or hourly laboratory technician and who have attained the age of 21.

(b) ***Effective date.*** The plan became effective on January 1, 1993 and was amended and restated effective as of January 1, 2003 to allow the sponsor to provide a discretionary profit sharing contribution.

(c) ***Contributions – Employer.*** Each year, the Company may contribute an amount by resolution of the Board of Directors. The Company may contribute a discretionary contribution (matching) based on a participant's salary deferred contribution. There were no matching contributions for the years ended December 31, 2022 and 2021. Additional discretionary amounts may be contributed for certain classes of employees at the option of the Company's board of directors. Discretionary contributions amounted to $300,370 and $313,710 for the years ended December 31, 2022 and 2021, respectively.

(d) ***Contributions – Employees.*** Each year, participants may contribute the lesser of $20,500 or 100% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

(e) ***Participant's Accounts.*** Each participant's account is credited with the participant's salary reduction contribution, the Company's matching and discretionary contributions, plan earnings, charged with an allocation of administrative expenses and realized and unrealized security gains and losses. The benefit to which a participant is entitled is that which can be provided from the participant's account.

Note 1 - **Description of Plan (Continued):**

(f) ***Vesting.*** Participants are immediately vested in their salary reduction and employer discretionary contributions plus actual earnings thereon. Vesting in the employer matching contribution portion of their accounts plus actual earnings thereon is based on continuous service. A participant is 100% vested after six years of credited service.

(g) ***Investment Options.*** The Plan provides for participant-directed investment programs as it allows participants to choose among various investment alternatives. The available alternatives are comprised of:

The Investment Company of America – seeks to provide long-term growth of capital and income, placing greater emphasis on future dividends than on current income, by principally investing in common stocks.

The Growth Fund of America – seeks to provide long-term growth of capital through a diversified portfolio of common stocks.

American Balanced Fund – seeks to provide conservation of capital, current income, and long-term growth of capital and income by investing in common and preferred stocks, bonds and other fixed-income securities.

EuroPacific Growth Fund – seeks to provide long-term growth of capital by investing in companies based outside the United States.

U. S. Government Securities Fund – seeks to provide a high level of current income and preservation of capital through U. S. Government obligations.

The Bond Fund of America – seeks to provide as high a level of current income as is consistent with preservation of capital.

Fundamental Investors – seeks to provide long-term growth of capital and income primarily through investment in common stock.

Capital Income Builder – seeks to provide above-average current income, a growing stream of income and, secondarily, growth of capital.

American High-Income Trust – seeks to provide a high level of current income, with capital appreciation as a secondary goal.

Note 1 - **Description of Plan (Continued):**

Capital World Growth and Income Fund – seeks to provide long-term growth of capital with current income by investing in established, growing global companies, including the United States.

American Funds Money Market Fund – seeks to provide a way to earn income on cash reserves while preserving capital and maintaining liquidity.

Target Date Retirement Funds – depending on the proximity to its target date the fund will seek to achieve the following objectives to verifying degrees: growth, income and conservation of capital.

(h) ***Participant Notes Receivable.*** Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or 50% (fifty percent) of their vested account balance, whichever is less. Loan terms range up to five years. Terms of loans for the purpose of purchasing a principal residence are determined by the Plan Administrator. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The interest rate for the participant loans range between 4.07% and 6.20%. Principal and interest is paid ratably through payroll deduction.

(i) ***Payment of Benefits.*** The Trust shall make or begin distribution of the benefits payable on a participant's (a) retirement after attaining his retirement date, or (b) sustaining total and permanent disability, or (c) death, based upon the balance in such participant's account as of the valuation date coinciding with or immediately preceding the date on which such participant retires, dies or becomes disabled. If a participant terminates his service before retirement date, payment will be made in accord with the plan document based upon the elections available.

(j) ***Forfeitures.*** When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures are utilized to reduce the sponsor contributions for the plan year.

Note 2 - **Summary of Accounting Policies:**

(a) ***Basis of Accounting.*** The financial statements of the Plan are prepared under the accrual method of accounting.

(b) ***Investment Valuation and Income Recognition.*** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

(c) ***Participant Notes Receivable.*** Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

(d) ***Payment of Benefits.*** Benefits are recorded when paid.

(e) ***Use of Estimates.*** Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principals generally accepted in the United States of America. These estimates and assumptions affect the reported amounts of assets and liabilities, and changes therein, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

(f) ***Subsequent Events.*** The Plan evaluated its December 31, 2022 financial statements for subsequent events through October 6, 2023, which is the date the financial statements were available to be issued, and noted no events occurring subsequent to December 31, 2022 and through the date of our evaluation requiring accrual or disclosure in these financial statements.

Note 3 - **Investments:**

| Total Investments at Fair Value | $17,425,831 | $22,450,809 |

During 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) (depreciated)/ appreciated in value by $(5,469,808) and $1,820,937, respectively.

Note 4 - **Fair Value Measurements:**

FASB ASC 820, Fair Value Measurement and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Self-directed accounts:* Accounts consist of mutual funds; valued at the quoted net asset value (NAV) of shares held by the plan at year end.

Note 4 - **Fair Value Measurements (Continued):**

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value in the accompanying statement of financial position.

**Fair Value of Investments December 31, 2022**

| | Quoted Prices In Active Markets For Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) | Total |
|---|---|---|---|---|
| Self-directed accounts | $17,425,831 | $ - | $ - | $17,425,831 |
| Investment at fair value | $17,425,831 | $ - | $ - | $17,425,831 |

**Fair Value of Investments December 31, 2021**

| Investment at fair value | $22,450,809 | $ - | $ - | $22,450,809 |

There were no significant transfers between Level 1 and Level 2 investments during the year ended December 31, 2022.

Note 5 - **Trustee Information (Unaudited):**

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Capital Bank and Trust, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Note 6 - **Tax Status:**

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U. S. federal tax authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7 - **Related Party:**

D. A. Collins Construction Co., Inc. provides certain accounting and administrative services to the Plan for which no fees are charged.

Note 8 - **Risk and Uncertainties:**

The Plan maintains various investments. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of the risk associated with investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the investment account balances and the amounts reported in the Plan's financial statements as of December 31, 2022.

Note 9 - **Plan Termination:**

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the company contribution portion of their account.
