INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Lazard Frères & Co. LLC Employees' Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Lazard Frères & Co. LLC Employees' Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, and the schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAZARD FRÈRES & CO. LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Lazard Frères & Co. LLC Employees' Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General—The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers eligible employees and managing directors of Lazard Frères & Co. LLC (the "Company") as well as eligible employees and managing directors of adopting affiliates. Additionally, the Company previously sponsored a defined contribution profit sharing plan (the "PSP") that was merged into the Plan as a separate source on December 31, 2007.

Contributions—Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan. Participants may contribute up to 75% of their eligible compensation, as defined by the Plan document, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions; however, these additional contributions are ineligible for a Company matching contribution. The Company matches 100% of the first 4% of eligible compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company. No such additional discretionary contributions were made for the year ended December 31, 2022.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans by means of a direct transfer.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of Company discretionary contributions and Plan earnings, and charged with withdrawals and an allocation of Plan losses, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants direct the investment of their contributions and account balances as well as Company matching contributions, into the various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan currently offers mutual funds, including a money market fund, and a trustee-sponsored brokerage account feature referred herein as an Individually Directed Fund ("IDF") where the participant can invest in mutual funds, common stock and fixed income securities. The participants have sole responsibility for all their investment decisions.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is 100% vested after three years of credited service. All PSP participants' accounts are fully vested.

LAZARD FRÈRES & CO. LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

Notes Receivable from Participants—Participants may borrow from their fund accounts up to a maximum limit of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates equivalent to the interest rate on U.S. Prime Rate plus 1% at the time funds are borrowed, as determined monthly by the Plan's administrator. Principal and interest is paid ratably through payroll deductions. Loan terms shall not exceed 5 years. Participants may not have more than 2 loans outstanding at any time. As of December 31, 2022, participant loans have maturities through January 2028 at interest rates ranging from 4.25% to 7.25%. Loans on PSP accounts are not permitted.

Withdrawal Provision—A participant may make a withdrawal only from his/her vested non-PSP accounts when they attain the age 59½ or in the event of financial hardship.

Payment of Benefits—Upon termination of service, a participant will receive the value of their account at the end of the year in which the participant reaches the age of 62, unless the participant elects to receive their benefits earlier. Such amount will be paid in a lump sum. However, if at the time of termination a participant's vested balance in his or her account is less than \$1,000 they will be paid a lump sum within 60 days after the end of the Plan year in which their service ends. If a participant's employment is ended by death or disability, then the participant's interest in his or her account is paid to their beneficiary.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future Company contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$47,425 and \$92,201 respectively. During the year ended December 31, 2022, \$674,890 of Company matching contributions were forfeited while forfeited funds earned \$1,121. During 2022, employer contributions were reduced by \$720,787 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates—The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ materially from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments, including but not limited to, mutual funds including a money market fund and within the self-directed brokerage account: mutual funds, common stock, bonds, and other fixed income securities. Investment securities in general, are exposed to various risks, such as interest rate risk and credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect the value of participants' account balances and the amounts reported in the financial statements.

LAZARD FRÈRES & CO. LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

At December 31, 2022, the Plan has concentrations of investments of individual investments over 10% of total plan assets of \$79,432,633 in Vanguard Institutional Index Fund. After the effect of the merger of Lazard Middle Markets LLC Plan (see Note 10), the Plan's investment in the Vanguard Institutional Index Fund was \$86,048,715.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Security transactions are recorded on a trade-date basis. Gains or losses from the sale of investments are determined on an the average cost basis. Realized and unrealized gains and losses on investments held are included in net depreciation in fair value of investments in the accompanying statement of changes in assets available for benefits. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Notes Receivable from Participants—Notes receivables from participants are comprised of loans to participants and are measured at their unpaid principal balance plus accrued and unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Contributions—Employee contributions and employer matching contributions are recorded when withheld and earned, respectively.

Administrative Expenses—Certain administrative expenses of the Plan are paid by the Plan or the Company as provided in the Plan document. All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged and incurred by fund managers are deducted from income earned on a daily basis as a reduction of investment return for such investments. Consequently, fund manager management fees and operating expenses are not separately reflected in the statement of changes in net assets available for benefits.

Administrative expenses of \$18 per participant are deducted from participant accounts each calendar quarter. Participants also pay administrative costs for loans, distributions and qualified domestic relation orders. The remaining expense is paid by the Company and through credits provided by the record keeper for Plan investments. The Plan has a revenue-sharing agreement described in Note 5 whereby certain investment managers return a portion of the investment fees to the record keeper which are allocated to accounts of participants who are invested in the associated funds. Such amounts are reflected in the statement of changes in net assets available for benefits as other income.

Payments of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan, but had not yet been paid at December 31, 2022, and 2021.

Excess Contribution Payable—The Plan is required to return contributions received during the Plan year in excess of the IRC limits. There were no excess contributions payable as of December 31, 2022 or 2021.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards 820, *Fair Value Measurement*, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques – Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Valued at the daily closing price as reported by the funds and are considered Level 1 investments. Mutual funds, including the money market fund, held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their

daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

IDF – A self-directed brokerage account which includes a variety of mutual funds, common stock and fixed income securities that are valued at quoted market prices.

There have been no changes in valuation methodologies used at December 31, 2022 and 2021.

The following tables set forth by level within the fair value hierarchy and by category of investments a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2022 and 2021.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan mutual fund investments are managed by the Company or its affiliates. Certain administrative functions are performed by directors, officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan. The Company is the Plan sponsor and therefore, these transactions qualify as exempt party-in-interest transactions. The balances of these investments were \$116,673,372 and \$137,995,451 at December 31, 2022, and 2021, respectively and generated a net investment loss of \$22,513,133 during the year ended December 31, 2022.

Certain Plan investments are managed by Fidelity. Because Fidelity is the trustee and record keeper for the Plan, transactions involving Fidelity funds qualify as exempt party-in-interest transactions. Fidelity and its affiliates managed \$41,524,107 and \$40,650,820 of investments held by the Plan at December 31, 2022 and 2021, respectively. These investments generated a net investment loss of \$2,064,327 during the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

Fidelity provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (“MSA”) between the Company and Fidelity. Some of the mutual funds that the Plan is invested in have revenue sharing agreements. Revenues from these revenue sharing arrangements are determined on a quarterly basis and are allocated to the accounts of current plan participants who were invested in the applicable funds during the quarterly period. Revenue from revenue sharing arrangements that are not allocable to current Plan participants are remitted to the Plan’s trust. The revenues remitted to the Plan may be applied to pay the Plan’s administrative expenses or used to offset future Company matching contributions. During 2022, \$5,057 of revenues were remitted to the Plan’s trust. Undistributed revenues earned interest totaling \$693 in 2022. The Plan held undistributed revenues of \$47,156 and \$41,406 at December 31, 2022 and 2021, respectively. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Other party-in-interest transactions include notes receivable from participants, on which the Plan earned interest income of \$131,938 during the year ended December 31, 2022.

6. PLAN TERMINATION
