Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of *Alvin J. Wolff Profit Sharing Plan* ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by John Hancock Life Insurance Company (U.S.A) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of the Plan

The following description of the *Alvin J. Wolff Profit Sharing Plan* (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. **General** – The Plan is sponsored by Wolff Principal Holdings, L.P. (the "Sponsor"). The Plan is a defined contribution plan covering all employees of the Sponsor and other members of the affiliated service group. The affiliated service group includes The Wolff Company, LLC; Wolff Corporate Housing, Inc.; Alvin J Wolff Management Company; The Wolff Company II, LLC; Wolff Holdings II, LLC; The Standard Trust, LLC; NBA, LLC; FK Standard Trust, LLC; JSW Family Trust, LLC; PRT Trust, LLC; Kandle Shared Services, LLC; Kadence Communities, LLC; Kandle Management Company, LLC (collectively including the Sponsor, hereinafter referred to as the "Companies"), all of which have adopted the Plan. In 2019, additional adopting employers, Revel Communities CA Inc, Revel Communities NV Inc., Wolff Construction LLC, and Wolff Resident Experience Company signed a joinder agreement to adopt the Plan. In 2021, Revel Communities AZ, LLC signed a joinder agreement to adopt the Plan. John Hancock Life Insurance Company (U.S.A.) (hereinafter, "John Hancock") solely holds the assets of the Plan in its custody and serves as the trustee. The Plan was established on January 1, 1989, and was amended and restated effective January 1, 2016. Participant contributions are invested at the direction of the participant.
- B. **Eligibility** – Employees are eligible to participate if they are at least 21 years of age. Additionally, all employees must have completed 83 hours of service in a one-month period in order to become eligible. The entry date is defined as the first day of each calendar month following the date the employee satisfies the eligibility conditions set forth in the Adoption Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC") Section 401(k).
- C. **Contributions** – Participants may contribute 1 % to 100% of their pre-tax earnings to the Plan up to the maximum allowed by the IRC limits. Participants may also contribute amounts representing rollovers from other qualified plans. The Plan has adopted a safe harbor matching provision up to the first 4% of a participant's eligible compensation, as defined in the Adoption Agreement. The Companies may make discretionary profit sharing contributions to the Plan. Excluded from eligible compensation for match and profit sharing contributions are wages earned prior to achieving eligibility criteria, which generally represents the first 90 days of employment with the Companies.
- Matching contributions totaling \$1,063,031 were recognized by the Plan during the year ended December 31, 2022.
- D. **Participant accounts** – Each participant's account is credited with the participant's contributions, the Companies' matching contributions and discretionary profit sharing contributions, and allocations of Plan earnings and expenses. Allocations are based on a participant's account balances. Participants may direct contributions in the various investment options available under the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Vesting** – Participants are immediately vested in their contributions, any rollover contributions, the Companies' matching and discretionary profit sharing contributions, plus actual earnings thereon.

**ALVIN J. WOLFF
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of the Plan (continued)

- F. **Participant loans** – Participants may borrow against their vested account balances from a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested balance in the participant's account and bear interest at Prime plus 1%. The loans must be repaid over a period of five years unless the loan was used to purchase a principal residence. The maximum loan term for a principal residence loan is 15 years. A participant is limited to 2 outstanding loans at any one time, and spousal consent is required on any loan issuance. The Plan also implemented provisions of the CARES Act allowing borrowings up to a maximum equal to the lesser of \$100,000 or 100% of a participant's vested account balance.
- G. **Payment of benefits** – On termination of service for reasons other than death, a participant may receive a lump-sum distribution. In certain circumstances, the Plan automatically distributes account balances less than \$1,000 to participants that have terminated service with the Companies. Participants may elect to receive a 50% joint-and-survivor annuity, payable over a period not to exceed 5 years, under certain circumstances as defined in the Plan Document. The Plan also implemented provisions of the CARES Act allowing impacted participants to request distributions up to \$100,000 of their vested account balance.
- H. **Plan termination** – Although the Sponsor has not expressed an intent to do so, it has the right to terminate the Plan at any time, subject to the provisions of ERISA.
- I. **Administrative expenses** – Administrative expenses of the Plan are paid by the Plan or Sponsor. Expenses paid by the Sponsor are not reimbursed by the Plan.

(2) Significant accounting policies

Basis of accounting – The Financial Accounting Standards Board ("FASB") sets accounting principles generally accepted in the United States of America ("U.S. GAAP") to ensure consistent reporting. References to U.S. GAAP are to the FASB Accounting Standards Codification ("FASB ASC"). The financial statements of the Plan are prepared using the accrual method of accounting. Accordingly, contributions are recognized when earned.

Management's use of estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and the reported amounts of additions to and deductions from net assets available for benefits. Actual results may differ from those estimates.

Investment valuation and income recognition – Investments are stated at fair value as further described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The purchases and sales of investments are recorded on a trade-date basis. Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments in units of pooled separate accounts are stated at unit value, which is based on the aggregate current fair value of the underlying assets in relation to the total units outstanding. Unit value is the equivalent of net asset value ("NAV"), which is a practical expedient for estimating the fair value of those investments.

**ALVIN J. WOLFF
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(2) Significant accounting policies (continued)

Investment contracts held by defined contribution plans are required to be reported at fair value, except fully benefit-responsive investment contracts, which are reported at contract value, since it represents the amount at which participants can execute transactions in the Plan. The guaranteed interest accounts are investment contracts and are fully benefit-responsive.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest.

Risks and uncertainties – The Plan provides for various investment options, which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits – Benefits are recorded when paid.

Subsequent events – The Plan's management has evaluated subsequent events through September 29, 2023, which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurements

FASB ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

**ALVIN J. WOLFF
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(3) Fair value measurements (continued)

Following is a description of the valuation methodology used for assets measured at fair value.

Pooled separate accounts: Investments in sub-accounts of the Plan's group annuity contract with John Hancock are valued at unit value, which is based on the aggregate fair value of the underlying assets in relation to the total number of units outstanding. Unit value is the equivalent of NAV, which is a practical expedient for estimating the fair values of these investments. Each of these investments may be redeemed daily with a notice period of one day and had no unfunded commitments as of December 31, 2022 and 2021. In accordance with Subtopic 820-10, pooled separate accounts are measured using NAV per share (or its equivalent) as a practical expedient for fair value and have not been classified in the fair value hierarchy.

(4) Information certified by the Plan's trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments
- Notes receivable from participants
- Other income
- Interest income on notes receivable from participants
- Net depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Tax status

The Plan has adopted the Basic Plan Document #P-02 prepared by Powers Stromberg Pension Consulting, Inc., which has been determined by the Internal Revenue Service to be designed in accordance with applicable sections of the IRC by letter dated March 31, 2014. The Plan has not filed for an individual determination letter. The Plan has been amended since that date. The Plan administrator believes the Plan is currently designed and being operated in compliance with applicable requirements of the IRC, therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax exempt at December 31, 2022 and 2021. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

(6) Party-in-interest transactions

Certain Plan investments were held in funds managed by John Hancock, the trustee, and an affiliate of whom is record keeper, of the Plan's assets. Therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid by the Plan to John Hancock and its affiliate amounted to \$46,117 for the year ended December 31, 2022. Investment advisory fees of \$33,522 were paid by the Plan and included in administrative expense for the year ended December 31, 2022.
