INDEPENDENT AUDITOR'S REPORT

To the Administrator of
TCW Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of TCW RETIREMENT PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TCW RETIREMENT PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TCW RETIREMENT PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design,

implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TCW RETIREMENT PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TCW RETIREMENT PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TCW RETIREMENT PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TCW RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the TCW Retirement Plan (the "Plan"), formerly known as Tennessee Commercial Warehouse, Inc. 401(k) Profit Sharing Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a profit-sharing plan with a 401(k) arrangement covering all full-time employees of TCW Admin., Inc. (the "Company") who have six months of service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions – Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the statutory limitations defined in the Internal Revenue Code. Participants may change their contribution percentages at any time. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor may make matching contributions equal to a discretionary percentage of each participant's contribution, to be determined by the Company's board of directors. Additional amounts may be contributed at the option of the Company's board of directors and are allocated to the participant's accounts in proportion to his or her compensation for the Plan year. All contributions are subject to certain statutory limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsors' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as of the allocation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may not borrow from their fund accounts.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsors' discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Beginning with the second year of participation, a participant earns 20% for each year of credited service. A participant is 100% vested after six years of credited service, as defined. A participant's account also becomes fully vested upon death or disability of the participant or upon termination of the Plan.

Investment Options – Upon enrollment in the Plan, participants may direct contributions into any of a variety of investment options provided under a contract with Ascensus Trust Company. Participants may change their investment options daily.

Payment of Benefits – On termination of service due to any reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For vested balances exceeding \$5,000, the Plan also allows for installment payments. The Plan can automatically distribute, or rollover terminated employee balances not exceeding limits specified in the Plan document and amendments. Hardship withdrawals are not permitted, but a participant may receive their rollover contributions as a distribution. Benefits are recorded when paid.

TCW RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Termination – The Plan Sponsor expects the Plan to continue indefinitely. However, the Plan Sponsor retains the right under the Plan to discontinue Plan Sponsor contributions at any time and to terminate the Plan. In the event of Plan termination, participants would become fully vested in their account balances. These balances would continue to be held in custody by the applicable trustee until all vested Plan benefits were distributed to the participants.

Forfeited Accounts – At December 31, 2022 and 2021, forfeited nonvested accounts totaled less than 1% of net assets. As specified in the Plan document, these amounts are used to pay the administrative expenses of the plan or reduce future employer contributions to the Plan.

Accounting Periods – Any references to 2022 or 2021 in these financial statements refer to the years ended December 31, 2022 and 2021, respectively, unless otherwise noted.

Basis of Accounting – The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's realized gains or losses on investments sold during the year as well as unrealized gains and losses on investments held during the year.

Administration of Plan Assets – The Plan's assets are held by the custodian of the Plan. Contributions are received by the custodian and invested into participant directed funds. The custodian receives and re-invests any interest and dividend income and makes distributions to participants. Certain administrative functions are performed by officers and employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan.

Administrative Expenses – Certain administrative expenses of the Plan are paid directly by the Plan Sponsor.

Date of Management's Review – Subsequent events were evaluated through September 29, 2023, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures ("ASC 820") provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets which the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The financial information below was certified as complete and accurate by Ascensus Trust company. The following table sets forth by level, within the hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements Using	
		Quoted Prices in Active markets for Identical Assets (Level 1)	
	<u>Fair Value</u>		
As of December 31, 2022:			
Mutual funds	\$ 15,143,449	\$	15,143,449
As of December 31, 2021:			
Mutual funds	\$ 16,238,944	\$	16,238,944

NOTE 4 - TAX STATUS

The Plan is an Access Retirement Services, LLC defined contribution prototype plan. The prototype plan received a favorable determination letter, dated June 30, 2020, from the Internal Revenue Service concerning its tax-exempt status. The Plan has been restated since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Vanguard, an affiliate of Ascensus Trust Company, the trustee of the Plan. The Plan also engaged auditors to audit the plan, investment advisors, and third-party plan administrators. Fees for these services are included in plan expenses. These transactions qualify as party-in-interest transactions. The fees paid by the Plan for investment and other administrative services to these parties-in-interest amounted to \$123,227 and \$127,151 during 2022 and 2021, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
