INDEPENDENT AUDITOR'S REPORT

To the Trustees of Occunet LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the financial statements of the Occunet, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements are comprised of the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of a Matter

As discussed in Note 6 to the financial statements, a partial plan termination occurred during the year ended December 31, 2021 due to the sale of the plan sponsor, the Fairly Consulting Group, LLC, to an outside party. As a result of this partial plan termination, all affected participants immediately became 100% vested in all employer contributions. Any distributions related to this partial plan termination occurred during the year ended December 31, 2022. Our opinion is not modified with respect to this matter.

As discussed in Note 10 to the financial statements, the Plan was amended, restated, and renamed as the Occunet, LLC 401(k) Plan effective January 1, 2022. This was due to the plan sponsor changing from the Fairly Consulting Group, LLC to Occunet, LLC due to the sale of the Fairly Consulting Group, LLC, as described above. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Occunet, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i–Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 1 - Description of the Plan:

The following description of Occunet, LLC (the “Company”) 401(K) Plan (the “Plan”) provides only general information. The Plan agreement should be referred to for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering qualified employees of Occunet, LLC and other related employers. The other related employers that also participate in this plan are FairRx, LLC and DealOn, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who are twenty-one years of age or older and have completed 60 days of employment are eligible to participate in the Plan. Employees whose employment is governed by a collective bargaining agreement, who are non-resident aliens, or leased employees are excluded from the Plan. Employees may enter the Plan on the first day of the calendar quarter coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Each year, eligible participants may contribute either pre-tax or Roth deferrals, as defined in the Plan, and subject to IRC limitations. Participants that have attained the age of 50 before the end of the plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily. The Plan provides for a safe harbor matching contribution of 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company. Some discretionary employer contributions have an eligibility requirement of being employed on the last day of the year and performing a minimum of 1,000 hours of service during the plan year. No such discretionary contributions were made for the year ended December 31, 2022.

Participant accounts

Each participant's account is credited with the participant's contributions, Company contributions and plan earnings and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on either participant earnings or account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by IRC regulations are recorded as a liability. For the years ended December 31, 2022 and 2021, there were no amounts payable to participants in excess of amounts allowed by the IRC regulations.

OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

Note 1 - Description of the Plan (continued):

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loans bear interest at the prime rate as of the date of the loan plus 1%. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's residence, in which case the loan repayment period will be a period not to exceed 15 years. A participant may have only one outstanding note at any one time. Outstanding loan balances a participant of the Plan may have with a different qualified retirement plan can be rolled over into the Plan with all prior terms still in effect.

Vesting

Participants are vested immediately in their contributions and earnings thereon. They are also fully vested immediately in the safe harbor matching contributions they receive. Upon attainment of retirement of age 65, participants automatically become fully vested in all contributions regardless of their years of service. A participant must perform 1,000 hours of service in a plan year to be credited with a year of service. Vesting for discretionary employer profit sharing and employer discretionary match contributions is based on years of continuous service as follows:

<u>Participant's Years of Service</u>	<u>Non-forfeitable Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeited accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0. Forfeited non-vested employer contributions must be reallocated to plan participants. During the year ended December 31, 2022, there were no new forfeitures collected by the plan nor were there any forfeitures reallocated to plan participants.

Payments of benefits

On termination of service due to death, disability or retirement, a participant becomes 100% vested in the employer contributions and may elect to receive a lump sum amount equal to the value of the participant's account. Plan provisions permit a participant to withdraw funds from the Plan for reasons of financial hardship as defined by the IRC. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution or roll the account into another qualified plan. A participant can receive a distribution of all or a portion of the funds rolled over into the Plan from another plan at any time. Upon the attainment of age 59 ½, a participant may receive an in-service distribution from all accounts that are fully vested.

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and the changes therein. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Trustee. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's note receivable balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of benefits

Benefits are recorded when paid.

Administrative fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. Fees related to the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 2 - Summary of significant accounting policies (continued):

Administration of Plan assets

The Plan's assets are held and invested by the trustee and administrator of the Plan. They are responsible for interpreting Plan provisions, determining Plan benefits, and maintaining Plan records. Certain administrative functions are performed by officers and employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 3 - Risks and uncertainties:

The Plan provides for various investment options. These investment options are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment options, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 4 - Information certified by the plan custodian:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (USA), the custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits and related disclosures as of December 31, 2022 and 2021
- Investment income (loss) and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6 - Partial plan termination:

During 2021, the Plan experienced a partial plan termination as a result of the sale of the Fairly Consulting Group, LLC (the prior plan sponsor) to an unrelated party. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in any employer contributions are required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 6 – Partial plan termination (continued):

After the sale, employees of Fairly Consulting Group, LLC were no longer considered active participants in the plan. All affected employees who were participants in the Plan were fully vested in their account balances at the date of the partial plan termination. After the partial plan termination, all affected employees were eligible to receive distributions from the plan but were not required to take distributions or rollover their account balances.

As a result of this partial plan termination, the Plan was amended and restated to be renamed the Occunet, LLC 401(k) Plan effective on January 1, 2022. This amendment was the result of the previous plan sponsor, Fairly Group, LLC being sold to an outside party and ceasing to be a participating employer in December of 2021 as previously discussed. With the exception of the addition of DealOn, LLC as a participating employer whose employees will be eligible to participant in the Plan as of January 1, 2022, all previous plan provisions remained unchanged after this restatement.

There were significant distributions from the Plan as a result of the partial plan termination discussed previously. During 2022, there were over \$7.9 million of distributions from the Plan, not all of which were a result of this partial plan termination.

Note 7 - Fair value measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

Note 7 - Fair value measurements (continued):

Following is a description of the valuation methodology used for assets measured at fair value, which are provided by the trustee. There have been no changes in the methodologies used during the year ended December 31, 2022.

Pooled separate accounts: Assets are valued at net asset value (NAV) as a practical expedient. The net asset value is based on the fair value of the underlying assets owned by the fund. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The underlying securities in the pooled separate accounts are listed in the John Hancock securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity measurements and the economic environment may significantly affect the value of the pooled separate accounts and the fair value of the Plan's investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2022 and 2021 :

	2022			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (1)				11,961,926
Total assets at fair value	\$ -	\$ -	\$ -	\$ 11,961,926

(1) In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 7 - Fair value measurements (continued):

	2021			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (1)				21,690,291
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,690,291</u>

The following table summarizes investments for which fair value is measured using net asset value per share as a practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (a)	Redemption Notice
Pooled separate accounts	<u>\$ 11,961,926</u>	N/A	Daily	None

The following table summarizes investments for which fair value is measured using net asset value per share as a practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (a)	Redemption Notice
Pooled separate accounts	<u>\$ 21,690,291</u>	N/A	Daily	None

(a) Participant transactions (purchases and sales) may occur daily subject to any short-term trading policies of the Plan sponsor. Additional restrictions may be imposed at the request of the fund company of an underlying fund as outlined in their prospectus.

For the years ended December 31, 2022 and 2021, there were no significant transfers between Level 1 and 2 and no transfers in or out of Level 3.

Note 8 - Tax status:

The Plan uses a prototype plan document provided by July Business Services, which received an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received an opinion letter from the IRS; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

**OCCUNET, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022**

Note 8 – Tax status (continued):

FASB ASC Section 740, *Income Taxes*, requires extensive disclosures about uncertain income tax positions. The requirements under this standard are also applicable to employee benefit plans. The plan administrator evaluates any uncertain tax positions using the provisions of ASC 450, *Contingencies*. Accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management's judgment with respect to the likely outcome of each uncertain tax position.

The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. The plan administrator does not believe that the Plan has engaged in any situation that would result in an uncertain tax position. As a result, the plan administrator does not believe that any uncertain tax positions currently exist and therefore, no loss contingency has been recognized in the accompanying financial statements. Federal income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the plan administrator has no open examination with the Internal Revenue Service.

Note 9 – Related party and party-in-interest transactions:

With the exception of participant notes receivable, all other plan investments are pooled separate accounts managed by John Hancock Life Insurance Company (USA), the custodian, as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to certain service providers. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. John Hancock Life Insurance Company receives revenue from pooled separate accounts and the underlying mutual fund and collective trust fund service providers for services John Hancock Life Insurance Company provides to the funds. This revenue is deposited into the Plan as additional investment income or is used to offset administrative expenses. These transactions are exempt party-in-interest transactions under ERISA.

Note 10 – Plan Restatement:

Effective January 1, 2022, the Plan was amended and restated as described previously in Note 6.

Note 11 – Subsequent events:

The Plan sponsor has evaluated subsequent events through September 20, 2023, the date which the financial statements were available to be issued.
