INDEPENDENT AUDITORS' REPORT

To the Participants in and Administrator of
Callaway Golf Company 401(k) Retirement Investment Plan
Carlsbad, California

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Callaway Golf Company 401(k) Retirement Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Callaway Golf Company 401(k) Retirement Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Callaway Golf Company 401(k) Retirement Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Callaway Golf Company 401(k) Retirement Investment Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Callaway Golf Company 401(k) Retirement Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Callaway Golf Company 401(k) Retirement Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Participants in and Administrator of
Callaway Golf Company 401(k) Retirement Investment Plan
Carlsbad, California

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Callaway Golf Company 401(k) Retirement Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Callaway Golf Company 401(k) Retirement Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Callaway Golf Company 401(k) Retirement Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Callaway Golf Company 401(k) Retirement Investment Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Callaway Golf Company 401(k) Retirement Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Callaway Golf Company 401(k) Retirement Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) RETIREMENT INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Callaway Golf Company 401(k) Retirement Investment Plan (the “Plan”) is provided for general information purposes only. Interested parties should refer to the Plan document for a more complete description of the Plan’s provisions.

General — The Plan is a defined contribution plan covering all eligible employees of Topgolf Callaway Brands Corp. (the “Company” or “Plan administrator”). The Company provides eligible employees with an opportunity to accumulate funds for their retirement in the Plan through pretax and after-tax savings deferrals and Company-matching contributions.

At December 31, 2022 and 2021, Vanguard Fiduciary Trust Company ("Vanguard") was the trustee of the Plan. The Company, as Plan sponsor, administers the Plan through the 401(k) Plan Committee (the “Plan Committee”), which is appointed by the Company’s board of directors. The members of the Plan Committee are employees of the Company and have the responsibility for the general administration and operation of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation and Contributions — All employees of the Company (and any participating affiliate), other than leased employees, nonresident alien employees, owner-employees (as defined by Internal Revenue Code (“IRC”) Title 26, Section 401(c)(3)), employees employed in a division, unit, facility, or class of employees that the Company has determined in writing not to be covered by the Plan, and employees covered by a collective bargaining agreement (unless the terms of the collective bargaining agreement otherwise provides), are eligible to participate in the Plan.

Participants can elect to defer up to a maximum of 75% of their eligible annual compensation in pretax contributions and/or Roth contributions. The combined amount contributed between pretax and Roth contributions in any one year is limited by the annual maximum threshold imposed by the Internal Revenue Service (“IRS”) of \$20,500 and \$19,500 for 2022 and 2021, respectively. Additionally, eligible participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions, subject to the applicable catch-up dollar limit imposed by the IRS of \$6,500 for both 2022 and 2021. Participants may also contribute amounts representing distributions or rollovers from other qualified plans.

Participants may also make after-tax contributions to the Plan equal to the lesser of \$20,500 or 25% of the participant's eligible annual compensation. The combined amount contributed between pretax and/or Roth contributions, after-tax contributions, and any Company-matching and/or profit-sharing contributions cannot exceed the annual maximum threshold imposed by the IRS. For the year ended December 31, 2022, this threshold equals the lesser of \$61,000 (or \$67,500 for participants eligible to make catch-up contributions) or 100% of the participant's annual compensation.

Subject to certain contribution limits, the Company makes a 50% matching contribution each pay period on the first 6% of the participant's eligible compensation contributed as elective deferrals. Eligible participants can receive matching contributions as of the date of hire. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary profit-sharing contributions. Company profit-sharing contributions are recorded by the Plan when and if approved by the Company's board of directors. There were no discretionary profit-sharing contributions authorized by the board of directors for 2022 and 2021.

Participant Accounts — Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contributions, matching employer contributions, Plan earnings, and discretionary profit-sharing contributions, if any, and is charged with account service fees, as well as loan origination fees and Plan losses and withdrawals, if any. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting — The portion of the participant's account attributable to elective pretax and after-tax deferral contributions, as well as rollover contributions, is 100% vested and non-forfeitable. Participants vest in employer-matching and discretionary profit-sharing contributions (if any) at a 50% rate per year over two years of service.

If the participant terminates employment as a result of death, total or permanent disability, or reaches the normal retirement age while in service, the participant's account, as it relates to employer-matching and discretionary profit-sharing contributions, becomes 100% vested even before reaching the completion of the vesting period, as discussed above.

Forfeitures — The Company may use employer-matching contributions and employer discretionary profit-sharing contributions forfeited by unvested terminated participants to offset future matching contributions and/or discretionary profit-sharing contributions (if any) and/or reimburse the Plan for administrative expenses. Plan forfeitures totaled \$64,502 and \$33,238 for the years ended December 31, 2022 and 2021, respectively. During 2022 and 2021, the Company used Plan forfeitures of \$20,456 and \$76,558, respectively, to offset employer-matching contributions. In addition, Plan forfeitures may be used to pay administrative expenses of the Plan (see "Plan Expenses" below). At December 31, 2022 and 2021, the remaining balance in the forfeitures account was \$50,292 and \$7,435, respectively.

Benefit Payments — Upon termination of services due to retirement, termination, or death, a participant (or beneficiary) is eligible to receive the vested portion of the balance in his or her account.

Upon retirement, the participant may elect to receive the required minimum distribution amount over his or her life expectancy, have any portion of the vested balance paid to an eligible retirement plan in a direct rollover, or receive a lump-sum cash distribution.

If the vested balance of the participant's account exceeds \$5,000 at the time of termination of employment, death, or retirement, the participant or beneficiary may elect to receive a distribution in a single lump-sum or in periodic installments, leave his or her account balance in the Plan until the required minimum distribution date, or have any portion of the vested balance paid to an eligible retirement plan in a direct rollover. If the participant or beneficiary elects to leave his or her account balance in the Plan, the amount

left on deposit and the interest earned thereon are not forfeitable. If the vested balance is less than \$5,000, the participant or beneficiary may only receive a lump-sum cash distribution.

In limited circumstances and under certain hardship conditions as defined in the Plan agreement and by the IRS, participants may withdraw any or all of their pretax or after-tax contributions, as well as qualified matching contributions and earnings (losses) on contributions, at any time during the Plan year. However, the amount of the withdrawal is limited to the financial need of the participant. Additionally, participants who have reached age 59½ can elect to withdraw all or any portion of their vested balance, subject to rules and procedures established by the Company.

Notes Receivable from Participants — The Plan allows participants to borrow against their vested balances. Participants may borrow up to the lesser of 50% of their vested account balances or \$50,000. Loan repayment periods may not exceed five years with the exception of loans used to acquire a principal residence, for which the repayment period cannot exceed 30 years. Participants are limited to having two loans outstanding at any point in time.

The loan interest rate is equal to the prime rate at the time the loan is originated plus 1%. As of December 31, 2022 and 2021, interest rates on outstanding loans ranged from 3.25% to 7.75% with maturities through June 2052 and April 2051 respectively. Participants who are employed by the Company pay principal and interest ratably over the loan term through payroll deductions.

Participants who fail to repay their loan balance are considered to be in default and a taxable distribution to the participant is deemed to have been made at the time the Plan administrator deems it distributed, which can occur sometime subsequent to the participants' failure to repay.

Plan Termination — Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their account balances.

Plan Expenses — Administrative expenses, which include recordkeeping and trustee fees incurred in administering the Plan, are deducted from participants' accounts on a quarterly basis and paid through the Plan. Transactional fees such as loan fees and withdrawal fees are paid directly by participants. Eligible indirect expenses, such as management fees and operating expenses, that are charged to the Plan for investments in mutual funds are deducted from the investment returns for such investments on a daily basis and are not separately reflected. For the years ended December 31, 2022 and 2021, administrative expenses incurred by the Plan totaled \$307,341 and \$353,362, respectively.

Investment Options — As of December 31, 2022, investment options were offered to Plan participants. See supplemental Form 5500, Schedule H, Part IV, Line 4i — Schedule of Assets (Held at End of Year) included in the back of this document for listing of all options and the values as of December 31, 2022.

The Plan Committee evaluates the suitability of the investment alternatives offered under the Plan in consultation with investment advisers and in accordance with the terms of the Plan's investment policy.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates — The Plan's financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles"). The preparation of financial statements in accordance with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits. Actual results could differ from these estimates.

Risks and Uncertainties — The Plan provides for various investment options, including mutual funds and a stable value fund. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value, which is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis.

Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year-end.

The Plan is invested in a common/collective trust fund through the Vanguard Retirement Savings Trust ("VRST"). VRST invests solely in the Vanguard Retirement Savings Master Trust (the "Master Trust"), which is primarily invested in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts. The fair value of the VRST is measured using NAV per share as a practical expedient. Each unit held by the VRST invests directly in one unit of the underlying investment. Unit values are calculated based on the observable NAV of the underlying investment in the funds, as more fully described in Note 5.

Interest income is accrued when earned, and dividend income is recorded on the ex-dividend date. Capital gains distributions are included in dividend income.

The Plan presents in the statements of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed as incurred.

Contributions — Participant contributions and Company-matching contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Any Company profit-sharing contributions are recorded by the Plan when and if approved by the Company's board of directors.

Distributions to Participants — Distributions to participants are recorded when paid.

Administrative Expenses — Administrative expenses of the Plan are paid by the Plan as provided in the Plan document.

Excess Contributions Payable — The Plan is required to return contributions received during the Plan year in excess of limits imposed by the IRC.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedule of assets (held at end of year) that was prepared by or derived from information prepared Vanguard, the trustee of the Plan. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

4. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, "Fair Value Measurements and Disclosures," as amended, establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurements. ASC 820 defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance. In accordance with ASC 820, the Plan classifies its investments into three categories:

Level 1 — Securities valued using unadjusted quoted prices from active markets for identical assets or liabilities

Level 2 — Securities not traded on an active market but for which observable market inputs are readily available

Level 3 — Securities valued based on significant unobservable inputs

The table below includes the major categorization for the Plan's investment securities on the basis of the nature and risk of the investments as of December 31, 2022 and 2021. There were no transfers of investments between Level 1 and Level 2 during the 2022 and 2021 Plan years.

Fair Value Measurements as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds, measured at fair value	\$ 230,789,821	\$ —	\$ —	\$ 230,789,821

Fair Value Measurements as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds, measured at fair value	\$ 264,722,865	\$ —	\$ —	\$ 264,722,865

Mutual Funds — The Plan's valuation methodology used to measure the fair values of mutual funds was based on quoted market prices, as the underlying investments held by the mutual funds have active markets. The valuation methods as described may produce a fair value calculation that may not be indicative of amounts at which such investments could be bought or sold, or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. COMMON COLLECTIVE TRUST FUND

6. TAX STATUS

Effective April 13, 2020, the Plan is based on the Volume Submitter Profit Sharing Plan with the Vanguard Group, the trustee of the Plan, which obtained its latest opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, stating that the Plan was designed in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the Company believes that the Plan continues to qualify and to operate as designed and is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require the Plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be

sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

ERISA defines a party in interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons aforementioned. As of December 31, 2022 and 2021, certain investments of the Plan are managed by the trustee. Transactions in such investments qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. The fees paid by the Plan to Vanguard for management services were \$125,408 and \$164,767 for the years ended December 31, 2022 and 2021, respectively.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

8. PENDING DISTRIBUTIONS

There were no material amounts allocated to the accounts of participants who had elected to withdraw from the Plan but were not yet paid, as of December 31, 2022 or 2021.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 5, 2023, the date the financial statements were available to be issued.
