Independent Auditors' Report

The Plan Administrator
Revolution Lighting Technologies, Inc.
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Revolution Lighting Technologies, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Revolution Lighting Technologies, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Revolution Lighting Technologies, Inc. and adopting employers (the "Employer" or "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees, excluding non-resident aliens and residents of Puerto Rico, who have attained 21 years of age are eligible to participate in the Plan on the first day of the month immediately following the completion of the eligibility requirements.

Contributions

Each year, participants may contribute up to 80% of their eligible compensation on a pre-tax or Roth basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the statutorily permitted amount. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer may make a discretionary matching contribution equal to a percentage of a participant's elective deferrals up to a percentage of their eligible compensation. For the 2022 plan year, the Employer made a discretionary matching contribution equal to 100% of a participant's elective deferrals up to 4% of their eligible compensation. The Employer may also make a discretionary contribution to the Plan in an amount determined by the Employer. For the 2022 plan year, no discretionary contributions were made to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (*continued*)

Vesting

A participant is 100% vested in their contributions and Employer matching contributions plus allocated earnings thereon at all times. Vesting in the Employer's discretionary contribution portion of their accounts is based on the vesting schedule as follows:

Vesting Years of Service	Vesting Percentage
Less than 1 year	0%
1 but less than 2 years	50%
2 or more years	100%

Effective September 14, 2022, as a result of the transfer (see Note 3), the Plan was amended to change the vesting schedule to two-year cliff vesting for Employer discretionary contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan administrator. A participant may only have one loan outstanding at any time. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years unless for the purchase of a principal residence whereby they are repayable over a period not to exceed twenty-five years.

Payment of Benefits

In-service withdrawals are permitted in the case of demonstrated financial hardship or after attaining age 59½. Upon termination of service, a participant may elect to receive a lump sum amount equal to the value of his or her vested account or distributions over their life expectancy. In the event of death of the participant, the value of the account will be paid to the spouse or other named beneficiary in a lump sum or installments. In the event of termination for any reason other than retirement, death or disability, the vested account balance will also become distributable to the participant.

Forfeited Accounts

Forfeitures of the non-vested portion of terminated participants' accounts are maintained in a separate account and may be used to: reduce Plan expenses; reduce future Employer contributions; or allocate back to participants. At December 31, 2022 and 2021, forfeited accounts totaled \$7,164 and \$2,709. During 2022, \$2,510 of forfeitures were used to reduce Employer contributions, \$2 of forfeitures were used to reduce Plan expenses, and no forfeitures were allocated back to participants.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

The Plan follows U.S. GAAP guidance which removed the requirement to categorize within the fair value hierarchy investments whose fair value is measured using net asset value ("NAV") as a practical expedient.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the group annuity contracts, which are stated at contract value. The group annuity contracts are valued at contract value, which represents contributions, plus earnings, less participant withdrawals and administrative expenses. The common/collective trusts are valued at the NAV of units held by the Plan. The NAVs, as provided by the trustees, are used as a practical expedient to estimate fair value. The NAVs are based on the fair value of the underlying investments held by the funds less their liabilities. The practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. These funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases making loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation in value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 4, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America, Empower Trust Company, LLC, and Principal Trust Company, qualified institutions.

Empower Annuity Insurance Company of America and Empower Trust Company, LLC held the Plan's investment assets and executed investment transactions from September 10, 2022 to December 31, 2022 and Principal Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2021 and for the period from January 1, 2022 to September 9, 2022.

	Level 1	Level 2	Other Investments Measured at NAV *	Total
Mutual funds	<u>\$ 5,642,907</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,642,907</u>
2021

Mutual funds	<u>1,247,242</u>	<u>-</u>	<u>-</u>	<u>1,247,242</u>
	<u>\$ 1,247,242</u>	<u>\$ 522,835</u>	<u>\$ 5,373,745</u>	<u>\$ 7,143,822</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

The Plan offered various common/collective trusts called the Principal LifeTime Hybrid CIT Z Funds ("Funds"). These Funds included: the Principal LifeTime Hybrid 2010 CIT Z Fund; the Principal LifeTime Hybrid 2015 CIT Z Fund; the Principal LifeTime Hybrid 2020 CIT Z Fund; the Principal LifeTime Hybrid 2025 CIT Z Fund; the Principal LifeTime Hybrid 2030 CIT Z Fund; the Principal LifeTime Hybrid 2035 CIT Z Fund; the Principal LifeTime Hybrid 2040 CIT Z Fund; the Principal LifeTime Hybrid 2045 CIT Z Fund; the Principal LifeTime Hybrid 2050 CIT Z Fund; the Principal LifeTime Hybrid 2055 CIT Z Fund; and the Principal LifeTime Hybrid 2060 CIT Z Fund. The unit value of each of these Funds was determined on a daily basis. Units were issued and redeemed daily at their unit value. Net investment income and realized and unrealized gains and losses on investments were not distributed to participants but are reflected in the unit value.

6. Group Annuity Contracts

As a result of the change in trustees during 2022 (see note 3), the Plan changed group annuity contracts. Because the group annuity contracts are benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contracts.

Empower Investments Fixed Account – Series Class I

The Empower Investments Fixed Account (the “Account”) is a general account product of Empower Annuity Insurance Company of America. Because the Account is a general account product offered through the group annuity contract, principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets of Empower Annuity Insurance Company of America.

The Account credits interest daily to the group contract holder on a portfolio basis. The crediting interest rate may change or stay the same quarterly. The quarterly crediting rate applies to all money deposited in the group contract holder’s Account regardless of when it was deposited.

Benefit payments are made at contract value. A participant may transfer their balance in the Account to any other investment option offered under the Plan at any time with no restrictions or penalties because the Account is designed to be a plan’s only capital preservation option.

Upon termination of the Account, the plan sponsor may choose the following options associated with Account depending on the provisions in the applicable Account rider: (1) receive the payout of the account in a lump sum with a market value adjustment; (2) receive the payout of the fixed account in a lump sum at contract value; (3) receive the payout of the fixed account in 20 quarterly contract value installment payments; or (4) mutually agree in writing to any other payout option allowable under applicable law.

The credit risk of the issuer, Empower Annuity Insurance Company of America, was evaluated by nationally recognized statistical rating agencies as follows: Moody’s Investors Service (Aa3), S&P Global (AA), A.M. Best Company (A+), and Fitch Ratings (AA). These ratings are as of September 2023.

Principal Fixed Income Guaranteed Option

The Principal Fixed Income Guaranteed Option (the “PFIGO”) was a guaranteed general account backed group annuity contract issued by Principal Life Insurance Company.

A rate of interest was contractually guaranteed by Principal Life Insurance Company and was credited to participant’s account balances. The rate was reset on a semiannual basis.

Benefit payments were made at contract value.

The PFIGO is no longer offered as an investment option to participants and was not an investment of the Plan as of December 31, 2022.

Revolution Lighting Technologies, Inc.
401(k) Profit Sharing Plan & Trust

Notes to Financial Statements
December 31, 2022

7. Party-in-Interest Transactions

Certain Plan investments are or were managed by Empower Annuity Insurance Company of America, a current trustee of the Plan, or an affiliate of Principal Trust Company, a former trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

8. Non-Exempt Party-in-Interest Transactions

During the 2021 and 2022 plan years, the Employer failed to transmit to the Plan certain participants' contributions and loan repayments within the period prescribed by Department of Labor regulations. Delays in remitting these amounts to the Plan were due to an administrative oversight. Pursuant to the guidance issued by the Department of Labor, lost earnings were calculated and contributed to the Plan by the Employer for affected participants related to the 2021 amounts. For the 2022 amounts, lost earnings will be calculated and contributed to the Plan by the Employer. This amount will be allocated to the affected participants once the correction process is complete.

9. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer, Empower Retirement LLC, by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

10. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

11. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Risk and Uncertainties (*continued*)

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
