INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Housley Communications Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Housley Communications Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Housley Communications Profit Sharing Plan and Trust's ability to continue as a going concern for the period of one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, our responsibilities are:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose

of expressing an opinion on the effectiveness of Housley Communications Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Housley Communications Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits do not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 and 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets Held for Investment Purposes (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

under 50 years old, they may contribute up to a maximum of \$20,500 and \$19,500 for 2022 and 2021, respectively. For participants age 50 or older, additional catch-up contributions of \$6,500, in 2022 and 2021, respectively, are allowed. Effective January 1, 2020, the Plan became a Safe Harbor plan, and the Company will contribute a safe harbor matching contribution to the participant's account in an amount equal to 100% of the matched employee's contributions that are not in excess of 4% of the participant's compensation. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested according to the participant's investment fund election. Contributions are subject to certain IRS limitations.

Participants Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Those contributions are made on a before-tax basis under the Section 401(K) provisions of the Internal Revenue Code. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Participant Loans – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of the participant's non-forfeitable accrued account balance. The participant may have only two loans outstanding at any time. The loans are secured by the balance in the participant's account and bear interest rates ranging from 4.25% to 9.00%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is earned and paid ratably through payroll deductions.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant must receive the value of the vested interest in his or her account as a lump-sum distribution. Participants, whose vested account balance exceeds \$1,000, can direct the timing of the distribution.

Forfeited Accounts – During the years ended December 31, 2022 and 2021, forfeited non-vested accounts totaled \$24,331 and \$11,479, respectively. During the years ended December 31, 2022 and 2021, the Plan used all forfeitures to reduce matching contributions.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

HOUSLEY COMMUNICATIONS PROFIT SHARING PLAN AND TRUST

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value.

The following investments exceed 5% of the Plan's net assets available for plan benefits as of December 31, 2022 and 2021:

	2022	2021
Investments, at fair value:		
John Hancock Stable Value	\$ 882,391	\$ 748,064
Vanguard Target Retirement 2020 Inv	1,363,986	1,668,218
Vanguard Target Retirement 2025 Inv	2,692,775	3,261,946
Vanguard Target Retirement 2030 Inv	2,741,902	3,274,933
Vanguard Target Retirement 2035 Inv	1,173,587	1,398,474

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis, while dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at the participant's unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Operating Expenses – All expenses of maintaining the Plan are paid by the Plan and are allocated to each participant's account on a prorated basis. During fiscal years 2022 and 2021, the Plan paid \$99,912 and \$99,545 in administrative expenses, which are included in the accompanying statements of changes in net assets available for plan benefits as administrative fees.

Payment of Benefits – Benefits are recorded when paid.

NOTE 3: EMPLOYER'S CONTRIBUTION RECEIVABLE

At the discretion of the Company's board of directors, additional profit-sharing amounts may be contributed to the Plan. Total employer contributions for the years ended December 31, 2022 and 2021 were \$375,000 and \$375,075, respectively. Employer contributions receivable as of December 31, 2022 and 2021 were \$146,382 and \$159,828, respectively.

HOUSLEY COMMUNICATIONS PROFIT SHARING PLAN AND TRUST

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 5: FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related Trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7: RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

Parties-in-interest include fiduciaries, service providers, and employers. John Hancock serves as the Trustee and Fiduciary of the plan. Service providers include Pension Planning Consultants, the plan recordkeeper, Armstrong, Backus & Co., LLP, plan auditors, Housley Communications Retirement Committee, plan administrator, and Housley Communications Inc., plan sponsor.

Certain Plan investments are shares of investment funds issued by the Plan trustee, and these transactions qualify as party-in-interest transactions and are exempt from the prohibited transactions rules. For the years ended December 31, 2022 and 2021, fees paid by the Plan for investment management services were \$9,375 and \$5,000, respectively.

The Company has contracted with Pension Planning Consultants to serve as a third-party administrator in managing the Plan. For the years ended December 31, 2022 and

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

2021, fees paid by the Company for investment management services of the Plan were \$7,040 and \$6,400, respectively.

In addition, the Company provides certain accounting and administrative services to the Plan for which no fees are charged.

NOTE 8: TRUSTEE CERTIFICATION

As of December 31, 2022 and 2021, John Hancock certified that the trustee statements submitted to the plan administrator and used to prepare investment information and related activity included in these financial statements are complete and accurate. The Plan's independent public accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

NOTE 10: FAIR VALUE MEASUREMENTS

The Plan's financial instruments consist principally of shares of mutual funds, participant loans, and contributions receivable. The fair value of a financial instrument is the amount that would be received in an asset sale or paid to transfer a liability in an orderly transaction between unaffiliated market participants. Assets and liabilities measured at fair value are categorized based on whether the inputs are observable in the market and the degree that the inputs are observable. The categorization of financial instruments within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. The hierarchy is prioritized into three levels (with Level 3 being the lowest) defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2: Observable inputs other than prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active, other inputs that are observable or can be corroborated with observable market data; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

The fair value of the Plan's shares of registered investment companies was determined based on Level 1 inputs. The Plan does not have any Level 2 or Level 3 inputs. The Plan believes that the recorded values of all the other financial instruments approximate their current fair values because of their nature and relatively short maturity dates or durations.

The Plan uses the following methods and assumptions to estimate the fair value of each class of financial instruments for which it is practicable to estimate such value:
