INDEPENDENT AUDITORS' REPORT

To the Board of Directors, as Plan Administrator Committee
Five Star Senior Living Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Five Star Senior Living Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Five Star Senior Living Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Senior Living Inc. Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Five Star Senior Living Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Senior Living Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and the Schedule of Assets (Held at the end of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Five Star Senior Living Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan that generally covers full-time and part-time employees of Five Star Senior Living Inc.("FVE"), including participating subsidiaries of FVE (together, the "Company"), who have completed three months of service and have attained the age of eighteen. The Company is the Plan Sponsor and the Plan Administrator Committee is the Plan Administrator to the Plan ("Plan Sponsor" and "Plan Administrator", respectively). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan Administrator is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan Administrator retained an investment advisor as a 3(38) manager, which is monitored to provide oversight of the appropriateness of the Plan's investment offerings and performance.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. The Plan document was amended and restated effective September 1, 2022 for formal adoption of such provisions of the CARES Act.

CONTRIBUTIONS

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan, up to a maximum amount allowable under the provisions of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts (rollovers). Participants direct the investment of their contributions to various investment options offered by the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Prior to September 1, 2022, the Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3 percent of eligible compensation, increased annually by 1 percent up to the maximum of 6 percent. The Plan was amended and restated on September 1, 2022 to eliminate the auto-enrollment and auto-increase features for all eligible employees hired on or after September 1, 2022.

The Company may make a contribution in the form of a discretionary employer matching contribution each year. This discretionary matching contribution is paid in the first quarter of the year following the applicable earned match amount. The matching contribution is based on years of service and a total amount approved by the Company's Board of Directors (the "Board") to be allocated among participants. The Board approved amount is referred to as the "ceiling" in the match determination formula. The Company determines what the match would be without this "ceiling" based on the points earned (see the table below) and determines a "per point" rate. The "per point" rate is calculated by dividing the uncapped amount of matching contributions by the "ceiling." This "per point" rate is then multiplied by each participant's uncapped match amount to determine the actual match allocated.

The Board elected to contribute $400,000 and $1,500,000 for the plan years ended December 31, 2022 and 2021, respectively. The employer contributions receivable as of December 31, 2022 has been recorded net of forfeited non-vested accounts that the Board elected to apply.

See the table below for participant matching contribution percentages:

Years of Service	Matching Contribution
0 - 2	1/2 point per $1 of elective deferrals, not to exceed 2% of compensation
3 - 5	1/2 point per $1 of elective deferrals, not to exceed 3% of compensation
6 - 8	1/2 point per $1 of elective deferrals, not to exceed 4% of compensation
Over 8	1/2 point per $1 of elective deferrals, not to exceed 5% of compensation

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Company matching contributions, if any, the participant's rollover contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution and earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their Plan account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of the loan, as determined quarterly by the Plan administrator.

Interest rates on notes outstanding at December 31, 2022, ranged from 4.25% to 10.25%. Interest rates on notes outstanding at December 31, 2021, ranged from 4.25% to 7.50%. Principal and interest are repaid ratably through payroll deductions.

PAYMENT OF BENEFITS

On termination of service, upon death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments. If a participant terminates employment for any reason and his or her vested account balance does not exceed $5,000 without regard to rollover, the Plan Administrator shall distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan adopted certain relief provisions included in the CARES Act, including allowing penalty-free distributions up to $100,000 through December 31, 2021 for qualifying reasons established in the CARES Act.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITED ACCOUNTS

At December 31, 2022 and 2021, forfeited non-vested accounts totaled $162,203 and $349,205, respectively. These accounts may be used to reduce future contributions to the Plan or pay reasonable administrative expenses. During 2022 and 2021, the Company's matching contributions were reduced by $165,648 and $279,652, respectively, from forfeited non-vested accounts. During 2022 and 2021, the Plan's administrative expenses were reduced by $36,262 and $22,100, respectively, from forfeited non-vested accounts.

HARDSHIP WITHDRAWALS

The Plan allows participants to make hardship withdrawals, provided certain conditions are met, as defined in the Plan agreement. Effective January 1, 2019, a participant is no longer required to have a loan prior to requesting a hardship withdrawal. Also, taking a hardship withdrawal no longer requires the automatic suspension of the participant's elective contributions for six months.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Total amounts distributed or to be distributed are $67,160 and $19,001 for the years ended December 31, 2022 and 2021, respectively.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

OTHER INCOME

The Plan's trustee may receive revenue sharing payments from mutual funds in which Plan assets are invested, either directly or indirectly from alliance organizations. The administrative services agreement between the Plan and Empower Trust Company, LLC ("Empower") provides that, to the extent revenue sharing payments received by Empower exceed administrative fees charged to the Plan by Empower, the excess will be credited to the Plan. For both the years ended December 31, 2022 and 2021, $0 was credited to the Plan under this agreement.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued. Except for as noted below, no further events requiring recognition or disclosure in the financial statements were identified.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan

Effective January 1, 2023, the Plan was amended and restated for the following:

i. Change the Plan name from Five Star Senior Living Inc. Retirement Plan to AlerisLife, Inc. Retirement Plan
ii. Change in the Plan design to be a safe harbor plan with the employer safe harbor match formula to be 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation
iii. Elimination of participants' ability to make dollar-based deferrals in the Plan

NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *"Fair Value Measurement"* are described as follows:

Level 1

Inputs are based on quoted prices (unadjusted) in active markets for identical assets or liabilities that we have the ability to access at the measurement date.

Level 2

Inputs are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments and quoted prices in inactive markets.

Level 3

Inputs are generated from model-based techniques that use significant assumptions that are not observable in the market.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENT (CONTINUED)

Common collective trust funds - The fair value of participation units held in common collective trusts ("CCTs"), is based on NAV, as reported by the managers of the CCTs, and as supported by the unit prices of actual purchases and sale transactions occurring as of or close to the date of the financial statements. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily with no redemption period. The CCTs have no unfunded commitments. Were the Plan to initiate a full redemption of the CCTs, the investment advisors reserve the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The CCTs invest in a high-quality, fixed-income portfolio combined with investment contracts, commonly referred to as wrap contracts, issued by insurance companies and other financial institutions for a fee. The CCTs are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer of the wrap contract guarantees a minimum rate of return and provides a full benefit responsiveness, provided that all terms of the wrap contract have been met. The fair value of the CCTs equals the total of the fair value of the underlying assets plus the total wrap contract rebid value.

Certain events limit the ability of the Plan to transact at contract value with the wrap issuer. However, the Plan Administrator is not aware of the occurrence or likely occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants. The issuer may terminate a wrap contract for cause at any time.

NOTE 3 – FAIR VALUE MEASUREMENT (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 48,258,137	$ --	$ --	$ 48,258,137
Common collective trust funds (a)	--	--	--	57,323,471
Total assets at fair value	$ 48,258,137	$ --	$ --	$ 105,581,608

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 122,365,226	$ --	$ --	$ 122,365,226
Common collective trust funds (a)	--	--	--	11,041,163
Total assets at fair value	$ 122,365,226	$ --	$ --	$ 133,406,389

(a) In accordance with ASC Subtopic 820-10, certain investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During 2022, the Plan changed the target date funds from the TIAA-CREF Lifecycle Index Institutional funds which were “mutual funds” to the Nuveen TIAA Lifecycle Index funds which are “common collective trust funds.”

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) (the trustee of the Plan). This information has not been audited by the Plan’s independent auditors.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

As a result of the Plan Sponsor's restructuring plan and reduction in workforce during 2021, the Plan experienced a partial plan termination as defined in the Internal Revenue Code ("IRC") during 2021. Under the IRC, a partial plan termination can occur because of an action taken by the Company. When a partial plan termination occurs, full vesting in the discretionary employer matching contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the Plan's provisions. All affected Plan participants were fully vested in their entire account balances.

NOTE 6 – TAX STATUS

The Plan Sponsor adopted a prototype plan, which received an opinion letter from the IRS, dated June 30, 2020, stating that the Plan Sponsor may rely on the opinion letter with respect to the qualification of the Plan. The Company does not intend to request its own determination letter. The Company may separately request a determination from the IRS with respect thereto. The Company has not requested such a determination. The Plan has been amended since receiving the opinion letter.

The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of subsection 401(k) of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022, and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan extends loans to participants who are considered parties-in-interest and are also exempt from the prohibited transactions rules.

NOTE 9 – SELF CORRECTION PROGRAM

PARTICIPANT CONTRIBUTIONS TRANSFERRED LATE TO THE PLAN

The Plan Administrator determined that certain remittances of employee deferrals for the Plan years ended December 31, 2022 and 2021 were not made timely in accordance with Department of Labor regulations. The Plan Administrator has categorized the remittances in question as prohibited transactions. The 2022 and 2021 remittances not made timely were corrected using the Department of Labor's Voluntary Fiduciary Correction Program ("VFCP") during 2022. All remittances that were deemed late are included in the supplemental schedule of delinquent participant contributions.

NOTE 9 – SELF CORRECTION PROGRAM (CONTINUED)

OPERATIONAL FAILURE

During 2022, the Company identified an operational failure that prevented a group of employees from being auto-enrolled and receiving employer discretionary matching contributions for the Plan years 2018, 2019, 2020 and 2021. As a consequence of this initial failure, deferral contributions for certain employees were also not automatically increased, and certain employees may not have received the matching contribution allocation for these years. During 2022, the Company took corrective action through the Voluntary Correction Program (VCP). As part of this correction, the Company funded a qualified non-elective contribution (QNEC) and corrective matching contributions, adjusted for earnings gain and losses in the aggregate amount of $248,988. This amount was deposited into the Plan on December 6, 2022 and is included in employer contributions in the accompanying statement of changes in net assets available for benefits.
