Report of Independent Auditors

To the Participants and Plan Administrator of
Keeneland Association Inc. 401(k) Plan
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Keeneland Association Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter - Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Keeneland Association Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective January 1, 1985 and was restated effective January 1, 2015, December 3, 2019, and January 1, 2022. The Plan covers all eligible employees of Keeneland Association, Inc. (the Plan Sponsor and Administrator) and participating employers Kentucky Training Center, LLC and Keeneland Hospitality, LLC.

Eligibility

Employees are eligible to participate in the Plan upon reaching age 21, completing 60 days of service and are not covered under a collective bargaining agreement. Eligible participants can enter the Plan on the first day of the month coinciding with or next following their date of becoming eligible. At that time, participants can begin deferring compensation into the Plan. Employees become eligible for employer matching and employer non-elective contributions upon reaching age 21, completing one year of service and are not covered under a collective bargaining agreement. Employees must also be actively employed on the last day of the Plan year to be eligible for employer non-elective contributions. A participant will be considered as actively employed on the last day of the Plan year if employment terminated during the Plan year due to death, disability, or retirement after attainment of age 65. Employees eligible for employer matching and employer non-elective contributions may begin receiving such contributions as of the earlier of January 1 or July 1 coinciding with or next following the date of becoming eligible.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. For employees hired prior to July 1, 2021, the Plan Sponsor matches 100% of participant's contribution, not to exceed \$1,000. For employees hired on or after July 1, 2021, the Plan Sponsor will make employer matching contributions equal to 50% of participant's elective contributions, up to 10% of Compensation, as defined in the Plan document. On behalf of each participant who is eligible to share in matching contributions for the Plan year, an additional discretionary matching contribution equal to a uniform percentage (to be determined each year by the Plan Sponsor) of each such participant's elective contributions. Additionally, the Plan Sponsor may elect to make a discretionary contribution, as determined each year. Contributions are subject to certain limitations as defined by the Plan. No discretionary contributions were made by the Plan Sponsor during 2022.

Participants are automatically enrolled in an elective deferral contribution of 3% of compensation, unless the participant affirmatively elects a different percentage or elects not to make an elective deferral contribution.

KEENELAND ASSOCIATION INC. 401(K) PLAN

1. Description of the Plan, continued

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. Administrative expenses are charged to each participant's account when a benefit distribution is processed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions, the Plan Sponsor's matching contributions, and rollover contributions plus actual earnings thereon. Participants hired after July 1, 2021 are vested in the Plan Sponsor's non-elective contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants hired prior to July 1, 2021 are vested in the Plan Sponsor's non-elective contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 1	0%
2 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Participant Loans

Participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. The loans are secured by the balance in the participant's account or other collateral as deemed necessary by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 (excluding amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or a single sum payment of a portion of the participant's vested interest in his or her account. On termination of service, a participant whose vested account balance is not greater than \$5,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

Forfeited Accounts

The Plan allows forfeitures to be made available to reinstate previously forfeited account balances of participants, used to satisfy certain contributions pursuant to the Plan document, or pay any administrative expenses of the Plan. The remaining forfeitures, if any, shall be used to reduced employer contributions. If any forfeitures remain, then those would constitute an additional discretionary contribution. As of December 31, 2022, there were no forfeited accounts. As of December 31, 2021, forfeited accounts totaled \$1,943. During 2022, forfeitures totaling \$3,465 were used to reduce contributions.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Loan origination fees associated with participant loans and the Plan's record keeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other administrative expenses are paid by the Plan Sponsor.

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through September 25, 2023, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Charles Schwab Trust Bank (Schwab), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements, continued

3. Information Certified and Provided by Trustee, continued

The following table presents the fair value of assets in the Plan that were certified by Schwab.

	<u>2022</u>	<u>2021</u>
Collective investment trusts	\$ 11,012,104	\$ 12,733,268
Mutual funds	2,945,407	3,887,486
Self-directed brokerage accounts	71,713	107,092
Cash reserve account	<u>8,255</u>	<u>1,289</u>
Total	\$ <u>14,037,479</u>	\$ <u>16,729,135</u>
Notes receivable from participants	\$ 374,337	\$ 381,002

Schwab also certified to the completeness and accuracy of \$3,000,114 of net realized and unrealized depreciation in the fair value of investments, \$111,280 of interest and dividends related to the investments, \$19,335 of interest on notes receivable from participants, and \$35,379 of other loss on self-directed brokerage accounts for the year ended December 31, 2022.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2022</u>				
Investments measured at fair value:				
Mutual funds	\$ 2,945,407	\$ -	\$ -	\$ 2,945,407
Self-directed brokerage accounts	<u>71,713</u>	<u>-</u>	<u>-</u>	<u>71,713</u>
	<u>\$ 3,017,120</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,017,120</u>
Investments measured at NAV:				
Collective investment trusts				<u>11,012,104</u>
Total investments at fair value				<u>\$ 14,029,224</u>
<u>2021</u>				
Investments measured at fair value:				
Mutual funds	\$ 3,887,486	\$ -	\$ -	\$ 3,887,486
Self-directed brokerage accounts	<u>107,092</u>	<u>-</u>	<u>-</u>	<u>107,092</u>
Total investments at fair value	<u>\$ 3,994,578</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,994,578</u>
Investments measured at NAV:				
Common collective trust				<u>12,733,268</u>
Total investments at fair value				<u>\$ 16,727,846</u>

In accordance with accounting standards, investments that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the Statements of Net Assets Available for Benefits.

KEENELAND ASSOCIATION INC. 401(K) PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The following table summarized investments measured at fair value based on NAV per share as of December 31:

	2022 Fair Value	2021 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts:					
Equity index funds	\$11,012,104	\$12,733,268	N/A	Daily	Daily

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no significant transfers in or out of Level 3.

5. Exempt Party-in-Interest Transactions

The cash reserve account is managed by Schwab. Schwab is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$23,903 for the year ended December 31, 2022 are comprised of fees paid by the Plan to Milliman, Inc., the recordkeeper of the Plan, for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Schwab based on investment account values. These fees range from 0.02% to 1.04% of the investment account value. The fees decrease net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan has adopted a volume submitter plan sponsored by FIS Business Systems, LLC. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service (IRS), dated March 31, 2014, as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.
