L.E. Jones Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of L.E. Jones Company 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of L.E. Jones Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Report on the 2021 Financial Statement

Management is responsible for the accompanying statement of net asset available for benefits of the L.E. Jones Company 401(k) Plan as of December 31, 2021, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on this financial statement.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of L.E. Jones Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the L.E. Jones Company 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan was adopted January 1, 1987, and restated effective November 2, 2021. The Plan is a defined contribution plan and 401(k) plan under Section 401(k) of the Internal Revenue Code that covered all eligible employees of L.E. Jones Company, LLC (Company).

The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Administrative Fees

The Company has elected to pay certain administrative fees for the Plan while the remainder of the expenses are paid by the Plan. Total administrative expenses paid by the Plan were \$124,816 for 2022.

3. Contributions

Participants could elect to contribute a percentage of their compensation to the Plan. In addition to the participants' contributions, the Company contributed seventy cents per hour paid for each hourly participant, 5% of compensation for each salaried participant, and matched all participants' deferrals in certain percentages. These Company contributions totaled \$1,340,337 for 2022.

4. Participant Accounts

Each participant's account was credited with the participant's contribution, employer contributions, and earnings. The benefit to which a participant was entitled was the benefit that could be provided from the participant's account.

5. Vesting

Participants are immediately 100 percent vested in the participant's contributions and Company contributions.

6. Payment of Benefits

On termination of service, a participant could elect to receive the benefits as a single payment, an annuity, or some combination of these options. Benefits were recorded when paid.

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

7. Use of Estimates

Management used estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affected the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

8. Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions were treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms ranged from one to five years or up to fifteen years for the purchase of a primary residence. The loans were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates ranged from 4.25% to 9% for all loans outstanding. Principal and interest were paid ratably through payroll deductions.

The Plan deemed all participant notes receivable to be fully collectible; therefore, no allowance for uncollectible accounts was required. Participant notes receivable were treated as distributions when they are determined to be uncollectible.

9. Investment Valuation

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

10. Income Tax Status

The Internal Revenue Service had determined that the prototype plan and related trust from which the Plan was drafted were designed in accordance with applicable sections of the Internal Revenue Code, and, accordingly, the trust's net investment income was exempt from income taxes. The Plan sponsor believed that the Plan continued to qualify and to operate as designed. The Plan administrator was not aware of any course of action or series of events that had occurred that might adversely affect the Plan's qualified status. The Plan followed the accounting standards for uncertainty in income taxes; however, the Plan did not believe it had any uncertain tax positions and had no unrecognized tax benefits or liabilities for penalties or interest.

11. *Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 4, 2023, which is the date the financial statements were available to be issued. No subsequent events required recognition or disclosure.

NOTE B | INVESTMENTS

All the Plan's investments were participant directed and held by a trust company. Participants can direct their contributions into any of the investment options offered by the Plan. Investment option changes and transfers could be made by the participants on a daily basis, subject to certain limitations.

NOTE C | RISKS AND UNCERTAINTIES

Investments, in general, are inherently subject to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that a change in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE D | FAIR VALUE MEASUREMENT

The Plan followed the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value, and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan had not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

- Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.
- Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.
- Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

Fair value of the various funds were based on daily quoted values.
