INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Mountville Mills, Inc. 401(k) Profit Sharing Plan
1729 South Davis Road
LaGrange, GA 30241

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mountville Mills, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mountville Mills, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mountville Mills, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mountville Mills, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Yours truly,

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

NOTE A – DESCRIPTION OF PLAN

The following description of Mountville Mills, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution profit sharing plan covering all eligible full-time employees of the Company who have completed one month of service. Eligibility for profit sharing begins after one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Participants may contribute, after one month of service, the maximum deferral amount under provisions of Section 402(g) of the U.S. Internal Revenue Code as annually indexed by the U.S. Internal Service (for year ended December 31, 2022 the limit was \$20,500 and for the year ended December 31, 2021 the limit was \$19,500). Participants may also contribute amounts representing distributions from other qualified plans. The Company may make an annual discretionary contribution to the Profit Sharing Plan on behalf of all eligible participants. To be eligible, a participant must be actively employed on the last day of the Plan year. The allocation of discretionary profit sharing is based on participant compensation level. Effective August 1, 2022, Plan participants are eligible for safe harbor matching contributions after one month of service. The Company matches the employee contributions dollar for dollar up to 4% of the participant’s earnings. Participants may also contribute amounts representing rollovers for other qualified plans.

Participating employees age 50 and above may elect to make “Catch Up” contributions to the Plan above the Plan’s maximum. The maximum additional Catch Up contribution was \$6,500 in 2022 and 2021.

Investments. Participants direct the investment of their contributions and any Company matching contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and a stable value fund as investment options for participants.

Participant Accounts. Each participant’s account is credited with the participant’s contribution along with the allocation of (a) the Company’s contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The accounts are participant-directed.

Vesting. Participants are immediately vested in their voluntary contributions and the Company’s safe harbor match plus actual earnings thereon. Vesting in the Company’s profit sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payments of Benefits. On termination of service, if a participant’s vested benefit in the Plan exceeds \$5,000, a participant may elect to receive either a lump sum payment equal to the value of his or her account, or equal installment payments over a specified number of years not to exceed their life expectancy (or participant’s and participant’s beneficiary’s life expectancies). If the participant’s vested benefit in the Plan does not exceed \$5,000, the benefit is distributed in a single lump-sum payment.

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

Forfeitures. Participants who leave the Plan may forfeit certain amounts. Forfeitures are used by the plan to reduce future employer contributions. Unapplied forfeitures totaled \$186,104 and \$297,910 at December 31, 2022 and 2021, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared on the accrual method of accounting generally accepted in the United States of America.

Investment Valuation and Income Recognition. The Plan holds investments in mutual funds and in a common/collective trust. The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract, which is carried at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments bought and sold as well as held during the year are included in the net appreciation or depreciation in the fair value of the investments at year-end in the statement of changes in net assets available for benefits.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

Use of Estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the period. Accordingly, actual results may differ from those estimates.

Administrative Expenses. The Plan has entered into a trust agreement with Ascensus Trust Company to act as the Trustee of the Plan and The Vanguard Group to act as the Plan recordkeeper. All expenses, charges, or fees incurred by the Trustee or Recordkeeper in the administration of the Plan shall be deducted from the Plan in accordance with procedures established by the Trustee unless paid by the Plan Sponsor.

New Accounting Pronouncements. The Plan has adopted Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, as amended which prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Security Act of 1974 and changes the form and content of the related auditor's report. The new reporting standard is effective for periods ending on or after December 15, 2021.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices of identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Refer to Note B for the valuation methods used to fair value Plan assets.

The following table provides information by level for assets that are measured at fair value on a recurring basis as of December 31, 2022 and December 31, 2021:

		Fair Value Measurements Using Inputs Considered as		
	<u>Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>December 31, 2022</u>				
Mutual Funds	<u>\$ 29,190,043</u>	<u>\$ 29,190,043</u>		
<u>December 31, 2021</u>				
Pooled Separate Account ^(a)	<u>\$ 31,809,336</u>			

^(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

For the year ended December 31, 2022 – Mutual funds are valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

For the year ended December 31, 2021 – Pooled Separate Accounts are recorded at net asset value (NAV) or its equivalent. The NAV reported by the underlying fund approximates the fair value of the investment. These investments are redeemable with the fund at NAV. Plan participant transactions of investments or withdrawals may occur on a daily basis and there are no redemption restrictions on these funds. There were no unfunded commitments at December 31, 2021.

December 31, 2022 and December 31, 2021

NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE

The Plan holds an investment in a fully benefit-responsive stable value fund. The stable value fund is a common/collective trust measured at contract value. The common/collective trust is a comingled pool which allows only participant-directed qualified defined contribution plans to invest in the fund. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund's constant net asset value (NAV) of \$1 per unit. Distribution to the Fund's unit holders are declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable net asset value of \$1 per unit; although there is no guarantee that the Fund will be able to maintain this value.

The trust invests in underlying assets typically fixed income securities or bond funds and money market funds to provide daily liquidity. The trust also invests in wrap contracts issued by insurance companies and other financial institutions for a fee. The common/collective trust is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer of the wrap contract guarantees a minimum rate of return and provides full benefit responsiveness, provided that all terms of the wrap contract have been met.

There were no reserves against the wrap contracts' carrying values due to credit risks of the issuers. The crediting interest rates for the wrap contracts are based upon a formula agreed upon with the issuer, with the requirement that interest rates may not be less than zero percent. Certain events limit the ability of the Plan to transact at contract value with the wrap issuer. However, the Plan's management is not aware of the occurrence or likely occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants. The issuer may terminate a wrap contract at any time.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan and any person who provides services to the Plan. Plan investments are managed by Ascensus Trust Company, who is the Trustee and Custodian of the Plan and The Vanguard Group acts as the recordkeeper of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE F – INFORMATION CERTIFIED

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company for the period August 1, 2022 through December 31, 2022 and Transamerica Financial Life Insurance Company, for the period January 1, 2021 through July 31, 2022 have certified that the following data included in the accompanying financial statements is complete and accurate. Ascensus Trust Company has also certified that the supplemental Schedule of Assets (Held At End Of Year) is complete and accurate.

NOTE G - TAX STATUS

The volume submitter plan has received a favorable opinion letter dated June 30, 2020 stating that the form of the plan is acceptable under section 401 of the Internal Revenue Code. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by the appropriate regulatory authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 9, 2023, the date the financial statements were available to be issued.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mountville Mills, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mountville Mills, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mountville Mills, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mountville Mills, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Yours truly,

J. K. Boatwright & Co., P.C.

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

NOTE A – DESCRIPTION OF PLAN

The following description of Mountville Mills, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution profit sharing plan covering all eligible full-time employees of the Company who have completed one month of service. Eligibility for profit sharing begins after one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Participants may contribute, after one month of service, the maximum deferral amount under provisions of Section 402(g) of the U.S. Internal Revenue Code as annually indexed by the U.S. Internal Service (for year ended December 31, 2022 the limit was \$20,500 and for the year ended December 31, 2021 the limit was \$19,500). Participants may also contribute amounts representing distributions from other qualified plans. The Company may make an annual discretionary contribution to the Profit Sharing Plan on behalf of all eligible participants. To be eligible, a participant must be actively employed on the last day of the Plan year. The allocation of discretionary profit sharing is based on participant compensation level. Effective August 1, 2022, Plan participants are eligible for safe harbor matching contributions after one month of service. The Company matches the employee contributions dollar for dollar up to 4% of the participant’s earnings. Participants may also contribute amounts representing rollovers for other qualified plans.

Participating employees age 50 and above may elect to make “Catch Up” contributions to the Plan above the Plan’s maximum. The maximum additional Catch Up contribution was \$6,500 in 2022 and 2021.

Investments. Participants direct the investment of their contributions and any Company matching contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and a stable value fund as investment options for participants.

Participant Accounts. Each participant’s account is credited with the participant’s contribution along with the allocation of (a) the Company’s contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The accounts are participant-directed.

Vesting. Participants are immediately vested in their voluntary contributions and the Company’s safe harbor match plus actual earnings thereon. Vesting in the Company’s profit sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payments of Benefits. On termination of service, if a participant’s vested benefit in the Plan exceeds \$5,000, a participant may elect to receive either a lump sum payment equal to the value of his or her account, or equal installment payments over a specified number of years not to exceed their life expectancy (or participant’s and participant’s beneficiary’s life expectancies). If the participant’s vested benefit in the Plan does not exceed \$5,000, the benefit is distributed in a single lump-sum payment.

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

Forfeitures. Participants who leave the Plan may forfeit certain amounts. Forfeitures are used by the plan to reduce future employer contributions. Unapplied forfeitures totaled \$186,104 and \$297,910 at December 31, 2022 and 2021, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared on the accrual method of accounting generally accepted in the United States of America.

Investment Valuation and Income Recognition. The Plan holds investments in mutual funds and in a common/collective trust. The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract, which is carried at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments bought and sold as well as held during the year are included in the net appreciation or depreciation in the fair value of the investments at year-end in the statement of changes in net assets available for benefits.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

Use of Estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the period. Accordingly, actual results may differ from those estimates.

Administrative Expenses. The Plan has entered into a trust agreement with Ascensus Trust Company to act as the Trustee of the Plan and The Vanguard Group to act as the Plan recordkeeper. All expenses, charges, or fees incurred by the Trustee or Recordkeeper in the administration of the Plan shall be deducted from the Plan in accordance with procedures established by the Trustee unless paid by the Plan Sponsor.

New Accounting Pronouncements. The Plan has adopted Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, as amended which prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Security Act of 1974 and changes the form and content of the related auditor's report. The new reporting standard is effective for periods ending on or after December 15, 2021.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices of identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Refer to Note B for the valuation methods used to fair value Plan assets.

The following table provides information by level for assets that are measured at fair value on a recurring basis as of December 31, 2022 and December 31, 2021:

		Fair Value Measurements Using Inputs Considered as		
	<u>Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>December 31, 2022</u>				
Mutual Funds	<u>\$ 29,190,043</u>	<u>\$ 29,190,043</u>		
<u>December 31, 2021</u>				
Pooled Separate Account ^(a)	<u>\$ 31,809,336</u>			

^(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

For the year ended December 31, 2022 – Mutual funds are valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

For the year ended December 31, 2021 – Pooled Separate Accounts are recorded at net asset value (NAV) or its equivalent. The NAV reported by the underlying fund approximates the fair value of the investment. These investments are redeemable with the fund at NAV. Plan participant transactions of investments or withdrawals may occur on a daily basis and there are no redemption restrictions on these funds. There were no unfunded commitments at December 31, 2021.

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE

The Plan holds an investment in a fully benefit-responsive stable value fund. The stable value fund is a common/collective trust measured at contract value. The common/collective trust is a comingled pool which allows only participant-directed qualified defined contribution plans to invest in the fund. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund's constant net asset value (NAV) of \$1 per unit. Distribution to the Fund's unit holders are declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable net asset value of \$1 per unit; although there is no guarantee that the Fund will be able to maintain this value.

The trust invests in underlying assets typically fixed income securities or bond funds and money market funds to provide daily liquidity. The trust also invests in wrap contracts issued by insurance companies and other financial institutions for a fee. The common/collective trust is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer of the wrap contract guarantees a minimum rate of return and provides full benefit responsiveness, provided that all terms of the wrap contract have been met.

There were no reserves against the wrap contracts' carrying values due to credit risks of the issuers. The crediting interest rates for the wrap contracts are based upon a formula agreed upon with the issuer, with the requirement that interest rates may not be less than zero percent. Certain events limit the ability of the Plan to transact at contract value with the wrap issuer. However, the Plan's management is not aware of the occurrence or likely occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants. The issuer may terminate a wrap contract at any time.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan and any person who provides services to the Plan. Plan investments are managed by Ascensus Trust Company, who is the Trustee and Custodian of the Plan and The Vanguard Group acts as the recordkeeper of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE F – INFORMATION CERTIFIED

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company for the period August 1, 2022 through December 31, 2022 and Transamerica Financial Life Insurance Company, for the period January 1, 2021 through July 31, 2022 have certified that the following data included in the accompanying financial statements is complete and accurate. Ascensus Trust Company has also certified that the supplemental Schedule of Assets (Held At End Of Year) is complete and accurate.

Mountville Mills, Inc.
401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and December 31, 2021

NOTE G - TAX STATUS

The volume submitter plan has received a favorable opinion letter dated June 30, 2020 stating that the form of the plan is acceptable under section 401 of the Internal Revenue Code. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by the appropriate regulatory authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 9, 2023, the date the financial statements were available to be issued.
