Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-3007368
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **AAFCPAS, INC.**

(2) EIN: **04-2571780**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500. Independent Auditor's Report

To the Plan Administrator and Board of Directors of
Boston Healthcare for the Homeless 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Boston Healthcare for the Homeless 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boston Healthcare for the Homeless 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Healthcare for the Homeless 403(b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Healthcare for the Homeless 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Boston Healthcare for the Homeless 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all full-time employees of Boston Health Care for the Homeless Program, Inc. (the Health Center) (the Plan Sponsor) who are scheduled to work a minimum of twenty hours per week. The Plan excludes leased employees and independent contractors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

On April 1, 2022, Empower Annuity Insurance Company of America, formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC, acquired the full-service retirement business of Prudential Financial, Inc. In connection with this transaction Empower Annuity Insurance Company of America acquired all entities which were affiliated with Prudential Financial, Inc. Plan records as of and for the year ended December 31, 2022, have been provided and certified by Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., each of which have been determined to be qualified institutions. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company of America. The Plan utilizes an insurance product contract issued by Prudential Retirement Insurance and Annuity Company (see Note 9).

b. Contributions

Each year, participants may contribute a percentage up to 100% of pre-tax annual compensation subject to certain Internal Revenue Service (IRS) limitations, as defined in the Plan. The Plan also allows for after-tax contributions (Roth). Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Plan automatically enrolls participants with deferral rates set at 3% of eligible compensation.

The Plan does not allow for employer contributions as the Plan Sponsor has another qualified retirement plan where the Plan Sponsor contributes profit-sharing contributions. During 2022, the Plan Sponsor funded a qualified non-elective contribution of \$453 for a correction. The correction was regarding the Americorps group that were believed to be excluded from the plan but were not. As a result, they should have had the opportunity as a participant to elect 3% Pre-tax deferral according to the automatic contribution arrangement in the Plan document. The Plan made QNEC contributions equal to at least 50% of the missed deferral.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or directly charged to participants, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions and earnings.

e. Notes Receivable from Participants

Participants may borrow up to a maximum equal to \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. The loans are secured by the balance in the participant's account. Interest is due on the outstanding principal balance at the prime rate plus 1%. Participants are allowed one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions. The loan term cannot exceed five years unless proceeds are used to purchase a primary residence, in which case the maximum repayment period is fifteen years.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of their account, installments or a partial lump sum as identified in the Plan document. There are also retirement benefits available upon disability and death. The Plan will issue mandatory distributions for terminated participants with account balances of \$5,000 or below.

The Plan allows in-service withdrawals upon attainment of age 59½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the Internal Revenue Code (IRC) or standards established by the Secretary of the Treasury or their delegate.

g. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value. Shares of mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units in the unallocated contract held by the Plan are valued based on the contractual term of the underlying contract. The Health Center determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion of fair value measurement.

Unallocated contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2022, there were \$55,358 of defaulted loans included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Health Center and are excluded from these financial statements. Fees related to plan record keeping, investment advisory services, the administration of notes receivable from participants and benefit payments are paid by the Plan, and are included in administrative expenses. Investment-related expenses are included in net depreciation of investments.

Subsequent Events

Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition for disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, and the related investment transactions and investment loss and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENT (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Health Center believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There has been no change in the methodology used at December 31, 2022 and 2021.

The following tables present by level, within the fair value hierarchy, the fair value of Plan's assets as of December 31:

<u>Description</u>	<u>2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 23,151,128</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,151,128</u>
<u>Description</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 26,358,538</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,358,538</u>

Changes in Fair Value

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers during the years ended December 31, 2022 and 2021.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

5. PLAN TERMINATION

Although the Health Center has not expressed any intent to do so, the Health Center has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all vested benefits shall be paid to participants in accordance with provisions of the Plan.

6. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions and notes receivable from participants are considered party-in-interest transactions. During 2022, the Plan paid \$78,677 of record keeping, advisory and investment transaction expenses to the qualified institutions and advisor.

7. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated April 29, 2014, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in a number of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant balances and the amounts reported in the statements of net assets available for benefits.

9. UNALLOCATED CONTRACT

The Plan has a fully benefit-responsive unallocated contract issued by Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is defined within the contract.

The unallocated contract is reported at contract value representing deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined within the contract.

Interest is credited on contract balances using a single "portfolio rate" approach, meaning a single interest crediting rate is applied to all contributions made to the contract regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis for resetting.

Independent Auditor's Report

To the Plan Administrator and Board of Directors of
Boston Healthcare for the Homeless 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Boston Healthcare for the Homeless 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boston Healthcare for the Homeless 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Healthcare for the Homeless 403(b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Healthcare for the Homeless 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Boston Healthcare for the Homeless 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all full-time employees of Boston Health Care for the Homeless Program, Inc. (the Health Center) (the Plan Sponsor) who are scheduled to work a minimum of twenty hours per week. The Plan excludes leased employees and independent contractors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

On April 1, 2022, Empower Annuity Insurance Company of America, formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC, acquired the full-service retirement business of Prudential Financial, Inc. In connection with this transaction Empower Annuity Insurance Company of America acquired all entities which were affiliated with Prudential Financial, Inc. Plan records as of and for the year ended December 31, 2022, have been provided and certified by Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., each of which have been determined to be qualified institutions. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company of America. The Plan utilizes an insurance product contract issued by Prudential Retirement Insurance and Annuity Company (see Note 9).

b. Contributions

Each year, participants may contribute a percentage up to 100% of pre-tax annual compensation subject to certain Internal Revenue Service (IRS) limitations, as defined in the Plan. The Plan also allows for after-tax contributions (Roth). Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Plan automatically enrolls participants with deferral rates set at 3% of eligible compensation.

The Plan does not allow for employer contributions as the Plan Sponsor has another qualified retirement plan where the Plan Sponsor contributes profit-sharing contributions. During 2022, the Plan Sponsor funded a qualified non-elective contribution of \$453 for a correction. The correction was regarding the Americorps group that were believed to be excluded from the plan but were not. As a result, they should have had the opportunity as a participant to elect 3% Pre-tax deferral according to the automatic contribution arrangement in the Plan document. The Plan made QNEC contributions equal to at least 50% of the missed deferral.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or directly charged to participants, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions and earnings.

e. Notes Receivable from Participants

Participants may borrow up to a maximum equal to \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. The loans are secured by the balance in the participant's account. Interest is due on the outstanding principal balance at the prime rate plus 1%. Participants are allowed one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions. The loan term cannot exceed five years unless proceeds are used to purchase a primary residence, in which case the maximum repayment period is fifteen years.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of their account, installments or a partial lump sum as identified in the Plan document. There are also retirement benefits available upon disability and death. The Plan will issue mandatory distributions for terminated participants with account balances of \$5,000 or below.

The Plan allows in-service withdrawals upon attainment of age 59½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the Internal Revenue Code (IRC) or standards established by the Secretary of the Treasury or their delegate.

g. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value. Shares of mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units in the unallocated contract held by the Plan are valued based on the contractual term of the underlying contract. The Health Center determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion of fair value measurement.

Unallocated contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2022, there were \$55,358 of defaulted loans included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Health Center and are excluded from these financial statements. Fees related to plan record keeping, investment advisory services, the administration of notes receivable from participants and benefit payments are paid by the Plan, and are included in administrative expenses. Investment-related expenses are included in net depreciation of investments.

Subsequent Events

Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition for disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, and the related investment transactions and investment loss and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENT (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Health Center believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There has been no change in the methodology used at December 31, 2022 and 2021.

The following tables present by level, within the fair value hierarchy, the fair value of Plan's assets as of December 31:

<u>Description</u>	<u>2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 23,151,128</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,151,128</u>

<u>Description</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 26,358,538</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,358,538</u>

Changes in Fair Value

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers during the years ended December 31, 2022 and 2021.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

5. PLAN TERMINATION

Although the Health Center has not expressed any intent to do so, the Health Center has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all vested benefits shall be paid to participants in accordance with provisions of the Plan.

6. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions and notes receivable from participants are considered party-in-interest transactions. During 2022, the Plan paid \$78,677 of record keeping, advisory and investment transaction expenses to the qualified institutions and advisor.

7. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated April 29, 2014, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in a number of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant balances and the amounts reported in the statements of net assets available for benefits.

9. UNALLOCATED CONTRACT

The Plan has a fully benefit-responsive unallocated contract issued by Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is defined within the contract.

The unallocated contract is reported at contract value representing deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined within the contract.

Interest is credited on contract balances using a single "portfolio rate" approach, meaning a single interest crediting rate is applied to all contributions made to the contract regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis for resetting.

Independent Auditor's Report

To the Plan Administrator and Board of Directors of
Boston Healthcare for the Homeless 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Boston Healthcare for the Homeless 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boston Healthcare for the Homeless 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Healthcare for the Homeless 403(b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Healthcare for the Homeless 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Healthcare for the Homeless 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Boston Healthcare for the Homeless 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all full-time employees of Boston Health Care for the Homeless Program, Inc. (the Health Center) (the Plan Sponsor) who are scheduled to work a minimum of twenty hours per week. The Plan excludes leased employees and independent contractors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

On April 1, 2022, Empower Annuity Insurance Company of America, formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC, acquired the full-service retirement business of Prudential Financial, Inc. In connection with this transaction Empower Annuity Insurance Company of America acquired all entities which were affiliated with Prudential Financial, Inc. Plan records as of and for the year ended December 31, 2022, have been provided and certified by Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., each of which have been determined to be qualified institutions. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company of America. The Plan utilizes an insurance product contract issued by Prudential Retirement Insurance and Annuity Company (see Note 9).

b. Contributions

Each year, participants may contribute a percentage up to 100% of pre-tax annual compensation subject to certain Internal Revenue Service (IRS) limitations, as defined in the Plan. The Plan also allows for after-tax contributions (Roth). Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Plan automatically enrolls participants with deferral rates set at 3% of eligible compensation.

The Plan does not allow for employer contributions as the Plan Sponsor has another qualified retirement plan where the Plan Sponsor contributes profit-sharing contributions. During 2022, the Plan Sponsor funded a qualified non-elective contribution of \$453 for a correction. The correction was regarding the Americorps group that were believed to be excluded from the plan but were not. As a result, they should have had the opportunity as a participant to elect 3% Pre-tax deferral according to the automatic contribution arrangement in the Plan document. The Plan made QNEC contributions equal to at least 50% of the missed deferral.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or directly charged to participants, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions and earnings.

e. Notes Receivable from Participants

Participants may borrow up to a maximum equal to \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. The loans are secured by the balance in the participant's account. Interest is due on the outstanding principal balance at the prime rate plus 1%. Participants are allowed one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions. The loan term cannot exceed five years unless proceeds are used to purchase a primary residence, in which case the maximum repayment period is fifteen years.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of their account, installments or a partial lump sum as identified in the Plan document. There are also retirement benefits available upon disability and death. The Plan will issue mandatory distributions for terminated participants with account balances of \$5,000 or below.

The Plan allows in-service withdrawals upon attainment of age 59½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the Internal Revenue Code (IRC) or standards established by the Secretary of the Treasury or their delegate.

g. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value. Shares of mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units in the unallocated contract held by the Plan are valued based on the contractual term of the underlying contract. The Health Center determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion of fair value measurement.

Unallocated contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2022, there were \$55,358 of defaulted loans included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Health Center and are excluded from these financial statements. Fees related to plan record keeping, investment advisory services, the administration of notes receivable from participants and benefit payments are paid by the Plan, and are included in administrative expenses. Investment-related expenses are included in net depreciation of investments.

Subsequent Events

Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition for disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Prudential Bank & Trust, F.S.B., the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, and the related investment transactions and investment loss and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENT (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Health Center believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There has been no change in the methodology used at December 31, 2022 and 2021.

The following tables present by level, within the fair value hierarchy, the fair value of Plan's assets as of December 31:

<u>Description</u>	<u>2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 23,151,128</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,151,128</u>
<u>Description</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	<u>\$ 26,358,538</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,358,538</u>

Changes in Fair Value

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers during the years ended December 31, 2022 and 2021.

**BOSTON HEALTHCARE FOR THE HOMELESS
403(B) RETIREMENT PLAN**

Notes to Financial Statements
December 31, 2022 and 2021

5. PLAN TERMINATION

Although the Health Center has not expressed any intent to do so, the Health Center has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all vested benefits shall be paid to participants in accordance with provisions of the Plan.

6. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions and notes receivable from participants are considered party-in-interest transactions. During 2022, the Plan paid \$78,677 of record keeping, advisory and investment transaction expenses to the qualified institutions and advisor.

7. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated April 29, 2014, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in a number of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant balances and the amounts reported in the statements of net assets available for benefits.

9. UNALLOCATED CONTRACT

The Plan has a fully benefit-responsive unallocated contract issued by Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is defined within the contract.

The unallocated contract is reported at contract value representing deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined within the contract.

Interest is credited on contract balances using a single "portfolio rate" approach, meaning a single interest crediting rate is applied to all contributions made to the contract regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis for resetting.
