INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Halmar International, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Halmar International, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Halmar International, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year-ended December 31, 2022 and Schedule H, Line 4(i) – Schedule of Assets (Held at Year End) as of December 31, 2022, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more comprehensive description of the Plan's provisions.

GENERAL AND ELIGIBILITY

The Plan is a defined contribution plan sponsored by Halmar International, LLC and certain of its subsidiaries and affiliates, which include Ashlar Structural, LLC, Halmar Transportation Systems, LLC, Atlantic Coast Foundations, LLC, Sinelec USA, Itinera USA, and ASTM North America, Inc. (formerly known as Itinera Infrastructure & Concessions, Inc.) (collectively referred to as the Company, the Employer, or the Plan Sponsor). The Plan covers all employees of the Plan Sponsor who have completed at least one hour of service during the first month of employment except for employees under collective bargaining, or non-resident aliens who receive no income in the United States. Plan entry dates are the first of each month.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon enrollment in the Plan, employees may direct salary deferral contributions to selected investments as made available and determined by the Plan Sponsor. Participants may change their investment options at any time.

The Plan Sponsor is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

CARES Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYEE CONTRIBUTIONS

Participants may elect to contribute up to 100% of their eligible compensation up to the maximum allowed by the Internal Revenue Code (IRC) limitations. Participants who are at least the age 50 may make an additional pretax “catch-up” contribution subject to IRC limitations. In addition to pre-tax contributions, participants may also make after-tax (Roth) contributions to the Plan. Participants may also contribute funds from another qualified retirement plan (rollover contributions), subject to certain requirements.

EMPLOYER CONTRIBUTIONS

The Plan includes a non-elective safe harbor matching contribution to all participants. The Plan Sponsor shall make safe harbor contributions equal to 100% of the participant’s salary deferral up to 3% of plan compensation plus 50% of participant’s salary deferral between 3% and 5% of plan compensation. Participants are immediately and fully vested in employer safe harbor matching contributions. The Company made non-elective safe harbor contributions totaling \$1,181,416 in 2022.

The Plan Sponsor can also elect to make a discretionary profit sharing contribution in addition to safe harbor matching contributions. Discretionary profit sharing contributions are allocated based on a permitted disparity allocation formula taking into consideration participant’s eligible compensation. The Plan Sponsor did not make any discretionary profit sharing contributions to the Plan in 2022.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, the allocation of Employer contributions (safe harbor and discretionary profit-sharing), and allocation of investment earnings, including interest, dividends, and realized and unrealized gains and losses. Earnings are allocated proportionately among all participants based on their investment in each fund and reduced by benefit payments and an allocation of certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The assets of the Plan, both employee and employer, are allocated to the mutual funds, collective investment trust, and a guaranteed investment contract at the discretion of the participant.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are fully vested in their employee contributions and all non-elective safe harbor employer matching contributions, and the income earned thereon. Vesting in the discretionary profit sharing contributions, plus its related earnings or losses is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
After 2 Years of Service	20%
After 3 Years of Service	40%
After 4 Years of Service	60%
After 5 Years of Service	80%
After 6 Years of Service	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow an aggregate amount up to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to Plan provisions. The minimum loan that may be taken is \$1,000. Loans must bear a market rate of interest at the time of the loan, are collateralized by the participant's vested account balance, and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed up to a maximum of 10 years. As of December 31, 2022, loans bear interest at rates ranging from 4.25% to 8.00% and mature at various dates through September 2028.

If a loan from the Plan to a participant is approved and granted, the trustee establishes and maintains a loan investment fund in the participant's name. The balance of the loan investment account is decreased by the amount of principal repayments, and all principal and interest paid by the participant is deposited into the participant's account and allocated among the investment funds in accordance with the participant's currently effective investment elections.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan allows in-service withdrawals of employer contributions, employee contributions, rollovers and transfers after attaining age 59½. A participant may also request a withdrawal, subject to limitations, upon demonstration by the participant to the plan administrator that the participant is suffering from "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the IRC or standards established by the Secretary of the Treasury or his delegate.

FORFEITURES

In accordance with the Plan document, any employer contributions with respect to a participant's account that is not vested upon termination of the participant is forfeited. Forfeited non-vested accounts are used to reduce Plan expenses and reallocated among the accounts of the remaining Participants as if the forfeited amount were an additional Employer matching or discretionary profit-sharing contribution.

There were forfeitures outstanding of \$10 and \$3,802 at December 31, 2022 and 2021. During the year ended December 31, 2022, \$12,411 of forfeitures were used to reduce employer contributions or to pay for plan expenses.

ADMINISTRATIVE EXPENSES

Substantially, all expenses incurred in the administration of the Plan are paid by the Plan Sponsor, and are excluded from these financial statements. Investment related expenses are charged directly to the participants account and are included in net depreciation in fair value of investments. Fees related to benefits paid to participants are paid by the participants and are charged directly to the participant's accounts. Expenses paid by the Plan totaling \$127,822 in 2022, which consist of investment advisory and recordkeeping fees, are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

USE OF ESTIMATES

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the guaranteed investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in collective investment trusts are reported at fair value using net asset value as a practical expedient (see Note 4).

The Plan's investment contract is reported at contract value. Contract value is the measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are stated at their outstanding balances plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and the participant's loan balance is reduced and a benefit payment is recorded.

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

RISKS AND UNCERTAINTIES

The Plan provides investment options, which may invest in any combination of mutual funds, collective investment trust and the guaranteed investment option. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income, interest income on notes receivable from participants, and interest on fixed annuity contract for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

Investments in the Plan's self-directed brokerage account investment option, which totaled \$69,334 and \$104,611 at December 31, 2022 and 2021, respectively, are not covered under the certification.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quote prices for identical assets or liabilities in active markets that the plan has the ability to access.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual term), level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan also considers nonperformance risk in the overall assessment of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Self-Directed Brokerage Accounts:* Valued at the closing price reported on the active market on which the underlying individual securities are traded.
- *Collective Investment Trust Funds:* Valued at the NAV of units of a bank common collective trust (CCT). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the plan to initiate a full redemption of the CCT, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner. In addition, the CCT funds have no unfunded commitments, the redemption frequency is daily and there is no redemption notice period.

Investments measured at net asset value ⁽¹⁾				
Collective investment trust				2,986,671
				<u>\$ 30,005,119</u>

- ⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor retains the right to discontinue its contributions at any time and to amend, alter or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 6 - TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 - PARTIES-IN-INTEREST

Section 3(14) of ERISA defined a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. During the year ended December 31, 2022 the Plan investments consisted of mutual funds and a collective investment trust held with Fidelity Management Trust Company, the trustee, and self-directed brokerage accounts held with Cambridge Investment Research Advisors, Inc., both of which are parties-in-interest, as defined by ERISA.

Participants with notes receivable in the accompanying statements of assets available for benefits, are considered parties-in-interest as defined by ERISA.

In addition, the Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 10, 2023, in connection with the preparation of these financial statements which is the date the financial statements were available to be issued. Except as described below, no events requiring recognition or disclosure in the financial statements were identified.

The Setting Every Community Up for Retirement Enhancement ("SECURE") 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Halmar International, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Halmar International, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Halmar International, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year-ended December 31, 2022 and Schedule H, Line 4(i) – Schedule of Assets (Held at Year End) as of December 31, 2022, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more comprehensive description of the Plan's provisions.

GENERAL AND ELIGIBILITY

The Plan is a defined contribution plan sponsored by Halmar International, LLC and certain of its subsidiaries and affiliates, which include Ashlar Structural, LLC, Halmar Transportation Systems, LLC, Atlantic Coast Foundations, LLC, Sinelec USA, Itinera USA, and ASTM North America, Inc. (formerly known as Itinera Infrastructure & Concessions, Inc.) (collectively referred to as the Company, the Employer, or the Plan Sponsor). The Plan covers all employees of the Plan Sponsor who have completed at least one hour of service during the first month of employment except for employees under collective bargaining, or non-resident aliens who receive no income in the United States. Plan entry dates are the first of each month.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon enrollment in the Plan, employees may direct salary deferral contributions to selected investments as made available and determined by the Plan Sponsor. Participants may change their investment options at any time.

The Plan Sponsor is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

CARES Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYEE CONTRIBUTIONS

Participants may elect to contribute up to 100% of their eligible compensation up to the maximum allowed by the Internal Revenue Code (IRC) limitations. Participants who are at least the age 50 may make an additional pretax “catch-up” contribution subject to IRC limitations. In addition to pre-tax contributions, participants may also make after-tax (Roth) contributions to the Plan. Participants may also contribute funds from another qualified retirement plan (rollover contributions), subject to certain requirements.

EMPLOYER CONTRIBUTIONS

The Plan includes a non-elective safe harbor matching contribution to all participants. The Plan Sponsor shall make safe harbor contributions equal to 100% of the participant’s salary deferral up to 3% of plan compensation plus 50% of participant’s salary deferral between 3% and 5% of plan compensation. Participants are immediately and fully vested in employer safe harbor matching contributions. The Company made non-elective safe harbor contributions totaling \$1,181,416 in 2022.

The Plan Sponsor can also elect to make a discretionary profit sharing contribution in addition to safe harbor matching contributions. Discretionary profit sharing contributions are allocated based on a permitted disparity allocation formula taking into consideration participant’s eligible compensation. The Plan Sponsor did not make any discretionary profit sharing contributions to the Plan in 2022.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, the allocation of Employer contributions (safe harbor and discretionary profit-sharing), and allocation of investment earnings, including interest, dividends, and realized and unrealized gains and losses. Earnings are allocated proportionately among all participants based on their investment in each fund and reduced by benefit payments and an allocation of certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The assets of the Plan, both employee and employer, are allocated to the mutual funds, collective investment trust, and a guaranteed investment contract at the discretion of the participant.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are fully vested in their employee contributions and all non-elective safe harbor employer matching contributions, and the income earned thereon. Vesting in the discretionary profit sharing contributions, plus its related earnings or losses is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
After 2 Years of Service	20%
After 3 Years of Service	40%
After 4 Years of Service	60%
After 5 Years of Service	80%
After 6 Years of Service	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow an aggregate amount up to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to Plan provisions. The minimum loan that may be taken is \$1,000. Loans must bear a market rate of interest at the time of the loan, are collateralized by the participant's vested account balance, and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed up to a maximum of 10 years. As of December 31, 2022, loans bear interest at rates ranging from 4.25% to 8.00% and mature at various dates through September 2028.

If a loan from the Plan to a participant is approved and granted, the trustee establishes and maintains a loan investment fund in the participant's name. The balance of the loan investment account is decreased by the amount of principal repayments, and all principal and interest paid by the participant is deposited into the participant's account and allocated among the investment funds in accordance with the participant's currently effective investment elections.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan allows in-service withdrawals of employer contributions, employee contributions, rollovers and transfers after attaining age 59½. A participant may also request a withdrawal, subject to limitations, upon demonstration by the participant to the plan administrator that the participant is suffering from "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the IRC or standards established by the Secretary of the Treasury or his delegate.

FORFEITURES

In accordance with the Plan document, any employer contributions with respect to a participant's account that is not vested upon termination of the participant is forfeited. Forfeited non-vested accounts are used to reduce Plan expenses and reallocated among the accounts of the remaining Participants as if the forfeited amount were an additional Employer matching or discretionary profit-sharing contribution.

There were forfeitures outstanding of \$10 and \$3,802 at December 31, 2022 and 2021. During the year ended December 31, 2022, \$12,411 of forfeitures were used to reduce employer contributions or to pay for plan expenses.

ADMINISTRATIVE EXPENSES

Substantially, all expenses incurred in the administration of the Plan are paid by the Plan Sponsor, and are excluded from these financial statements. Investment related expenses are charged directly to the participants account and are included in net depreciation in fair value of investments. Fees related to benefits paid to participants are paid by the participants and are charged directly to the participant's accounts. Expenses paid by the Plan totaling \$127,822 in 2022, which consist of investment advisory and recordkeeping fees, are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

USE OF ESTIMATES

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the guaranteed investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in collective investment trusts are reported at fair value using net asset value as a practical expedient (see Note 4).

The Plan's investment contract is reported at contract value. Contract value is the measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are stated at their outstanding balances plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and the participant's loan balance is reduced and a benefit payment is recorded.

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

RISKS AND UNCERTAINTIES

The Plan provides investment options, which may invest in any combination of mutual funds, collective investment trust and the guaranteed investment option. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income, interest income on notes receivable from participants, and interest on fixed annuity contract for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

Investments in the Plan's self-directed brokerage account investment option, which totaled \$69,334 and \$104,611 at December 31, 2022 and 2021, respectively, are not covered under the certification.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quote prices for identical assets or liabilities in active markets that the plan has the ability to access.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual term), level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan also considers nonperformance risk in the overall assessment of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Self-Directed Brokerage Accounts:* Valued at the closing price reported on the active market on which the underlying individual securities are traded.
- *Collective Investment Trust Funds:* Valued at the NAV of units of a bank common collective trust (CCT). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the plan to initiate a full redemption of the CCT, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner. In addition, the CCT funds have no unfunded commitments, the redemption frequency is daily and there is no redemption notice period.

Investments measured at net asset value ⁽¹⁾				
Collective investment trust				2,986,671
				<u>\$ 30,005,119</u>

- ⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor retains the right to discontinue its contributions at any time and to amend, alter or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 6 - TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 - PARTIES-IN-INTEREST

Section 3(14) of ERISA defined a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. During the year ended December 31, 2022 the Plan investments consisted of mutual funds and a collective investment trust held with Fidelity Management Trust Company, the trustee, and self-directed brokerage accounts held with Cambridge Investment Research Advisors, Inc., both of which are parties-in-interest, as defined by ERISA.

Participants with notes receivable in the accompanying statements of assets available for benefits, are considered parties-in-interest as defined by ERISA.

In addition, the Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 10, 2023, in connection with the preparation of these financial statements which is the date the financial statements were available to be issued. Except as described below, no events requiring recognition or disclosure in the financial statements were identified.

The Setting Every Community Up for Retirement Enhancement ("SECURE") 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Halmar International, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Halmar International, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Halmar International, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Halmar International, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year-ended December 31, 2022 and Schedule H, Line 4(i) – Schedule of Assets (Held at Year End) as of December 31, 2022, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Halmar International, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more comprehensive description of the Plan's provisions.

GENERAL AND ELIGIBILITY

The Plan is a defined contribution plan sponsored by Halmar International, LLC and certain of its subsidiaries and affiliates, which include Ashlar Structural, LLC, Halmar Transportation Systems, LLC, Atlantic Coast Foundations, LLC, Sinelec USA, Itinera USA, and ASTM North America, Inc. (formerly known as Itinera Infrastructure & Concessions, Inc.) (collectively referred to as the Company, the Employer, or the Plan Sponsor). The Plan covers all employees of the Plan Sponsor who have completed at least one hour of service during the first month of employment except for employees under collective bargaining, or non-resident aliens who receive no income in the United States. Plan entry dates are the first of each month.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon enrollment in the Plan, employees may direct salary deferral contributions to selected investments as made available and determined by the Plan Sponsor. Participants may change their investment options at any time.

The Plan Sponsor is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

CARES Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYEE CONTRIBUTIONS

Participants may elect to contribute up to 100% of their eligible compensation up to the maximum allowed by the Internal Revenue Code (IRC) limitations. Participants who are at least the age 50 may make an additional pretax “catch-up” contribution subject to IRC limitations. In addition to pre-tax contributions, participants may also make after-tax (Roth) contributions to the Plan. Participants may also contribute funds from another qualified retirement plan (rollover contributions), subject to certain requirements.

EMPLOYER CONTRIBUTIONS

The Plan includes a non-elective safe harbor matching contribution to all participants. The Plan Sponsor shall make safe harbor contributions equal to 100% of the participant’s salary deferral up to 3% of plan compensation plus 50% of participant’s salary deferral between 3% and 5% of plan compensation. Participants are immediately and fully vested in employer safe harbor matching contributions. The Company made non-elective safe harbor contributions totaling \$1,181,416 in 2022.

The Plan Sponsor can also elect to make a discretionary profit sharing contribution in addition to safe harbor matching contributions. Discretionary profit sharing contributions are allocated based on a permitted disparity allocation formula taking into consideration participant’s eligible compensation. The Plan Sponsor did not make any discretionary profit sharing contributions to the Plan in 2022.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, the allocation of Employer contributions (safe harbor and discretionary profit-sharing), and allocation of investment earnings, including interest, dividends, and realized and unrealized gains and losses. Earnings are allocated proportionately among all participants based on their investment in each fund and reduced by benefit payments and an allocation of certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The assets of the Plan, both employee and employer, are allocated to the mutual funds, collective investment trust, and a guaranteed investment contract at the discretion of the participant.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are fully vested in their employee contributions and all non-elective safe harbor employer matching contributions, and the income earned thereon. Vesting in the discretionary profit sharing contributions, plus its related earnings or losses is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
After 2 Years of Service	20%
After 3 Years of Service	40%
After 4 Years of Service	60%
After 5 Years of Service	80%
After 6 Years of Service	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow an aggregate amount up to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to Plan provisions. The minimum loan that may be taken is \$1,000. Loans must bear a market rate of interest at the time of the loan, are collateralized by the participant's vested account balance, and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed up to a maximum of 10 years. As of December 31, 2022, loans bear interest at rates ranging from 4.25% to 8.00% and mature at various dates through September 2028.

If a loan from the Plan to a participant is approved and granted, the trustee establishes and maintains a loan investment fund in the participant's name. The balance of the loan investment account is decreased by the amount of principal repayments, and all principal and interest paid by the participant is deposited into the participant's account and allocated among the investment funds in accordance with the participant's currently effective investment elections.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan allows in-service withdrawals of employer contributions, employee contributions, rollovers and transfers after attaining age 59½. A participant may also request a withdrawal, subject to limitations, upon demonstration by the participant to the plan administrator that the participant is suffering from "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the IRC or standards established by the Secretary of the Treasury or his delegate.

FORFEITURES

In accordance with the Plan document, any employer contributions with respect to a participant's account that is not vested upon termination of the participant is forfeited. Forfeited non-vested accounts are used to reduce Plan expenses and reallocated among the accounts of the remaining Participants as if the forfeited amount were an additional Employer matching or discretionary profit-sharing contribution.

There were forfeitures outstanding of \$10 and \$3,802 at December 31, 2022 and 2021. During the year ended December 31, 2022, \$12,411 of forfeitures were used to reduce employer contributions or to pay for plan expenses.

ADMINISTRATIVE EXPENSES

Substantially, all expenses incurred in the administration of the Plan are paid by the Plan Sponsor, and are excluded from these financial statements. Investment related expenses are charged directly to the participants account and are included in net depreciation in fair value of investments. Fees related to benefits paid to participants are paid by the participants and are charged directly to the participant's accounts. Expenses paid by the Plan totaling \$127,822 in 2022, which consist of investment advisory and recordkeeping fees, are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

USE OF ESTIMATES

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the guaranteed investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in collective investment trusts are reported at fair value using net asset value as a practical expedient (see Note 4).

The Plan's investment contract is reported at contract value. Contract value is the measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are stated at their outstanding balances plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and the participant's loan balance is reduced and a benefit payment is recorded.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

RISKS AND UNCERTAINTIES

The Plan provides investment options, which may invest in any combination of mutual funds, collective investment trust and the guaranteed investment option. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income, interest income on notes receivable from participants, and interest on fixed annuity contract for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

Investments in the Plan's self-directed brokerage account investment option, which totaled \$69,334 and \$104,611 at December 31, 2022 and 2021, respectively, are not covered under the certification.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quote prices for identical assets or liabilities in active markets that the plan has the ability to access.

HALMAR INTERNATIONAL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual term), level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan also considers nonperformance risk in the overall assessment of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Self-Directed Brokerage Accounts*: Valued at the closing price reported on the active market on which the underlying individual securities are traded.
- *Collective Investment Trust Funds*: Valued at the NAV of units of a bank common collective trust (CCT). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the plan to initiate a full redemption of the CCT, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner. In addition, the CCT funds have no unfunded commitments, the redemption frequency is daily and there is no redemption notice period.

Investments measured at net asset value ⁽¹⁾				
Collective investment trust				2,986,671
				<u>\$ 30,005,119</u>

- ⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor retains the right to discontinue its contributions at any time and to amend, alter or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

DECEMBER 31, 2022 AND 2021

NOTE 6 - TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 - PARTIES-IN-INTEREST

Section 3(14) of ERISA defined a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. During the year ended December 31, 2022 the Plan investments consisted of mutual funds and a collective investment trust held with Fidelity Management Trust Company, the trustee, and self-directed brokerage accounts held with Cambridge Investment Research Advisors, Inc., both of which are parties-in-interest, as defined by ERISA.

Participants with notes receivable in the accompanying statements of assets available for benefits, are considered parties-in-interest as defined by ERISA.

In addition, the Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 10, 2023, in connection with the preparation of these financial statements which is the date the financial statements were available to be issued. Except as described below, no events requiring recognition or disclosure in the financial statements were identified.

The Setting Every Community Up for Retirement Enhancement ("SECURE") 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
