Delta-Sonic Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Delta-Sonic Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits – modified cash basis as of December 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for plan benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Delta-Sonic Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Delta-Sonic Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Delta-Sonic Savings and Investment Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Delta-Sonic Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Delta-Sonic Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) – Modified Cash Basis is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The accompanying notes to financial statements are an integral part of these statements.

1. Description of the Plan

The following brief description of Delta-Sonic Savings and Investment Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete descriptions of the Plan's provisions.

General

The Plan is a safe harbor 401(k) defined contribution plan covering all employees of Delta-Sonic Carwash Systems, Inc. who have completed one year of service and have attained age 21. The safe harbor election was made January 1, 2022. Participants are considered to have completed one year of service on the anniversary of their first day of employment if they worked at least 1,000 hours during that 12-month period. The Plan is subject to the provisions of ERISA.

The Plan Administrator is Delta-Sonic Carwash Systems, Inc. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100 percent of compensation, as defined in the Plan document, up to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans. The Plan Administrator will make safe harbor matching contributions equal to 100 percent of salary deferrals that do not exceed 3 percent of eligible compensation plus 50 percent of salary deferrals between 3 percent and 5 percent of eligible compensation. This safe harbor matching contribution is 100 percent vested. Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Plan Administrator contributions, earnings as allocated and forfeitures of terminated participants' non-vested accounts. The account is reduced by the payment of benefits and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Administrator's contribution portion of their account plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after 5 years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate (prime rate was 7.50 percent at December 31, 2022) plus 1 percent, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

1. Description of the Plan (Continued)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount or annuity equal to the value of the participant's vested interest in the participant's account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits are provided for retirement at an attained age of 65, or may be deferred if the participant continues in active service with the Plan Administrator. Benefits are also provided upon attainment of age 59½, permanent disability, specific hardship, and separation from service or death.

Forfeitures

Forfeited non-vested accounts are used to reduce future Plan Administrator contributions, administrative expenses or can be allocated to qualifying participants. At December 31, 2022 and December 31, 2021, forfeited non-vested accounts total \$1,322 and \$577, respectively. Also, in 2022, Plan Administrator contributions were reduced by \$2,048 from forfeited non-vested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. Contributions are shown on the accrual basis of accounting. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and December 31, 2021.

Investment Valuation and Income Recognition

Investments are stated at fair value as certified by the custodian, John Hancock Trust Company LLC. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on the modified cash basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Administrator and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and requests for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation/depreciation in fair value of investments.

2. Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated for subsequent events through September 14, 2023, which is the date the financial statements were made available to be issued.

3. Fair Value Measurement

Fair value is the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. Fair value measurements are categorized into one of three levels based on the lowest level of significant input used: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable market inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts

Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities.

There have been no changes in the methodologies used at December 31, 2022 and December 31, 2021.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurement (Continued)

The following table presents information about Plan investments measured at fair value on a recurring basis as of December 31, 2022 and December 31, 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

The following table sets forth a summary of the Plan's investments with a reported net asset value:

		Fair Value at December 31,		Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
		2022	2021				
MetLife Stable Value Fund	(a)	\$ 2,394,679	\$ 1,606,637	\$ -	Daily	None	None

(a) The objective of this fund is to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long-term.

4. Financial Certification (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certification of certain financial information by John Hancock Trust Company, in compliance with audit requirements of the Acts.

The following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedule that was prepared and furnished to the Plan by John Hancock Trust Company LLC. The Plan has obtained a certification from John Hancock Trust Company, LLC that such information is complete and accurate as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022.

	December 31,	
	2022	2021
Assets as of		
Notes receivable from participants	\$ 501,676	\$ 421,556
Mutual funds	31,347,174	36,379,530
Common/collective trust	2,394,679	1,606,637
Transactions for the year ended		
Notes receivable interest	\$ 15,662	
Loss on investments	(7,114,938)	

5. Party-in-Interest Transactions

Certain Plan investments were administered by John Hancock Trust Company LLC. John Hancock Trust Company LLC was the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for plan administration services amounted to \$77,751 for the year ended December 31, 2022. Fees paid by the Plan for investment management services are included in net appreciation/depreciation in fair value of investments as they are paid through revenue share, rather than a direct payment. The Plan Administrator pays directly any other expenses related to the Plan's operations.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or partial termination, participants would become 100 percent vested in the Plan Administrator contribution portion of the participant's account.

7. Tax Status

The Plan uses a prototype plan document sponsored by John Hancock Retirement Plan Services LLC. John Hancock Retirement Plan Services LLC received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan itself has not received an opinion letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

9. Corrective Distributions

For the year ended December 31, 2021, the Plan's actual deferral percentage and actual contribution percentage ("ADP/ACP") discrimination test was completed in 2022. Based on the results of this test, it was determined that the Plan had excess contributions of \$143,970. These excess contributions were refunded to Plan participants and were reported in 2022.

10. Reconciliation of Form 5500 to the Financial Statements

The following is a reconciliation of net assets available for plan benefits per the Form 5500 to the financial statements:

	December 31,	
	2022	2021
Net assets available for plan benefits per the Form 5500	\$ 34,243,530	\$ 38,407,724
Other adjustment - rounding	(1)	(1)
Net assets available for plan benefits per the financial statements	<u>\$ 34,243,529</u>	<u>\$ 38,407,723</u>

The following is a reconciliation of net decrease per Form 5500 to the financial statements:

	For the Year Ended December 31, 2022
Net decrease in net assets per the Form 5500	\$ (4,164,194)
Other adjustment - rounding	-
Net decrease per the financial statements	<u>\$ (4,164,194)</u>
