INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust

Opinion

We have audited the financial statements of Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust as of December 31, 2022, and the changes in net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes at End of Year – December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Financial Statement for the Year ended December 31, 2021

We have compiled the accompanying statement of net assets available for benefits of the Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust as of December 31, 2021. We have not audited or reviewed the accompanying 2021 financial statement and, accordingly, do not express an opinion or provide any assurance about whether it is in accordance with accounting principles generally accepted in the United States of America.

GREENLIGHT NETWORKS LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 (Audited) AND 2021 (Compiled)

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Greenlight Networks LLC 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Greenlight Networks LLC (the “Company”) who attained 21 years of age. Employees are eligible to enter the Plan in the month subsequent to the date of employment or the date the employee satisfies the age requirement. Upon entering the Plan, eligible employees also receive safe harbor employer matching contributions. After one year of eligible service, employees are eligible to receive employer profit sharing contributions. The Plan defines one year of eligible service as 1,000 hours of service during a calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are automatically enrolled in the Plan at a deferral rate of 3% of compensation. Starting January 1, 2024, participant deferral rates will automatically increase 1% on January 1st each successive plan year, up to a maximum of 6%. Participants may contribute up to 92% of their annual compensation subject to Internal Revenue Service limitations. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may direct the investment of their account balance into various investment options offered by the Plan.

The Company will make safe harbor matching contributions based on the participant's deferral percentage which are calculated as 100% of the participant's elected deferral up to 1% of compensation, then 50% of participant deferrals up to 6%. The Company may also contribute and allocate to each participant's account a discretionary profit-sharing contribution if they have at least one year of service and are employed as of the last day of the Plan year. For the year ended December 31, 2022, the Company did not make a discretionary profit-sharing contribution.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings or losses. Allocation of earnings are based upon participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 (Audited) AND 2021 (Compiled)

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants become vested in safe harbor employer matching and employer discretionary profit-sharing contributions plus actual earnings thereon based on years of service, as shown below:

<u>Years of Service</u>	<u>Safe Harbor Matching Contributions Percent Vested</u>	<u>Employer Discretionary Profit-Sharing Contributions Percent Vested</u>
Less than 2	0%	0%
2	100%	20%
3		40%
4		60%
5		80%
6 or more		100%

Payment of benefits

Funds may be withdrawn by participants under circumstances of retirement at the normal retirement age, death, disability, termination of employment, or qualified military service. Vested account balances that are less than \$5,000 upon termination of employment will be paid in one lump-sum distribution in accordance with the provisions of the Plan.

Participant notes receivable

Participants are entitled to borrow from their accounts subject to certain limitations. In general, participants may borrow up to the lesser of 95% of one-half of their vested account balances or 95% of their total vested balance excluding Roth elective deferrals. Participant notes may not be less than \$1,000 or more than \$50,000. The notes bear interest at the prime rate plus 1% and must be repaid over a maximum term of fifty-four months (or longer for the purchase of a primary residence). A participant is allowed to have two loans and the \$50,000 maximum is reduced by the highest outstanding balance during the one year period ending the day before the loan's effective date. Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. Principal and interest payments are generally made through payroll withholdings.

Forfeitures

Participants who terminate employment prior to the vesting of the employer contributions to their retirement accounts forfeit such contributions. Such forfeitures may be used to pay Plan expenses, reduce employer contributions, or as an employer profit sharing contribution allocation to active participants based on the ratio of the participant compensation to total Plan compensation. During the year ended December 31, 2022, \$6,835 of non-vested employer contributions were utilized. At December 31, 2022 and 2021, the unallocated forfeiture balance was \$10,501 and \$120, respectively.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 (Audited) AND 2021 (Compiled)

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements and supplemental schedule are prepared under the accrual method of accounting.

Investment value and income recognition

The Plan's investments are valued at fair value. Mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. The net asset value is determined using the quoted market prices of the investments in which the portfolio has invested.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through October 6, 2023, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE C: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

GREENLIGHT NETWORKS LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 (Audited) AND 2021 (Compiled)

NOTE D: TAX STATUS

The Plan adopted a non-standardized pre-approved plan sponsored by Paychex Inc. The non-standardized pre-approved plan has received an advisory letter dated August 31, 2020 from the Internal Revenue Service (IRS) as to the non-standardized pre-approved plan's qualified status. The non-standardized pre-approved plan advisory letter has been relied upon by this Plan. The Plan has been amended since the non-standardized pre-approved plan received the advisory letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provision of the Internal Revenue Code

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or reduce an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction of an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F: TRANSACTIONS WITH PARTY-IN-INTEREST

Participant loans qualify as party-in-interest transactions. Additionally, as described in Note A the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 (Audited) AND 2021 (Compiled)

NOTE G: FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Instruments whose significant inputs are unobservable

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price listed by the fund. Mutual funds held by the Plan are actively traded, open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to report their daily net asset value and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
