INDEPENDENT AUDITOR'S REPORT

To the Advisory Committee and Participants of
DSI Distributing, Inc. Defined Contribution Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DSI Distributing, Inc. Defined Contribution Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 — PLAN DESCRIPTION

The following description of the DSI Distributing, Inc. Defined Contribution Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a participant-directed defined contribution 401(k) plan. Eligible employees include substantially all employees of DSI Distributing, Inc. (the Plan Sponsor) who have completed one (1) year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by the Advisory Committee of the Plan Sponsor. Empower Retirement Solutions (Empower) has been the designated recordkeeper of the Plan, Great-West Trust Company, LLC and Great-West Life and Annuity Company (collectively, Great-West) have been designated custodians and Trustees of the Plan and RetireRight LLC (RetireRight) has been designated as investment advisors of the Plan.

Contributions

Each year, participants may contribute up to 90% of their pre-tax annual compensation up to limits established by the Internal Revenue Service (IRS). The Plan Sponsor may make a discretionary matching contribution, which, for 2022 and 2021, are equal to 50% of the participant's contribution, up to a maximum of 6% of pre-tax annual compensation. Participants are automatically enrolled in the Plan with a 2% elected deferral. In addition, the Plan Sponsor may make discretionary profit sharing contributions. For the years ended December 31, 2022 and 2021, the Plan Sponsor made no discretionary contributions.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account includes the participant's contributions, employer matching contributions, withdrawals, and allocations of (a) the Plan Sponsor's discretionary contributions, (b) Plan earnings (losses), and (c) administrative expenses not paid by Plan forfeitures or the Plan Sponsor. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor contribution portion of participants' accounts plus actual earnings (losses) thereon occurs at 20% per year beginning in the second year of service, based on years of credited service. A participant is 100% vested in Plan Sponsor contributions and earnings thereon after six (6) years of credited service. A participant is also 100% vested on the date of early or normal retirement.

NOTE 1 — PLAN DESCRIPTION (Continued)

Payment of Plan Benefits

On termination of service due to retirement, death, or disability, the vested portion of the participant's benefit is distributed, as requested, by the participant or participant's beneficiaries. Benefit payments are based upon Plan assets at the valuation date preceding the distribution of benefits. For those account balances less than \$5,000, only lump sum cash payments are available. For balances exceeding \$5,000, payment will be made either in a lump sum or in a series of substantially equal installments. Active employees may also receive a distribution of all or a portion of their account balance upon reaching age 59 1/2 or for specific hardship circumstances.

Notes Receivable from Participants

Participants are permitted to borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate, as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts

Forfeitures may be used to reduce matching contributions or to pay Plan expenses. Total forfeitures for the years ended December 31, 2022 and 2021 were approximately \$51,100 and \$19,800, respectively. No forfeitures were utilized during the years ended December 31, 2022 or 2021. As of December 31, 2022 and 2021, forfeited nonvested accounts are approximately \$72,600 and \$21,000, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan utilizes various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the financial statements.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of the valuation methods and inputs used to determine fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are recorded as distributions based on the terms in the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Certain administrative costs of the Plan are paid by the Plan Sponsor, and are not reported by the Plan. Certain investment-related expenses are deducted from income earned on a daily basis and are not separately reflected.

Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their account.

NOTE 3 — INFORMATION CERTIFIED BY GREAT-WEST

The following is a summary of the information regarding the Plan as of and for the years ended December 31, 2022 and 2021, included in the Plan's financial statements and supplementary schedule, that was prepared by or derived from information prepared by Great-West and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from Great-West that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ 8,017,415	\$ 9,164,043
Guaranteed interest fund	1,477,584	1,154,602
Collective trust funds	1,046,913	1,222,915
Investment income:		
Interest and dividends	171,590	275,882
Net appreciation (depreciation) in fair value of investments	(2,378,841)	791,072

NOTE 4 — TAX STATUS

The Plan uses a prototype plan document sponsored by Great-West. Great-West has received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter; however, the Plan Sponsor believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that "more-likely-than-not" would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 5 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Empower for administrative and custodial services were \$26,126 and \$19,551 for the years ended December 31, 2022 and 2021, respectively. Fees paid to RetireRight for investment advisory services were \$21,021 and \$21,270 for the years ended December 31, 2022 and 2021, respectively.

NOTE 6 — FAIR VALUE MEASUREMENTS

GAAP establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority): Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds*: Valued based on quoted prices in active markets.
- *Guaranteed interest fund*: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. The reasonableness of the methodology is evaluated using a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing market data (for example, swap curve rate).
- *Collective trust funds*: The fair value of units are valued at net asset value, determined using available market information of the underlying securities including quoted prices for identical or similar securities in active or nonactive markets, similar to a mutual fund. These redemption values are the values at which a participant would transact on a daily basis. There are no restrictions on the ability to transact with the funds at net asset value.

The following table shows assets measured at fair value as of December 31, 2022 and 2021 and the input categories of fair value measurements associated with those assets:

Description	December 31, 2022			
	Level 1	Level 2	Level 3	Total

NOTE 7 — INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2020, the Plan entered into a guaranteed interest fund with Great-West Life and Annuity Company. Great-West Life and Annuity Company maintains the contributions in a general account to which it adds interest at the contract rate. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

As disclosed in Note 2, the investment contract is not fully benefit-responsive and, therefore, is reported at fair value. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Sponsor believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

NOTE 8 — SUBSEQUENT EVENTS

Management has evaluated all subsequent events through October 9, 2023, the date the financial statements were available to be issued.
