INDEPENDENT AUDITORS' REPORT

To Plan Management
Myco Mechanical, Inc. 401(k) Retirement Plan
Telford, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Myco Mechanical, Inc. 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) {ERISA Section 103(a)(3)(C) audit}. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Myco Mechanical, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Myco Mechanical, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Myco Mechanical, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Myco Mechanical, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Myco Mechanical, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H Line 4i Schedule of Assets (Held at End of Year) For the Year Ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MYCO MECHANICAL, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following description of the Myco Mechanical, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. Myco Mechanical, Inc. (The “Company”) is the plan sponsor for the periods covered by these financial statements.

General

The Plan is a defined contribution plan, which commenced January 1, 2003. All employees who are age 18 or older are eligible to participate in the Plan. There are no service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee and Plan management are responsible for oversight of the Plan, the Plan’s investment offerings, and monitoring of the investment performance.

Effective June 1, 2018 the plan was amended and restated to appoint a new limited trustee along with adding travel allowances and per diem payments as excludable payments to plan compensation.

Contributions

Each year, participants may elect pre-tax contributions, subject to an annual IRS limitations. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment company funds (mutual funds) and an interest-bearing money market fund as options for participants. The Company makes safe harbor employer contributions on behalf of each eligible participant during the contribution period. The safe harbor company contribution is calculated as 3% of eligible participants’ compensation for the plan year. Additionally, The Company makes additional prevailing wage contributions to the Plan on behalf of participants with employment that is covered under a government contract. These contributions are offset by any other employer profit sharing contributions to which the participant may be entitled under the Plan. For the year ended December 31, 2022, the Company contributed 20% of the prevailing wage compensation with a 3% offset to this contribution.

For the year ended December 31, 2022, participant contributions totaled \$394,509, employer safe harbor contributions totaled \$636,173, and employer prevailing wage contributions totaled \$2,177,156 for a total of \$2,813,329 in employer contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s contributions, as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

MYCO MECHANICAL, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their elective deferrals, rollover contributions, safe harbor employer contributions, and employer profit sharing contributions, if any.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Each participant may only have one outstanding loan at a time. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loans fund. The term of the loan cannot exceed five years, except for the purchase of a primary residence, for which the maximum loan period is thirty years. The loans are secured by the balance in each participant's account. The interest rate is set at 1% above the prime rate, as defined, at the time of the loan. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

The Plan provides that under certain conditions participants may withdraw their vested interest or a portion thereof. A participant is entitled to receive the value of his or her account in a lump sum distribution in the event of retirement, termination, disability, death, or the attainment of age 59½ as an active employee. Benefit payments to participants are recorded upon distribution.

Suspense/Forfeited Accounts

The suspense/forfeiture nonvested accounts were \$39 and \$0 as of December 31, 2022 and 2021, respectively. The suspense/forfeiture nonvested account balances may be used to reduce future employer contributions. During the year ended December 31, 2022, \$72 of the suspense/forfeiture account was used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

MYCO MECHANICAL, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 5 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administration expenses. Investment expenses are included in net appreciation of fair value of investments.

NOTE 3 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 - TAX STATUS OF THE PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MYCO MECHANICAL, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - TAX STATUS OF THE PLAN (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|---|
| <u>Level 1</u> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <u>Level 2</u> | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">- quoted prices for similar assets or liabilities in active markets;- quoted prices for identical or similar assets or liabilities in inactive markets;- inputs other than quoted prices that are observable for the asset or liability;- inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| <u>Level 3</u> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used during the years ended December 31, 2022 and 2021.

Registered Investment Company Funds (Mutual Funds): Funds are valued daily based on readily determinable fair value of the mutual funds and classified within Level 1 of the fair value hierarchy.

Money Market Funds: Valued at its book value, which approximates fair value.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Plan investments include shares of mutual funds managed by Ascensus Trust Company. Ascensus Trust Company also provides recordkeeping services to the Plan. Since Ascensus Trust Company is the trustee as defined by the Plan, administrative fees charged by Ascensus Trust Company and paid from Plan assets qualify as party-in-interest transactions. Fees charged by Ascensus Trust Company and paid by the Plan for administrative services were \$17,974 for the year ended December 31, 2022.

NOTE 8 - INFORMATION CERTIFIED BY PLAN TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company (the trustee of the Plan).

NOTES TO FINANCIAL STATEMENTS

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

Differences between Form 5500, and these financial statements are a result of different classifications between line items. Total Plan net assets are in agreement.

The following presents a reconciliation of Plan's net assets available for benefit as of December 31, 2022 and 2021 per the financial statements to the Schedule H of form 5500:

	December 31, <u>2022</u>	December 31, <u>2021</u>
<i>Net Assets Available for Benefits per Financial Statements</i>	<u>\$ 24,750,757</u>	<u>\$ 28,776,998</u>
<i>Per Schedule H form 5500</i>	<u>\$ 24,750,757</u>	<u>\$ 28,776,998</u>

The following is a reconciliation of net income per Form 5500 to the net increase in plan assets per the financial statements for the year ended December 31, 2022.

	Year Ended <u>December 31, 2022</u>
<i>Net Decrease in Assets per Financial Statements</i>	<u>\$ (4,026,241)</u>
<i>Net Income per Form 5500</i>	<u>\$ (4,026,241)</u>

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued.
