## **Independent Auditor's Report**

To the Pension Committee  
VCNA 401(k) Profit Sharing Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the financial statements of VCNA 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits (modified cash basis) for the years then ended and the related notes to the modified cash basis financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Pension Committee  
VCNA 401(k) Profit Sharing Plan

### ***Basis of Accounting***

We draw attention to Note 2 to the modified cash basis financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of modified cash basis financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the modified cash basis financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the modified cash basis financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

To the Pension Committee  
VCNA 401(k) Profit Sharing Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year (modified cash basis) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **VCNA 401(k) Profit Sharing Plan**

---

# **Notes to Modified Cash Basis Financial Statements**

---

**December 31, 2022 and 2021**

### **Note 1 - Plan Description**

The following description of VCNA 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan sponsored by VCNA Prairie, LLC (VCNA or the "Company"). The following companies also participate in the Plan: VCNA United Materials Builders, LLC; VCNA United Materials, LLC; Superior Materials Holding, LLC; Superior Materials, LLC; Prairie Lakeside; and St. Mary's Cement, Inc. (U.S.) (collectively, the "Participating Employers"). As of September 1, 2022, VCNA United Materials Builders, LLC is no longer a participating employer in the Plan.

Employees are eligible to participate in the Plan and receive discretionary employer matching contributions after completing three months of service. Certain employees are eligible to receive fixed nonelective employer contributions after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2022, McInnis USA Inc. 401(k) Plan was merged the into the Plan. Accordingly, the participants and their related account balances and assets of approximately \$1,499,000 were transferred into the Plan.

#### ***Contributions***

The Plan provides for employee salary deferral contributions up to a maximum of 100 percent of eligible compensation subject to maximum limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan allows automatic deferrals of 3 percent of eligible compensation, increasing by 1 percent annually until a cap of 10 percent, for all employees who become eligible for participation in the Plan. Effective January 1, 2023, the automatic deferrals cap was increased to 15 percent.

The Plan provides for discretionary employer matching contributions of 50 percent of the participant's contribution, not to exceed 6 percent of the employee's deferred compensation.

The Plan provides for fixed nonelective employer contributions of 3 percent of participants' eligible compensation for employees of St. Mary's Cement, Inc. (U.S.). Participants who have attained the age of 18, completed 1,000 hours of work during the plan year, and are employed at the end of the plan year are eligible to receive fixed nonelective employer contributions. The fixed nonelective employer contributions are calculated annually by the Company and remitted in the following plan year. Due to the Plan using a modified cash basis of accounting (see Note 2), the 2021 and 2020 fixed nonelective employer contributions were contributed to the Plan during 2022 and 2021, respectively.

#### ***Vesting***

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. Vesting in the Company's contribution portion of their accounts (representing discretionary employer matching and fixed nonelective employer contributions), plus actual earnings, is based on years of service. Participants vest in contributions made by the Company 20 percent after one year of service and another 20 percent per year thereafter until they become fully vested after five years of service.

#### ***Benefit Payments***

Distributions are payable upon retirement, death, disability, termination of employment, or reaching the age of 59½ in the form of a lump-sum amount equal to the vested balance of a participant's account.

## **Notes to Modified Cash Basis Financial Statements**

---

**December 31, 2022 and 2021**

### **Note 1 - Plan Description (Continued)**

Participants may request that all or a portion of their employee contributions or vested employer discretionary matching contributions be distributed in the case of financial hardship, as defined in the plan document. The Company has designated Transamerica Retirement Solutions, LLC to approve any such hardship withdrawals.

#### ***Participant Notes Receivable***

Participants may borrow from their accounts subject to certain maximum and minimum amounts prescribed in the Plan and in the Internal Revenue Code. Notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

#### ***Forfeitures***

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

#### ***Party-in-interest Transactions***

Certain plan assets are in investment funds managed by State Street Bank and Trust Company or its affiliates. State Street Bank and Trust Company is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

#### ***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Additionally, each of the Participating Employers has the right to cease participation in the Plan. Upon termination of the Plan, participants become 100 percent vested in their account balances.

### **Note 2 - Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The Plan prepares its financial statements on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Revenue is recognized when cash is received, expenses are recognized when paid, and investments are recognized at fair value. On a GAAP basis of accounting, revenue is recognized as earned and expenses are recognized when the obligations are incurred.

#### ***Investment Valuation***

The Plan's investments are stated at fair value.

The common collective trust fund is valued at net asset value per share (NAV) (or its equivalent) of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on this investment. The interest-bearing cash is valued at fair value based on its outstanding balances. All other investments are valued based on quoted market prices reported in active markets. See Note 5 for additional information.

## **Notes to Modified Cash Basis Financial Statements**

---

**December 31, 2022 and 2021**

### **Note 2 - Summary of Significant Accounting Policies (Continued)**

#### ***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances. Participant notes receivable are written off when deemed uncollectible.

#### ***Benefit Payments***

Benefits are recorded when paid.

#### ***Administrative Expenses***

Various administrative costs are paid by the Company.

#### ***Use of Estimates***

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### ***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including October 2, 2023, which is the date the financial statements were available to be issued.

### **Note 3 - Certified Information**

State Street Bank and Trust Company (the "Custodian") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year - modified cash basis are based solely on information certified by the Custodian.

### **Note 4 - Tax Status**

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2014. The Plan has not individually sought its own determination letter.

### **Note 5 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

# Notes to Modified Cash Basis Financial Statements

December 31, 2022 and 2021

## Note 5 - Fair Value Measurements (Continued)

### Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

### Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

### Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2022 and 2021:
