INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan
Altus, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standard, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule H, Line 4i – Schedule of Assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 1023(a)(3)(C).

SECTION 403(B) RETIREMENT PLAN
Altus, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN

The management of Southwest Oklahoma Community Action Group, Inc. (the Company) is responsible for the accuracy and internal consistency of the preparation of the financial statements and notes contained in this annual report.

The Southwest Oklahoma Community Action Group, Inc. Section 403(b) Retirement Plan (the Plan) is a defined contribution plan, covering employees of Southwest Oklahoma Community Action Group, Inc.. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and as more fully described in the Plan agreement. The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

Participation – An employee is eligible to become a participant in the Plan on the first day of service if the employee is 18 years or older and works more than 20 hours per week. Employees must be 18 years or older and have been employed for at least 12 months to become eligible for the employer's matching contributions.

Participant Contributions – Participants self-direct their contributions and account balances among the investment options provided by the Plan. Participants may contribute up to the maximum of \$19,500 as permitted by the Internal Revenue Code (IRC). In addition, participants who have attained the age of 50 are eligible to make catch-up contributions up to the maximum of \$6,500 in accordance with IRC 414(v). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants immediately vest in their contributions and the associated investment results, none of which are federally taxable to the Participants as current income.

Company Contributions – The Company makes a non-discretionary matching contribution in an amount equal to 100% of the participant's elective deferrals, up to 10% of the participant's eligible compensation per month. Age 50 catch-up deferrals are eligible for matching contributions.

For the plan year ended December 31, 2022, the Company made matching contributions of \$142,825.

Distributions – Participants are entitled to receive a lump-sum distribution of their vested accounts upon termination of employment, disability, retirement or death. Distributions are federally taxable to Participants when received and may result in a 10% penalty if distributions are received prior to age 59 ½ .

Hardship Distributions – The Company may approve hardship distributions, based on need, to assist with the purchase of a principal residence, repair casualty damage to a principal residence, prevent eviction or foreclosure on a principal residence, education expenses, funeral or burial expenses, medical expenses, or any other financial need determined to be immediate and heavy under rules and regulations issued by the Secretary of the Treasury or his delegate. Any hardship distribution may be subject to taxation to the participant.

Investment Options – Each participant may direct the investment of their contributions and the Company's matching contribution. Participants may choose among Mutual of America Life Insurance Company's Interest Accumulation Account, which is guaranteed as to principal and accumulated earnings, or one or more pooled funds which are not guaranteed as to principal and earnings. Participants are allowed to change their investment option daily.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN, CONTINUED

Notes Receivable from Participants – Plan loans are made available to participants through Mutual of America Life Insurance Company using their account balance as collateral for the loan. The loan is issued directly from funds owned by Mutual of America Life Insurance Company and not directly from a participant's account. The collateralized balance is not available for transfer, withdrawal, retirement income benefits or survivor benefits. Because the plan loan relationship is between Mutual of America Life Insurance Company and the participant, plan loans are not considered to be plan assets and therefore not disclosed in the financial statements.

Participant Accounts – Each Participant's account is credited with the participant's contribution, the Company's matching contributions, the Plan earnings, and the allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Vesting – A participant is always fully vested with the respect to his own contributions. Matching contributions made by the Company vest as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant is immediately vested for matching contributions made by the Company at age 65 or if totally and permanently disabled or die.

Forfeitures – Forfeitures of terminated participants' non-vested interest are used to reduce future Company contributions and to pay for plan expenses. During the years ended December 31, 2022 and 2021 there was \$847 and \$8,211 in forfeitures used to reduce the Company's contributions and none were applied against administrative expenses, respectively.

As of December 31, 2022 and 2021, there were forfeited non-vested accounts totaling \$0 and \$0, respectively.

Plan Termination – Although it has not expressed any intent to do so, the Company may terminate the Plan for any reason at any time. If the Plan were terminated, all participants affected would be fully vested in their benefits as of the date of termination.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administration – Administrative and record keeping services, which include maintaining participant records and allocating the Plan's income and contributions, were maintained by Mutual of America Life Insurance Company. Administrative fees paid to Mutual of America Life Insurance Company totaled \$562 and \$970 for the years ended December 31, 2022 and 2021, respectively.

SOUTHWEST OKLAHOMA COMMUNITY ACTION GROUP, INC.
SECTION 403(B) RETIREMENT PLAN
Altus, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates – The preparation of financial statements in conformity with the accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation – The Plan's investments are held by the Trustee and are recorded in the statement of net assets available for plan benefits at fair market value as determined by the appropriate securities market, except as noted below. The Trustee has certified that the investment information and related activity is accurate and complete. The certification applies to investment assets, transactions, income, and the schedules of investments and reportable transactions. This information was used in preparing the financial statements. See Note 6 for discussion of fair value measurements.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However contract value is the relevant measure attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of fully benefit-responsive investment contract.

Investment Income Recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Gain and Loss Recognition – Net gains or losses on investments sold represent the difference between proceeds from sales and the fair value of assets at the beginning of the year or historical cost if the investment was acquired during the year. The net appreciation or depreciation of fair value of investments held at year-end is reflected in the statement of changes in net assets available for plan benefits and includes the net gains or losses of investments sold.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Benefit Payments – Benefit payments to participants are recorded upon distribution.

NOTE 3: INCOME TAXES

Currently 403(b) Plans are not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator believes the Plan, as amended, is being operated in compliance with Internal Revenue Code (IRC) Section 403(b).

SOUTHWEST OKLAHOMA COMMUNITY ACTION GROUP, INC.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplementary information, including investments and notes receivable from participants held at December 31, 2022 and investment income for the year then ended, was obtained or derived from information provided to plan management and certified as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 by Mutual of America Life Insurance Company of the Plan.

Additional information regarding the plan can be obtained from the Plan's custodian, Mutual of America Life Insurance Company, 320 Park Avenue New York, New York 10022.

NOTE 5: INVESTMENT CONTRACT WITH INSURANCE COMPANY

On September 18, 2021, the Plan entered into a benefit-responsive investment contract with Mutual of America. The general account portion of this contract, or the Interest Accumulation Account, represents a deposit administration contract, and the assets in this account are commingled with other assets of the insurance company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, which is deemed to be fair value for insurance companies. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates was approximately 1% for the periods ending December 31, 2022 and 2021. The crediting interest rate is based on a formula agreed upon with the issuer and there is no minimum interest rate. Such interest rates are compounded daily.

Certain events may limit the ability of the Plan to transact at contract value such as; (1) complete or partial plan termination or merger with another plan, (2) plan sponsor events such as bankruptcy, spin-offs, divestitures, layoffs, or retirement incentive programs, (3) the liberalization of Plan withdrawal or transfer rules, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Upon occurrence of any of these events, a market value adjustment may apply. The Company does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6: FAIR VALUE MEASUREMENTS

The Company applies FASB ASC 820, *Fair Value Measurements and Disclosures*, formerly known as SFAS 157, which provides a framework for measuring fair value under generally accepted accounting principles. FASB ASC 820 applies to all financial instruments that are being measured and reported at fair value on a recurring basis.

SECTION 403(B) RETIREMENT PLAN
Altus, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 6: FAIR VALUE MEASUREMENTS, CONTINUED

As defined in FASB ASC 820, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income, and cost approaches. Based on these approaches, the Company often utilizes certain assumptions about risk and the risk inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Company utilized valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques the Company is required to provide the following information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources from market transactions involving identical assets or liabilities.

Level 2 – *Valuations* for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at December 31, 2022 and 2021.

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Pooled Separate Accounts* are valued at net asset value as determined by the issuer based on the fair value of the underlying assets as determined by quoted market prices.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment services amounted to \$562 for the year ended December 31, 2022.

NOTE 9: RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Management has evaluated the impact of all subsequent events on the Plan through financial statement issuance October 4, 2023 and has determined that there were no subsequent events.
