INDEPENDENT AUDITOR'S REPORT

October 3, 2023

To the Participants and Plan Administrator of the
Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEWIS TREE SERVICE SAVE MONEY AND REDUCE TAXES (SMART) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. PLAN DESCRIPTION

The following description of Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (IRC), covering certain employees of Lewis Tree Service, Inc. and other related employers (the Company) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by a Benefits Committee (the Committee) elected by the Board of Directors of the Company. The Committee is composed of at least three members of management. The Plan Administrator, as selected by the Committee, is a member of the Committee. Principal Trust Company (Principal), a member of the Principal Financial Group, is the custodian of the Plan and also provides recordkeeping and administrative services for the Plan. Principal also serves as the trustee of the Plan.

Eligibility

Employees of the Company, excluding members of a collective bargaining unit, except for the International Brotherhood of Electrical Workers (Local Union 42, Local Union 1-2, and Local Union 3), are eligible to participate in the Plan and receive an employer match upon the attainment of age 21 and completion of six months of continuous service. Participation commences on the first entry date, as defined, following attainment of the eligibility requirements.

Contributions

The Plan allows participants to contribute up to 60% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions into various investment options offered by the Plan.

The Plan requires matching contributions with Local Unions 42 and 1-2. Such matching contributions require the Company to contribute 100% of the first 3% contributed by those participants in Local 42, and 50% of the first 5% contributed by those participants in Local 1-2.

The Plan also allows for discretionary matching contributions for union participants in an amount specified in the applicable collective bargaining agreement. There were no discretionary match contributions during the years ended December 31, 2022 and 2021.

The Plan provides an automatic enrollment provision in which all newly eligible employees are enrolled to contribute 5% of their annual salary unless the employee affirmatively elects otherwise.

1. PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and actual earnings and losses thereon. Allocations of Plan earnings, losses and administrative expenses are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, employer matching contributions and earnings thereon.

Benefit Payments

Participants generally are eligible to receive distributions of their vested benefits upon retirement, termination of employment, or due to death and disability. Additionally, the Plan provides for in-service withdrawals once a participant has reached the age of 59 ½, even if still employed.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow from \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12-month period or one half of their vested account balance. Principal and interest, at the prime rate plus 2%, is paid ratably through payroll reductions for a period not to exceed five years, unless used to purchase a principal residence for which the period may not exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined by the plan administrator.

Administration Expenses

Plan expenses primarily consist of recordkeeping fees. Certain expenses of maintaining the Plan are paid directly by the Company. Participant accounts are charged fees for processing loans and benefit payments.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and the Plan. In the event of Plan termination, participants will be entitled to their entire amount credited to their account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded.

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in investment securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these securities, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reclassifications

Certain reclassifications have been made to the 2021 financial statements to conform to the current year presentation.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by the trustee of the Plan's assets as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$ 50,812,647</u>	<u>\$ 58,897,302</u>
Notes receivable from participants	<u>\$ 2,373,916</u>	<u>\$ 2,105,774</u>
Investment income (loss)	<u>\$ (9,829,216)</u>	<u>\$ 7,496,632</u>
Interest on notes receivable from participants	<u>\$ 123,535</u>	<u>\$ 105,219</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

During 2022, the Plan reclassified common collective trust funds and pooled separate accounts previously classified within the fair value hierarchy as Level 1 investments to investments measured at net asset value ("NAV") due to a change in management's assessment and clarification of inputs being more consistent with NAV. There was no change in the actual inputs utilized to value the common collective trust funds and pooled separate accounts. The common collective trust funds and pooled separate accounts have been reclassified in the prior year to conform to the current year presentation.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 2,559,174</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,559,174</u>
Investments at NAV as a practical expedient (a)				<u>48,253,473</u>
Total				<u>\$ 50,812,647</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 3,053,875</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,053,875</u>
Investments at NAV as a practical expedient (a)				<u>55,843,427</u>
Total				<u>\$ 58,897,302</u>

4. FAIR VALUE MEASUREMENTS (Continued)

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: valued at fair value based on quoted market prices.

Investments measured at NAV: Common collective trust funds and pooled separate accounts are valued at the NAV of units of the respective collective trust or pooled separate account. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying investments held by the respective collective trust or pooled separate account.

5. INCOME TAX STATUS

The Plan is based on an Internal Revenue Service (IRS) approved prototype plan provided by Principal. The IRS has determined, by letter dated August 8, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended from the IRS approved prototype plan. The Plan has not yet applied for its own determination letter, however, the Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are funds maintained and managed by the trustee. The trustee qualifies as a party-in-interest and transactions involving these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2022 and 2021.

8. SUBSEQUENT EVENTS

Effective January 1, 2023, the Plan was amended to change the Plan name from Lewis Tree Service Save Money and Reduce Taxes (SMART) Plan to The North Coast Holdings Save Money and Reduce Taxes (SMART) Plan.

Subsequent events have been evaluated through October 3, 2023, which is the date these financial statements were available to be issued.
