Independent Auditor's Report

The Plan Administrator
Foundation Source 401(k) Plan
Fairfield, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Foundation Source 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Foundation Source 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Foundation Source 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foundation Source 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foundation Source 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foundation Source 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) listed in the foregoing table of contents, as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplementary Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Foundation Source 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Foundation Source Philanthropic Services, Inc. (the Company). Employees are eligible to participate if they are over age 21 and have completed 30 days of service. Employees eligible to participate may enter the Plan the first day of the month coinciding with or next following date the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator has overall responsibility for the operation and administration of the Plan.

Plan Amendments and Restatement

In January 2022, the plan document was retroactively amended to allow any employee hired between November 3, 2021 and December 31, 2021 to enter the Plan immediately for the purposes of receiving a discretionary profit-sharing contribution, regardless of whether they have met the eligibility requirements. However, plan management ultimately decided not to approve a profit-sharing contribution for the year ended December 31, 2021.

The plan document was also restated effective November 1, 2022 to incorporate the following amendments to the Plan's provisions: 1) to exclude interns and seasonal temporary employees from participation in the Plan, 2) to waive the minimum service requirement of 30 days (effective December 1, 2022), and 3) to add a provision that participants must be employed as of the last day of the plan year in order to receive discretionary matching contributions, which will now be paid annually rather than per pay period (effective January 1, 2023).

Certain recent law changes were also incorporated into the restatement above in accordance with Internal Revenue Service (IRS) requirements.

Contributions

Participants may contribute up to 100% of compensation, as defined in the Plan, on a pre-tax or Roth basis, subject to certain IRS limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Each year, the Company may determine an amount of discretionary matching contributions to be made to participants. For the year ended December 31, 2022, the discretionary matching contribution was 50% of each participants' elective deferral contribution for the year, up to a maximum of \$500. Discretionary matching contributions were approximately \$75,900 for the year ended December 31, 2022. In addition, each year the Company may determine a discretionary profit-sharing contribution. There was no discretionary profit-sharing contribution made during the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching and profit-sharing contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan. These funds include a variety of mutual fund investment options and a stable value fund. Participants may change investment elections at any time.

Vesting

Participants are immediately vested in their deferral, rollover and company matching and profit-sharing contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to fifteen years. The loans are secured by the balance in the participants' accounts and bear interest at 2% above the prime rate. The prime rate was 7.50% and 3.25% at December 31, 2022 and 2021, respectively. Outstanding loans bear interest at rates ranging from 4.25% to 7.50% at December 31, 2022 and 2021. Participants may only have one loan outstanding at any given time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death or termination of employment, a participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum as defined by the Plan or the Internal Revenue Code (Code). If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may rollover the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, upon proving financial hardship, a participant is entitled to an in-service withdrawal, as defined, which is payable immediately in a lump-sum distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by investment advisers and Newport Trust Company (Newport), the nondiscretionary trustee and custodian of the Plan. See Note 4 for a discussion of fair value measurements. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan's investment in the MetLife GAC #25554 Collective Fund - Class J is valued at the NAV of the underlying investments, which are valued at contract value. The NAV is used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 7, 2023, the date the financial statements were available to be issued. Through that date, there were no material events that would require recognition or additional disclosure in the financial statements, other than as disclosed in Note 10.

NOTE 3 - INVESTMENT IN COMMON COLLECTIVE TRUST

A Common Collective Trust (CCT) is a trust for a collective investment and reinvestment of assets contributed from employee benefit plans maintained by more than one employer or a controlled group of corporations that is maintained by a bank, trust company, or similar institution that is regulated, supervised, and subject to periodic examination by a state or federal agency. The CCT held by the Plan is a collective investment fund managed by the Wilmington Trust Retirement and Institutional Services Company (Wilmington). The CCT seeks to provide investors with a moderate level of stable income without principal volatility, but cannot guarantee that it will be able to do so.

Wilmington will invest all assets under the trust in a guaranteed separate account contract (Contract) issued by Metropolitan Life Insurance Company, which is the sole investment under the Trust. The Contract is comprised of investment grade fixed income securities, consisting primarily of those included based on a benchmark aggregate bond index fund, as defined. This will include U.S. Treasury, agency, corporate, mortgage-backed, commercial mortgage-backed, and asset-backed securities. Any cash available within the Contract is invested in a high quality commingled cash management portfolio and other cash vehicles. The fund underlying the Contract carries its investments at contract value and applies the provisions of Accounting Standards Codification (ASC) Sections 946-210-45 and 946-210-50 for stable value investment funds.

The CCT will accept for investment in the Contract participant-directed contributions and transfers. It will also pay withdrawals, transfers and other plan benefits initiated by the Plan's participants under the terms of the Plan. All withdrawals other than participant-directed withdrawals, as defined under the contract, are paid at the lower of guaranteed value, as defined, or market value.

FOUNDATION SOURCE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 3 - INVESTMENT IN COMMON COLLECTIVE TRUST (CONTINUED)

Certain events limit the ability of the CCT to transact at fair value with the participants. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or elimination of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) which cause a significant withdrawal from the Plan, or (d) the failure of the Plan to qualify for exemption from federal income taxes or any other prohibited transaction exception under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact with the participants, is probable.

The Plan must provide at least sixty days advance notice of its intent to withdraw participation in the CCT.

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement* (ASC 820), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

There have been no changes in the methodologies used at December 31, 2022 and 2021. Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

The underlying mutual funds are valued at the daily closing prices as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

CCT/Stable Value Fund

The CCT representing the stable fund is comprised of a 100% investment in the Contract, which is fully benefit-responsive, and is valued at the NAV of units in the stable value fund held by the Plan at year end.

The NAV of the CCT is determined by Wilmington and is based upon the fair value of the underlying assets held by the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31,:

	2022	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds	\$10,628,381	\$10,628,381
Investments Measured at NAV ^(a)	<u>-</u>	<u>366,700</u>
Investments, at Fair Value	<u>\$10,628,381</u>	<u>\$10,995,081</u>
	2021	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds	\$12,662,933	\$12,662,933
Investments Measured at NAV ^(a)	<u>-</u>	<u>119,189</u>
Investments, at Fair Value	<u>\$12,662,933</u>	<u>\$12,782,122</u>

- ^(a) In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

FOUNDATION SOURCE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments measured at fair value using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	2022			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
<u>Investment Description</u>

	2021			
<u>Investment Description</u>				
Investment in CCT - MetLife GAC #25554 Collective Fund - Class J	<u>\$119,189</u>	N/A	Daily	60 Days

NOTE 5 - INCOME TAX STATUS

The Plan has adopted a volume submitter plan, and as a result, has not applied for a separate letter of determination from the IRS. The volume submitter plan received a favorable IRS advisory letter dated June 30, 2020 that the volume submitter plan was in compliance with the applicable requirements of the Code. Although the Plan has been amended since the advisory letter was provided, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes the Plan was qualified and the related trust was tax exempt.

FOUNDATION SOURCE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held with Newport as custodian, and, therefore, this activity qualifies as party-in-interest activity.

Participant accounts are charged directly for fees related to loan processing and certain other fees. During 2022, participant accounts were charged approximately \$11,500 for these fees, which were paid to Newport. The Plan also paid trustee fees to Newport of approximately \$5,500. The Plan paid registered investment advisor fees of approximately \$28,400 to Cetera Advisors, LLC during 2022.

Notes receivable from participants qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - INFORMATION CERTIFIED BY THE DISCRETIONARY TRUSTEE AND CUSTODIAN

Information presented in the accompanying statements and supplementary schedule of assets held at end of year as of December 31, 2022 and 2021 and for the year ended December 31, 2022 for investments, notes receivable from participants, investment loss, net, and interest income on notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Newport, the discretionary trustee and custodian of the Plan, as permitted by the election made by the plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Furthermore, the Plan's independent auditors did not perform auditing procedures with respect to the information except to compare such information to the related information included in the financial statements.

NOTE 10 - SUBSEQUENT EVENT

In March 2023, the Company approved a change in the Plan's discretionary trustee and custodian from Newport to Empower Trust Company. The transition occurred in April 2023.
