*Independent Auditors' Report*

To the Administrative Committee of  
**Metro Housing Boston 403(b) Plan**

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We were engaged to perform audits of the financial statements of Metro Housing Boston 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metro Housing Boston 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Disclaimer of Opinion**

We do not express an opinion on the accompanying financial statements of Metro Housing Boston 403(b) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

**Basis for Disclaimer of Opinion**

Metro Housing Boston 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 10 to the financial statements, the Metro Housing Boston 403(b) Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. If the excluded contracts and accounts, as reported by Fidelity Investments, the custodian of these funds, were included, net assets available for benefits would increase by approximately \$513,283 and \$642,263 as of December 31, 2022 and 2021, respectively. Further, investment (loss)/income of approximately (\$128,820) and \$82,121, related to such contracts and accounts, as identified by the custodian, have also been excluded in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, respectively. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metro Housing Boston 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of Metro Housing Boston 403(b) Plan in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Metro Housing Boston 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits.

## **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

## **Metro Housing Boston 403(b) Plan**

Notes to Financial Statements

December 31, 2022 and 2021

### **1. *Description of Plan***

The following description of Metro Housing Boston 403(b) Plan (the Plan) provides only general information. Participants should refer to the summary plan description or the plan document for more complete information of the Plan's provisions.

#### *General*

The Plan is a 403(b) defined contribution plan covering all full-time employees of Metropolitan Boston Housing Partnership, Inc. d/b/a Metro Housing | Boston (the Company) who have 1,000 hours of service and are age eighteen or older. Eligible employees are enrolled in the Plan as of their date of hire for elective deferrals. Employees are eligible for employer contributions upon attaining the age of twenty-one and completion of one year (1,000 hours) of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is responsible for oversight of the Plan. The Company's management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Contributions*

The Company will make matching contributions and non-elective contributions on behalf of eligible participants of the Plan, on a payroll period basis. The Company will match 100% of the participant contribution, with a limit up to 4% of the participant's compensation. Each year participants can contribute the lesser of their includable compensation, as defined in the Plan Document, for the calendar year or the maximum allowed under section 402(g)(1)(B) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

#### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Notes Receivable from Participants*

Participants may borrow from their respective accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan proceeds are obtained by liquidation of investment company shares attributable to the participant's account. Loan terms will not be greater than five years unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan by the plan administrator. Interest rates on outstanding loans, as of December 31, 2022 and 2021, range from 3.25% to 6.25%. Principal and interest payments are made ratably through payroll deductions.

*Payment of Benefits*

On termination of service due to death, disability or retirement, a participant (or the beneficiary upon the participant's death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a period of one to fifteen years or through purchase of an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants may make either hardship or discretionary withdrawals from certain funds within the Plan while still employed. Both types of withdrawals have specific limitations and conditions. Withdrawal elections may be made at any time, and a minimum withdrawal of \$1,000 is required. There is no limit on the number of hardship or discretionary withdrawals a participant may make during employment with the Company.

**2. *Significant Accounting Policies***

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

*Investment Valuation and Income Recognition*

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**2. *Significant Accounting Policies – continued***

*Payment of Benefits*

Benefits are recorded when paid.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

*Administrative Expenses*

The Company pays substantially all administrative expenses of the Plan. Administrative expenses, which relate to the servicing of participant loans and certain investment fees, are paid via a reduction of participant account balances.

**3. *Risk and Uncertainties***

*Market Risk*

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

**5. Fair Value Measurements**

FASB ASC 820, *Fair Value Measurements* (FASB ASC 820), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**5. Fair Value Measurements – continued**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds*

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

| <i><b>Assets at Fair Value as of December 31, 2022</b></i>     |                     |                     |

| <br><i><b>Assets at Fair Value as of December 31, 2021</b></i> |                     |                     |
| <i>Description</i>                                             | <i>Level 1</i>      | <i>Total</i>        |
| Mutual funds                                                   | <u>\$ 8,803,621</u> | <u>\$ 8,803,621</u> |

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation/(depreciation) in fair value of investments.

For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

**6. *Income Tax Status***

The Plan, as a 403(b) plan, currently is not required to be submitted to the Internal Revenue Service (IRS) for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2019.

**7. *Stable Value Fund***

The Plan invests in the Lincoln Stable Value Fund (the Fund), a traditional fully benefit-responsive guaranteed investment, managed exclusively for the Plan by Lincoln. Lincoln maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Fund's issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the Fund meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. The Fund is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Fund at December 31, 2022 and 2021, was \$486,687 and \$477,284, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

**7. *Stable Value Fund – continued***

There are no events that result in the Plan not being able to receive contract value over a five year installment period. However there are certain events that would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include the following: (1) any charges billed to the contract owner that have not been paid to Lincoln within 30 days, (2) the Plan ceases to meet the requirements of the Internal Revenue Code for purchasers of this contract, (3) at any time, following the end of the third contract year, the contract owner account is less than \$15,000, (4) at any time, following the end of the third contract year, there is no deposit activity for a 24 consecutive month period and the contract owner account is less than \$50,000, (5) the contract owner fails to furnish requested information or other documentation, (6) Lincoln discovers any misrepresentation of material information, (7) Lincoln discontinues offering this contract form to the public and (8) the Plan terminates its recordkeeping agreement with Lincoln. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The investment contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

**8. *Stable Asset A Fund***

The Plan invests in the Standard Stable Asset A Fund (the A Fund), a traditional fully benefit-responsive guaranteed investment, managed exclusively for the Plan by Standard Insurance Company (Standard). Standard maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The A Fund's issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the A Fund meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the A Fund. The A Fund is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the A Fund at December 31, 2022 and 2021, was \$892,794 and \$699,040, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

**8. *Stable Asset A Fund – continued***

There are certain events that limit the ability of the Plan to transact at contract value with the issuer immediately. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation partial or total plan termination, retirement incentive programs and the liberalization of plan withdrawal or transfer rules. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples include, termination of the contract with 30 days advance written notice for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification and failure to adopt the Plan in a reasonable period of time. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The investment contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

**9. *Party-in-Interest Transactions***

Plan investments consist of certain funds managed by Lincoln and Standard. The funds managed by Standard are held by Charles Schwab Trust Bank, however Standard remains responsible for oversight of those funds. Lincoln, Standard and Charles Schwab Trust Bank are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services performed by the trustees amounted to \$49,462 and \$43,123 for the years ended December 31, 2022 and 2021, respectively.

**10. *Excluded Contracts***

The Plan has certain annuity and custodial accounts with Fidelity Investments issued to current and former employees prior to January 1, 2009. As permitted by the Department of Labor's Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*, these contracts are excluded from the investments in the statements of net assets available for benefits and the related investment income and distributions have been excluded from the statements of changes in net assets available for benefits. Presentation of this information is required by accounting principles generally accepted in the United States of America. At December 31, 2022 and 2021, the amount of these excluded annuity and custodial accounts are approximately \$513,283 and \$642,263, respectively.

**11.    *Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**12.    *Subsequent Events***

The Plan has evaluated subsequent events through October 6, 2023, which is the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022, that require recognition or disclosure in these financial statements.
