Kenneth's Profit Sharing and Retirement Plan
Columbus, Ohio

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying financial statements of Kenneth's Profit Sharing and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness Kenneth's Profit Sharing and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kenneth's Profit Sharing and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at the End of the Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KENNETH'S PROFIT SHARING AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of Kenneth's Profit Sharing and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution employee stock ownership benefit plan (ESOP) covering all employees of Kenneth's Hair Salons & Day Spas, Inc. (the Company) who have one year of service and are 21 years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding

Funding is provided by annual employer contributions. The employer shall contribute in cash no less than the amount required enabling the Trustees to discharge any indebtedness under the acquisition loan owed for that Plan year. Any amounts contributed above the amount required to discharge indebtedness will be allocated to the participants subject to limitations based on total participants' compensation and net income of the Company. If any cash is remaining after allocations have been made to the participants, the Plan Administrator has the sole discretion to hold the cash in a separate cash account, purchase investments, or repay the acquisition loan indebtedness. Contributions by the participants are neither required nor permitted.

Participant Accounts

Individual account balances are maintained for each participant. Account balances are adjusted annually at the end of the Plan year as follows:

Employer contributions and forfeitures are allocated on the last day of the Plan year. To receive an allocation, an employee must be employed on the last day of the Plan year unless the employee is retirement age. The Plan allocations are based on each eligible participant's compensation compared to the total of all eligible participants' compensation. In a participant's initial year of participation, the compensation for the entire year will be included. However, compensation will not include amounts earned while not meeting the eligibility requirements of the Plan.

Participant allocations first start with ESOP stock allocations to each participant's stock account, which includes released shares and forfeitures. The next participant allocations are cash account allocations to each participant's cash account. Both stock and cash allocations are based on participant's compensation. If any shares of stock or cash remain unallocated for the year due to contribution limitations, it will be held in a suspense account to be allocated in the next Plan year.

Cash dividends paid to the Plan Trustee on shares of Company stock held will be allocated based on the amount of shares held at the record date. These cash dividends are applied to the participant's cash account and may be applied to any repayment of debt, held as cash, or used to purchase Company stock.

A pro-rata share of income, expenses, and realized and unrealized gains and losses is allocated to participants based on the percentage, which each participant's account balance at the beginning of the year bears, to the total of all participants' account balances at that date. These allocations will be made prior to allocating for any employer contributions, but after any distributions have been made for the Plan year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Vesting is based on years of continuous service. Participants do not start vesting until they complete three years of service and are 100% vested after three years of service. Participants who retire at normal retirement age, but before completing three years of service, also become 100% vested in their account.

Payment of Benefits

Excluding required minimum distributions, benefit payments will be paid in a lump sum. Required minimum distributions will be paid annually.

The Company may segregate cash for vested balances of terminated employees. Cash segregated for future payments during the years ended December 31, 2022 and 2021 was \$0.

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments that are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a 6-year period. In each of the first 5 years, a participant may diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. Participants who elect to diversify can only receive a cash distribution. The election to diversify is made subsequent to year-end based upon the shares of employer stock in the participant's account at year-end.

Forfeitures

As of December 31, 2022, the Plan had no unallocated forfeitures. Forfeitures are allocated among eligible participants at the end of the Plan year in which the forfeiture occurs. Stock forfeitures allocated for years ended December 31, 2022 and 2021 were 634.21 and 379.49 shares, respectively. The cash forfeitures allocated for the years ended December 31, 2022 and 2021 were \$138 and \$55, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. These policies conform to accounting principles generally accepted in the United States of America, and have been applied on a consistent basis.

Basis of Presentation

The accounting records of the Plan are maintained on the accrual basis.

Administrative Expenses

A majority of the administrative expenses of the Plan are absorbed by the Plan Sponsor. These charges are principally for trustee, valuation, audit, and third-party administration fees.

Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

KENNETH'S PROFIT SHARING AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allocations

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock (allocated) and (b) stock not yet allocated to employees (unallocated), including shares that are committed to be released. Shares are released from collateral and become allocated generally in the period in which debt service is actually paid.

Investment Valuation and Income Recognition

The shares of Company common stock are reported at fair value. See Note F for a disclosure of the fair value measurements. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

Subsequent Events

The Plan Administrator has evaluated all activity of the Plan through September 29, 2023, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INCOME TAX STATUS

The IRS has determined and informed the Plan Administrator, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant's account automatically becomes 100% vested. The net assets of the trust would be distributed in a form of payment as determined by the Plan Committee.

NOTE E - COMMON STOCK - KENNETH'S HAIR SALONS AND DAY SPAS, INC.

The following is a summary of stock activity at December 31:

	2022		2021	
	Allocated	Unallocated	Allocated	Unallocated
Shares	<u>234,246.45</u>	<u>9,753.55</u>	<u>223,940.39</u>	<u>20,059.61</u>
Cost	<u>\$ 23,424,645</u>	<u>\$ 975,355</u>	<u>\$ 22,394,039</u>	<u>\$ 2,005,961</u>
Market Value	<u>\$ 39,517,377</u>	<u>\$ 1,645,423</u>	<u>\$ 38,833,502</u>	<u>\$ 3,478,538</u>

Since the Company is a closely-held entity, there is no established market price for the shares. The common shares were valued at fair value on December 31, 2022 and 2021 by an independent appraiser.

KENNETH'S PROFIT SHARING AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE F - FAIR VALUE

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common stock corporate: Valued using discounted cash flow because it provides a strong indicator of the Company's value based on its underlying characteristics and future earnings potential. (Level 3)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F - FAIR VALUE (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Description	2022	(Level 1)	(Level 2)	(Level 3)
Common stock corporate	<u>\$ 41,162,800</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,162,800</u>

Net (depreciation) appreciation in fair value of investments	(1,149,240)	229,360
Balance, end of year	<u>\$ 41,162,800</u>	<u>\$ 42,312,040</u>

NOTE G - LONG-TERM DEBT

The Plan has a note payable to Kenneth's Hair Salons & Day Spas, Inc. The proceeds were used to purchase the Company's common stock. The note is secured by the Director of the Company. Unallocated shares are collateral for the note. The note bears interest at a fixed rate of 6% per annum and is payable annually in installments of \$1,361,816 plus interest through July 2023. At December 31, 2022, the outstanding balance was \$1,361,816.

As of December 31, 2022, the combined aggregate maturities of long-term debt are as follows:

2023	<u>\$ 1,361,816</u>
------	---------------------

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of common stock in the Company. The Company is the Plan Sponsor as defined by the Plan agreement and, therefore, these transactions qualify as party-in-interest.

NOTE I - RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks, such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows, and other such techniques. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.
