To the Plan Administrator
Hospice of Cleveland County, Inc. 403(b) Plan
Shelby, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hospice of Cleveland County, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 1, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 through December 1, 2022 ("period ended December 1, 2022" or the "Period"), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 1, 2022 and December 31, 2021, and for the period ended December 1, 2022, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As described in Notes 1 and 8 to the financial statements, the Plan merged into the Hospice & Palliative Care Charlotte Region Savings and Incentive Partnership Plan. Liquidation of participant accounts and transfer of assets were effective December 1, 2022. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HOSPICE OF CLEVELAND COUNTY, INC. 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 1, 2022 AND 2021

Note 1—Description of the Plan

The following description of the Hospice of Cleveland County, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan originally effective January 1, 2008. The Plan has been amended throughout the years to comply with tax legislation and most recently amended and restated effective January 1, 2018. The Plan includes all employees of Hospice of Cleveland County, Inc. (the “Company” or “Plan Sponsor”), except those employees who normally work less than 20 hours per week (PRN employees). The Plan is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”).

During 2020, Hospice of Cleveland County, Inc. (“HCC”) entered into an affiliation agreement with Hospice & Palliative Care Charlotte Region (“HPCCR”). Effective November 18, 2020, HPCCR became HCC’s sole member. The Finance Committee was responsible for the oversight of the Plan prior to the acquisition of HCC by HPCCR. A 403(b) Fiduciary Committee has since been established to provide oversight of the Plan and to determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

Plan Termination – Effective December 1, 2022, the Plan merged into HPCCR Savings and Incentive Partnership Plan (“HPCCR Plan”), and all assets were transferred to HPCCR Plan at the effective date.

Administration – The Plan is administered by the Company, which serves without compensation. The Plan Sponsor has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Plan Sponsor has designated Vice President of Human Resources to administer the Plan and has outsourced the recordkeeping function of the Plan to AIG Retirement Services (“AIG”), the “qualified institution” of the Plan.

Eligibility – Employees become eligible to make salary deferrals and receive the Company-matching contribution on the first day of employment with the Company. Employees enter the Plan during the first pay period following the completion of the eligibility requirements.

Contributions – The Plan includes a salary deferral arrangement allowed under Section 403(b) of the Internal Revenue Code (“IRC”). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 403(b) contributions to the Plan. Participants who have attached age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company may, at its discretion, elect to make a matching contribution to the Plan. For the period ended December 1, 2022, the Company matching contribution was equal to 100% of salary deferral contributions up to 3% of eligible compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, the Company’s contribution, an allocation of Plan earnings and charged with benefits paid to participants, an allocation of Plan losses, and an allocation of administrative expenses not paid by the Company. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

HOSPICE OF CLEVELAND COUNTY, INC. 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 1, 2022 AND 2021

Note 1—Description of the Plan (continued)

Vesting Requirements – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company-matching contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after one year of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Investment Options – Upon enrollment in the Plan, a participant may direct 100% of their account balances. Within AIG, participants may select between several investment options. Participants may transfer balances periodically based on the applicable funds as defined in the custodial service agreement.

Plan Loans – Participants may borrow from AIG an amount with a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of any highest outstanding loan balance with the previous 12 months over the balance currently owed or 50% of their vested account balance. The participant must have at least a \$2,000 vested balance to obtain a loan. The balance is set aside in the AIG Fixed Account as a security for the loan. The loans bear interest at a variable rate based on the Moody's Corporate Bond as determined by the insurance company. Loan terms are up to five years, except for loans to fund the purchase of a primary residence, for which the loan may be repaid over a reasonable period that may not exceed 10 years. As the loan is repaid, the amount of the security account is reduced by the payment amount. Because AIG is the lender, a portion of the interest payment is returned to AIG. All outstanding Plan loans were transferred to HPCCR Plan effective December 1, 2022.

Benefits Paid to Participants – Upon termination of service, death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution, partial lump-sum distribution, or installment distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the termination participant's account is between \$1,000 and \$5,000, the Company may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeitures – Forfeited nonvested accounts are used to reduce Company contributions. There were no forfeited nonvested accounts as of December 1, 2022 or December 31, 2021. No forfeitures were used to reduce Company-matching contributions for the period ended December 1, 2022.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value, except for fully benefit-responsive investments, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 1, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan uses appropriate valuation methodologies based on the available inputs to measure the fair value of its investments. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Pooled Separate Accounts – These investments are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or Level 2 quoted pricing inputs which are used to determine the unit value of the pooled separate account, which is not publicly quoted. Therefore, the pooled separate accounts are classified as Level 2.

The Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Benefit Payments – Benefits paid to participants are recorded when paid.

Administrative Expenses – The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from the accompanying financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

HOSPICE OF CLEVELAND COUNTY, INC. 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 1, 2022 AND 2021

Note 3—Information certified by the Plan’s qualified institution (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the qualified institution has certified to the completeness and accuracy of the following data included in the accompanying financial statements:

- Total investments as shown in the statements of net assets available for benefits as of December 1, 2022 and December 31, 2021.
- Net depreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the period ended December 1, 2022.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing the information to the related information included in the financial statements.

Note 4—Guaranteed investment contracts

The Plan invests in fully benefit-responsive investment contracts with AIG. AIG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting.

As described in Note 2, this contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan’s ability to transact at contract value with issuers of investment contracts. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures, or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. As described in Note 1, the Plan merged into HPCCR Plan; however, all transactions occurred at contract value with the participants.

HOSPICE OF CLEVELAND COUNTY, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 1, 2022 AND 2021

Note 5—Fair value measurements

Due to the merger of the Plan into HPCCR Plan, there were no investments held by the Plan as of December 1, 2022.

The Plan’s financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31, 2021:

	2022			Total Fair Value
	Level 1	Level 2	Level 3	
Pooled separate accounts	\$ -	\$ -	\$ -	\$ -

	2021			Total Fair Value
	Level 1	Level 2	Level 3	
Pooled separate accounts	\$ -	\$ 4,691,114	\$ -	\$ 4,691,114

Note 6—Party-in-interest transactions

The Plan investments are managed by the qualified institution as of December 1, 2022 and December 31, 2021, and for the period ended December 1, 2022, as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Fees paid by the Plan for the custodial and administrative services of AIG amounted to \$10,816 for the period ended December 1, 2022.

Note 7—Tax status

The IRS has determined and informed the plan prototype sponsor by a letter dated March 31, 2017, that the prototype plan and related trust are designed in accordance with the applicable sections of the IRC. The Company has chosen to rely on the determination letter issued to the plan prototype sponsor. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 1, 2022 and December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8—Plan termination

Effective December 1, 2022 (“Plan termination date”), the Plan was terminated. Contributions were no longer allowed after the Plan termination date, and participant accounts were transferred to HPCCR Plan.

Note 9—Subsequent events

The Plan Sponsor has evaluated subsequent events through September 25, 2023, which is the date the financial statements were available to be issued.
