## Report on the Audit of the Financial Statements

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of CTCA 401(k) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CTCA 401(k) Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CTCA 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCA 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CTCA 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCA 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

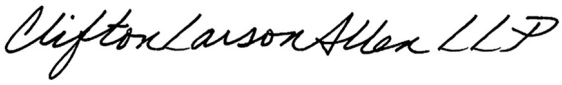

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 DESCRIPTION OF PLAN

The following description of CTCA 401(k) Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. A Summary Plan Description including information relative to eligibility requirements, vesting, contributions, allocations, distribution, and any other significant Plan provisions is provided to each participant.

### General

The Plan was originally established effective July 1, 1992, and most recently restated effective April 4, 2023 to formally adopt provisions under the CARES Act. The Plan was established by Cancer Treatment Centers of America Global, Inc. (the Company) to provide eligible employees (herein referred to as "stakeholders") with an additional source of retirement income. The Plan is a defined contribution plan covering certain stakeholders of the Company and participating employers who meet the eligibility requirements.

Stakeholders of the following participating employers are eligible to participate in the Plan subject to Plan provisions:

- Midwestern Regional Medical Center
- Southwestern Regional Medical Center, Inc.
- Patient First, S.C.
- Cancer Nutrition Centers of America
- CTCA Professional Corp of Washington
- CTCA Professional Corp of OK
- Cancer Treatment Centers of America Professional Corporation of Illinois, S.C.
- Eastern Regional Medical Center
- CTCA Professional Corp of Pennsylvania
- Western Regional Medical Center
- CTCA Professional Corp of Arizona
- Cancer Treatment Centers of America of the Southeast, Inc.
- CTCA Professional Corp of Virginia
- Professional Corporation of Georgia
- CTCA Administrative Services Inc.
- CTCA Shared Services Inc.
- CTCA Clinical Research Inc.

Stakeholders must be at least 18 years of age and are eligible as of their date of hire. The Plan excludes employees covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan, and leased employees. Participants are able to enroll as of the first payroll following completion of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The 401(k) Retirement Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

## NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

### Contributions

Each year, participants may contribute up to 60% of eligible annual compensation, as defined in the Plan document. However, participants may elect to defer 100% of eligible compensation for specified payroll periods. Participants age 50 or older are allowed to make catch-up contributions. Each year, the Company makes safe harbor matching contributions to the Plan on a nondiscriminatory basis, calculated as follows: 100% of a participant's contribution up to 3% of eligible compensation and 50% of a participant's contribution for the next 2% of eligible compensation, as defined by the Plan. Contributions are subject to certain limits as defined by the Internal Revenue Code (IRC).

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

### Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on a participant's account balance or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

### Vesting

Participants are immediately vested in their contributions and matching contributions plus actual earnings thereon. Vesting in the Company top-heavy contributions, plus actual earnings thereon, is based on years of vesting service. A participant is 100% vested after four years of vesting service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

### Benefit Payments

Stakeholders may elect to receive the value of their account as a lump sum, partial withdrawal or in installments upon retirement or termination. Upon retirement (as early as age 59½), the stakeholder may elect to receive distributions by installments over their lifetime, by purchase of an annuity contract, or by using a combination of methods. If the vested account exceeds $5,000 they may defer the distribution of benefits. The Plan also permits in-service distributions in the event of financial hardship, as defined in the Plan.

If a participant terminates employment and the participant's account balance does not exceed $5,000, the Plan administrator will authorize the benefit payment without the participant's consent. The Plan shall make automatic rollovers of vested account balances that are greater than $1,000 but are not more than $5,000. The participant has the option to request a distribution of the value of the entire vested portion of such account balance.

## NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

### Forfeited Accounts

Forfeited nonvested accounts may be used to reduce administrative expenses, if so directed by the Company, and then are used to reduce future Company contributions. Forfeited nonvested accounts as of December 31, 2022 and 2021 totaled $15,466 and $70,593 respectively. There were $2,972 and $1,974 of forfeitures used to pay administrative expenses for the years ended December 31, 2022 and 2021, respectively. There were $50,684 and $-0- of forfeitures used to reduce Company contributions for the years ended December 31, 2022 and 2021, respectively.

### Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participants' accounts and bear interest that is comparable to the rate a bank would charge on a similar note. Principal and interest are paid ratably through biweekly payroll deductions.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

### Benefit Payments

Benefits are recorded when paid.

### Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation in fair value of investments.

### Subsequent Events

The Plan has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued.

## NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

## NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective Funds:* Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

## NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | 2022 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Collective Funds | $ - | $ 12,537,448 | $ - | $ 12,537,448 |
| Mutual Funds | 334,227,526 | - | - | 334,227,526 |
| Total Investments at Fair Value | $ 334,227,526 | $ 12,537,448 | $ - | $ 346,764,974 |

| | 2021 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Collective Fund | $ - | $ 11,979,005 | $ - | $ 11,979,005 |
| Mutual Funds | 435,157,530 | - | - | 435,157,530 |
| Total Investments at Fair Value | $ 435,157,530 | $ 11,979,005 | $ - | $ 447,136,535 |

## NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

## NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter, received from the IRS on the volume submitter plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The volume submitter plan has been amended since receiving the opinion letter, however, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

## NOTE 7 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and collective funds managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee as defined by the Plan and, therefore, investment transactions qualify as party-in-interest. Certain fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE 9 TRANSFERS TO AND FROM AFFILIATED PLANS

For the years ended December 31, 2022 and 2021, $(1,923,446) and $1,018,922, respectively, was transferred (to)/from affiliated plans, Health Pay Group 401(k) Plan and International Capital Investment Company 401(k) Plan.

## NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

| | 2022 | 2021 |
