## INDEPENDENT AUDITORS' REPORT

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Inflection.com, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 27, 2022, the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2022 through December 27, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 27, 2022 and December 31, 2021, and the period from January 1, 2022 through December 27, 2022, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

### **Emphasis of Matter – Plan Termination**

As described in Note 1 of the financial statements, the Plan sponsor’s Board of Directors resolved in February 2022 to terminate and dissolve the Plan. On April 6, 2022, the Plan was terminated and contributions to the Plan ceased. The Plan continued to operate in accordance with the Plan agreement through December 27, 2022, the date at which all Plan assets had been distributed to participants. Our opinion is not modified with respect to this matter.

### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Emphasis of Matter – Plan Termination**

As described in Note 1 of the financial statements, the Plan sponsor's Board of Directors resolved in February 2022 to terminate and dissolve the Plan. On April 6, 2022 the Plan was terminated and contributions to the Plan ceased. The Plan continued to operate in accordance with the Plan agreement through December 27, 2022 when all assets had been distributed to participants. Our opinion is not modified with respect to this matter.

## **Inflection.com, Inc. 401(k) Plan**

### **Notes to Financial Statements**

---

#### 1. Description of Plan

The Inflection.com, Inc. 401(k) Plan (the Plan), was established by Inflection.com, Inc. (the Company) in 2008 to provide participants with a method to fund their retirement on a tax-deferred basis. The Plan has since been amended and restated, most recently as of August 19, 2021. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

On April 7, 2022, the Company entered into an acquisition agreement whereby Checkr Group, Inc. acquired 100% ownership of the Company. In February 2022, the Company's Board of Directors approved the termination of the Plan, effective April 6, 2022, at which time contributions to the Plan ceased. Following termination, the Plan continued to operate in accordance with the Plan agreement through December 27, 2022, at which date all Plan assets had been distributed to participants.

#### *General:*

The Plan was a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company was the Plan sponsor and Plan administrator. The Plan was administered by a committee comprised of Company employees, who were responsible for selecting investment options offered under the Plan and monitoring investment performance. Betterment Securities served as the Plan's investment custodian, and Betterment for Business LLC served as the Plan's record keeper. Millennium Trust Company, LLC (Millennium) was the Plan's trustee. Betterment Securities held, invested and reinvested Plan assets on behalf of Millennium in the interest and direction of the participants and their beneficiaries.

#### *Eligible Participants:*

Eligible employees, as defined by the Plan agreement, age 18 or older, could participate in the Plan after three consecutive months of service.

#### *Contributions:*

Through April 6, 2022, participants could make contributions to the Plan through pre-tax salary reductions or post-tax deductions up to 100% of annual compensation, as defined by the Plan agreement, subject to certain limitations under the Code. Participants who had reached the age of 50 could elect to withhold additional catch-up contributions under the Code. Participants could also contribute amounts representing distributions from other tax-qualified plans (rollovers), subject to Code regulations.

1. Description of Plan (continued)

*Contributions:* (continued)

The Plan provided for automatic enrollment on the participant's eligibility date. The automatic election for eligible participants was 6% of their compensation, unless the participants requested a different amount to be contributed or formally declined participation.

The Company elected to administer the Plan as a safe harbor plan. Under the safe harbor provisions, the Company made safe harbor matching contributions of \$122,604 representing up to 100% each eligible participant's contribution, not to exceed 3.5% of the participant's eligible compensation for the period from January 1, 2022 through April 6, 2022.

The Company could also make discretionary matching and profit-sharing contributions. No discretionary matching or profit-sharing contributions were made to the Plan through termination.

Contributions were subject to certain limitations under the Code.

*Participant Accounts:*

Participant accounts were credited with participant and Company contributions, plus earnings (less any losses) thereon. Allocations were based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants were entitled was the benefit that could be provided from the participant account balances.

Participants could elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that were designed to provide the participants with a wide range of investment options. Participants could authorize transfers among investment options at any time.

*Vesting:*

Participants were fully (100%) vested in their account balances.

*Notes Receivable from Participants:*

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes were reclassified as distributions based upon the terms of the Plan agreement.

#### 1. Description of Plan (continued)

##### *Notes Receivable from Participants: (continued)*

Through April 6, 2022, participants could borrow up to one-half of their account balance, not to exceed \$50,000 and no less than \$1,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which longer terms could be granted. The notes were evidenced by a written note, secured by the participant account balance and bore interest at a rate commensurate with local prevailing rates as determined by the Plan administrator, under the Plan's note policy. Participant could have only one note outstanding at any time. Repayment of principal and interest was generally made through payroll deductions.

Notes receivable transactions with participants qualified as party-in-interest transactions. These transactions were exempt from the prohibited transaction rules under ERISA.

##### *Payment of Benefits:*

Upon termination of service through April 6, 2022, participants could elect to leave their account balance in the Plan or receive their benefits in a lump sum amount equal to the value of the participant account balance, or in installment payments. Accounts between \$1,001 and \$5,000 could be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. Accounts below \$1,000 could be distributed directly to participants without participant approval. Upon termination of the Plan, benefits were paid in accordance with the Plan agreement for a liquidating plan. Benefits were recorded when paid.

##### *Plan Expenses:*

Certain investment fund options were subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees were charged directly against the fund's investment performance and, thus, were not separately disclosed in the financial statements. Certain transaction, maintenance and investment advisory fees were paid by the Plan and charged to participant accounts. All other administrative expenses related to the Plan were paid by the Company and are not reflected in these financial statements.

#### 2. Summary of Significant Accounting Policies

##### *Basis of Presentation:*

The Plan prepared its financial statements using the accrual method of accounting through April 6, 2022 in accordance with accounting principles generally accepted in the United States of America (GAAP). Upon Plan termination, the Plan's financial statements were prepared using the liquidation method of accounting through December 27, 2022. The change in accounting method did not have an impact on the amounts in the financial statements.

##### *Use of Estimates:*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### *Investments:*

Investments consisted of exchange traded funds. These funds were reported at fair value, which was the net asset value (NAV) of shares held by the Plan at period end, as quoted in active markets. It was not probable the funds would be sold at amounts that differ materially from the NAV of shares held.

##### *Fair Value Measurement:*

The Plan used a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritized within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focused on an exit price and was defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments were not necessarily an indication of the risk associated with those instruments.

2. Summary of Significant Accounting Policies (continued)

The three-level hierarchy for fair value measurement was defined as follows:

**Level I:** Inputs to the valuation methodology were quoted prices (unadjusted) for identical assets or liabilities in active markets.

**Level II:** Inputs to the valuation methodology included quoted prices for similar assets and liabilities in active markets, and inputs that were observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

**Level III:** Inputs to the valuation methodology, which were significant to the fair value measurement, were unobservable.

A financial instrument's categorization within the fair value hierarchy was based on the lowest level of input that was significant to the fair value measurement.

The Plan's exchange traded funds were recorded at fair value and classified as Level I within the fair value hierarchy through their disposition.

*Income Recognition:*

Purchases and sales of investments were recorded on a trade-date basis. Interest income was recorded on the accrual method of accounting. Dividends were recorded on the ex-dividend date. Net depreciation included net gains and losses on the Plan's investments bought, sold or held during the period.

3. Information Prepared and Certified by Millennium

Millennium, as the Plan’s trustee, certified the fair value of the following assets held at December 27, 2022 and December 31, 2021, and the net loss for the period from January 1, 2022 through December 27, 2022, that were used in the preparation of the financial statements and supplemental schedule, as follows:

	December 27, 2022	December 31, 2021
Investments, at fair value	\$ -	\$ 13,064,128
Notes receivable from participants	<u>-</u>	<u>70,775</u>
Total certified assets	<u>\$ -</u>	<u>\$ 13,134,903</u>

Net loss for the period from January 1, 2022 through December 27, 2022	<u>\$ (1,562,048)</u>
---	-----------------------

4. Tax Status

The Plan was a volume submitter plan offered by Betterment for Business, LLC, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating the form of the plan submitted for review was qualified under applicable provisions of the Code. The Plan had been amended since receipt of the letter. However, the Plan and the Plan sponsor believe the Plan was designed and was being operated in compliance with the applicable requirements of the Code and related state statutes and was, therefore, qualified and the trust that forms a part of the Plan was exempt from federal and state income taxes through December 27, 2022.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, through December 27, 2022, there were no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan will continue to be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

5. Nonexempt Prohibited Transactions

In 2016, the Company did not remit participant contributions and note repayments totaling \$2,594 timely, as required by the Department of Labor (DOL). In 2022, the Company remitted an amount representing lost earnings, which was the estimated amount of investment income that would have been earned had the contributions and note repayments been remitted timely.

In 2021, the Company did not remit participant contributions totaling \$106 timely, as required by the DOL. In 2022, the Company remitted an amount representing lost earnings, which was the estimated amount of investment income that would have been earned had the contributions and note repayments been remitted timely.

The DOL considers these late remittances nonexempt prohibited transactions with the Plan sponsor, which could have jeopardized the Plan's tax-exempt status.

6. Subsequent Events

Subsequent events have been evaluated through October 9, 2023, which is the date the financial statements were approved by the Plan and available to be issued.
