Independent Auditor's Report

The Plan Administrator
The Lockwood Group, LLC
401(k) Profit Sharing Plan and Trust
Stamford, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following description of The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was effective January 1, 2007. The Plan was amended and restated effective January 1, 2017, for certain Plan changes to allow employees to participate in the Plan on the first day of hire, instead of after completing one year of service. The Plan covers all eligible employees of The Lockwood Group, LLC (the Company or Employer).

Contributions

Each year, participants may contribute up to 90% of pre-tax annual eligible earnings into the Plan. The total participant contribution in any year is subject to certain limitations of the Internal Revenue Code (IRC). The limit for 2022 and 2021 was \$20,500 and \$19,500, respectively. Participants who attained age 50 before the end of the Plan year were eligible to contribute up to an additional \$6,500 in 2022 and 2021 as catch-up contributions. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants may also rollover amounts from other eligible retirement plans, as defined in the Plan.

Participants are eligible to receive Company discretionary profit-sharing contributions upon completion of one year of service, as defined in the Plan. The Company may, in its sole discretion, make a profit-sharing contribution. For the year ended December 31, 2022, the Company made a profit-sharing contribution of \$200,000. Also, upon the completion of one year of service, the Company will make a safe harbor matching contribution equal to 100% of the employees' salary deferrals that do not exceed 3% of the employee compensation, plus 50% of the employee salary deferrals between 3% and 5% of the employees' compensation. During the year ended December 31, 2022, the Company made safe harbor matching contributions in the amount of \$1,230,246.

Participants' Accounts

The Plan maintains individual accounts for each Plan participant. Each participant's account is credited with the participant's contributions, Company contributions, and an allocation of the Plan's investment earnings or losses and charged with benefits paid and certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan offers various mutual funds and a common collective trust as investment options to participants.

Vesting

Participants are always 100% vested (which means that they are entitled to all of the amounts) in their accounts attributable to the following contributions:

- Salary deferrals, including Roth 401(k) deferrals and catch-up contributions

The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

- Safe harbor matching contributions
- Employer profit-sharing contributions
- “Rollover” contributions

Payments of Benefits

A participant is eligible to receive a single lump-sum distribution on his or her vested account balance under the following circumstances: (a) retirement, (b) termination of employment, (c) disability, and (d) death. A participant is also eligible for in-service withdrawals after reaching the age of 59½. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum of the lesser of ½ of the vested account balance or \$50,000. The loans are secured by assignment of a participant’s vested interest in the Plan, and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan administrator. At December 31, 2022 and 2021, all loans bear interest ranging from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions, or as a lump sum for the outstanding loan balance. Loan terms range from one to five years; however, terms may be longer for the purchase of a primary residence.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$10, respectively. These accounts may be used to reduce future employer contributions. Approximately \$10 of the forfeited funds were used to fund employer contributions in 2022.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are presented under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of the Plan’s financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

The Company pays the administrative costs of the Plan associated with any professional services provided to the Plan and pays the cost of communications to the participants. Administrative expenses paid directly by the Company are excluded from the financial statements. Loan origination and distribution fees are deducted directly from the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

4. Related Party and Party-in-Interest Transactions

The Plan allows participants to take loans against their account balances, which are considered party-in-interest transactions.

ADP, LLC, the recordkeeper of the Plan, was paid \$2,536 for loan origination and distribution-related fees in the year ended December 31, 2022.

5. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.

The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

- Investment loss, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies for the Plan assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual Funds - This class primarily consists of publicly traded funds of registered investment companies. The mutual funds invest primarily in marketable equity securities. The fair value of these investments is determined by reference to the fair value of the underlying securities of the mutual funds. The net asset value (NAV) of the mutual fund's share is quoted on the exchange where the fund is traded and, therefore, classified as Level 1 within the fair value hierarchy.

The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Common Collective Trust - Assets are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The investment is a direct-filing entity.

In addition, the Plan is required to provide a 15-day advance written notice to the trustee prior to withdrawal of trust units; the notice period may be shortened or waived by the trustee at its sole discretion. The Plan has no unfunded commitments with the fund as of December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value:

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,871,411	\$ -	\$ -	\$ 24,871,411
Common collective trust, at NAV*				82,437
Total Investments, at fair value				\$ 24,953,848

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,090,259	\$ -	\$ -	\$ 24,090,259
Common collective trust, at NAV*				138,372
Total Investments, at fair value				\$ 24,228,631

* The common collective trust that is measured at fair value using the NAV per share (or its equivalent) practical expedient has not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

7. Tax Status

The Plan uses a prototype plan document designed by ADP, LLC, which the Plan has adopted via a non-standardized adoption agreement. The Internal Revenue Service (IRS) has informed ADP, LLC in an opinion letter dated October 6, 2020 that the Plan and related trust are in compliance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion

The Lockwood Group, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

<i>December 31,</i>	2022	2021

Net Assets Available for Benefits, per Form 5500	\$ 25,027,052	\$ 24,347,070

The following is a reconciliation of net change in net assets available for benefits per the financial statements to Form 5500:

<i>Year ended December 31, 2022</i>	
Net Change in Net Assets Available for Benefits, per financial statements	\$ 580,977
Add: prior-year Employer contributions receivable	477,267
Less: current-year Employee contributions receivable	(130,288)
Less: current-year Employer contributions receivable	(247,974)
Net Change in Net Assets Available for Benefits, per Form 5500	\$ 679,982

9. Risks and Uncertainties

The Plan provides for various investments that, in general, are exposed to various types of risks, such as interest rate, credit, and market volatility risks. Further, due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

For purposes of determining the effect of subsequent events on these financial statements, management has evaluated events subsequent to December 31, 2022 and through October 10, 2023, the date on which the financial statements were available to be issued. There were no significant subsequent events requiring adjustment to the financial statements or disclosures.
