Independent Auditors' Report

To the Trustees of
Kitson & Partners Management Services, Inc. 401(k) Plan
Palm Beach Gardens, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Kitson & Partners Management Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees of
Kitson & Partners Management Services, Inc. 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Trustees of
Kitson & Partners Management Services, Inc. 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) – modified cash basis as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Trustees of
Kitson & Partners Management Services, Inc. 401(k) Plan

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kitson & Partners Management Services, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2022 and 2021

1. Plan Description

General

The following description of the Kitson & Partners Management Services, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Kitson & Partners Management Services, Inc. (the "Company" or "Sponsor") established the Plan, a participant-directed defined contribution plan, effective January 1, 2003. The Plan was restated as of October 15, 2008. The Plan, as restated, is a defined contribution 401(k) savings plan, which is designed to assist employees in a long-range program of savings and to be used as means of adding to their retirement income. Employees of the Company are generally eligible to participate in the Plan on the first day of the month subsequent to attaining the age of 21 and completing 6 months of service.

The Plan offers options in which participants may elect to direct Company contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

The general administration of the Plan and the responsibility for carrying out its provisions shall be placed on the Kitson & Partners Management Services, Inc. Administrative Committee (the "Administrative Committee"). The Administrative Committee shall be the Plan administrator and has the authority to appoint or remove the trustee. The Administrative Committee has engaged the services of an independent profit-sharing administration firm to assist it with the performance of its duties. Reliance Trust Company (the "Trustee") and ADP, serve as trustee and record keeper of the Plan, respectively.

The Administrative Committee has entered into a trust agreement with the Trustee providing for the establishment of a trust to which all employee contributions shall be contributed and from which all benefits under the Plan shall be paid. The Trustee values all accounts on each accounting date.

Certain administrative costs of the Plan have been assumed by the Company.

Contributions

Each year participants may contribute earnings from 1% to 90% of base pay, as defined in the Plan. Participants may make a contribution which qualifies as a rollover from another qualified plan, provided the amount is not less than \$500. The Company will match 50% of each participant's contribution up to a maximum of 6% of biweekly eligible compensation. Company contributions made on behalf of each participant will be limited, if necessary, to comply with limits set by the Internal Revenue Service. The maximum amount which may be added to the participant's account for the years ended December 31, 2022 and 2021, in accordance with Section 415(c) of the Internal Revenue Code, is the lesser of \$61,000 and \$58,000 for 2022 and 2021, respectively or 100% of the participant's compensation for the year.

Kitson & Partners Management Services, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2022 and 2021

The Company may also make nonelective contributions to the Plan, in which all eligible employees will receive a proportionate amount of the Company's contribution.

Participants direct the investment of their contributions into various investment options offered by the Plan. All contributions are self-directed by plan participants and may be invested, in any combination, into various investment options as presented by the Trustee.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company contributions and actual earnings thereon at a rate of 50% after completion of one year of service and 100% vested upon the completion of three years of service. A participant will become fully vested if termination occurs as a result of death, retirement, or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Normal Retirement Benefits - The normal retirement date is the first day of the month following the month in which the participant attains age 65.

Deferred Distribution - A participant may elect in writing to postpone the commencement of benefit distribution until the required beginning date as defined by the Internal Revenue Service.

Benefit Payments - On termination of service, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Payment shall be in cash. If a participant's nonforfeitable account balance is \$5,000 or less, the Plan administrator shall automatically distribute it in a lump sum without the participant's consent upon the termination of employment (or if the participant is deceased, to the participant's beneficiary without the beneficiary's consent).

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,765 and \$1,765, respectively. These accounts will be used to reduce future employer contributions. Also, in 2022 and 2021, employer contributions were reduced by \$9,775 and \$1,290, respectively from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the modified cash basis. Therefore, with the exception of appreciation or depreciation in the market value of investments, income and expense items are recognized only as cash is received or paid and receivables (other than notes receivable from participants), payables and accrued expenses are not reflected.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest and income is recorded on the modified cash basis. Related fees are recorded as administrative expenses and expensed when they are incurred, if not paid for by the Company. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

At the Company's election, expenses incurred for the administration of the Plan may be paid by Kitson & Partners Management Services, Inc. All expenses relating directly to the investments of the Trust Fund, including taxes, brokerage commissions and registration charges, must be paid from the Trust Fund.

Subsequent Events

Plan administrator has evaluated subsequent events and transactions that occurred after December 31, 2022 through the date of the independent auditors' report and the date the financial statements were available to be issued, October 2, 2023. The financial statements include all events or transactions, including estimates, required to be recognized in accordance with generally accepted accounting principles. The Plan administrator has determined that there are no unrecognized subsequent events that require additional disclosure.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Kitson & Partners Management Services, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2022 and 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	2022	
	Level 1	Total
Mutual funds	\$ 16,669,249	\$ 16,669,249
Investments at fair value	\$ 16,669,249	\$ 16,669,249
	2021	
	Level 1	Total
Mutual funds	\$ 19,607,519	\$ 19,607,519
Investments at fair value	\$ 19,607,519	\$ 19,607,519

4. Information Prepared and Certified by the Trustee (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by the trustee, Reliance Trust Company.

	2022	2021
Statement of Net Assets Available for Benefits:		
Investments at fair value	\$ 16,669,249	\$ 19,607,519
Notes receivable from participants	167,873	201,246
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation (depreciation) in fair value of investments	\$ (3,985,821)	\$ 1,626,539
Dividends	913,577	1,308,233
Other income	11,894	42,183
Interest income on notes receivable from participants	7,232	8,402

5. Party in Interest Transactions

Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions. These accounts may be reduced by administrative termination expenses incurred and paid by the Company for which the Company seeks reimbursement by the Plan.

7. Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirement of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations at any time within certain statutorily defined periods.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
