Independent Auditor's Report

To the Plan Administrator of
Sage Hospice Holdings LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sage Hospice Holdings LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year ended December 31, 2022 and for the period July 1, 2021 (Plan Inception) to December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sage Hospice Holdings LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, for the year ended December 31, 2022, and for the period July 1, 2021 (Plan Inception) to December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sage Hospice Holdings LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As disclosed in Note 1a to the financial statements, as a result of a merger of six previously existing qualified retirement plans effective July 1, 2021, the Plan commenced operations as a newly organized and operating employee benefit plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sage Hospice Holdings LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sage Hospice Holdings LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sage Hospice Holdings LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the years ended December 31, 2022 and 2021 and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAGE HOSPICE HOLDINGS LLC 401(K) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Sage Hospice Holdings LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan was established July 1, 2021. The Plan is a defined contribution plan covering substantially all employees of Sage Hospice Holdings LLC (the Plan Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance. The audited financial statements for the period ended December 31, 2021 have been issued concurrent with the 2022 financial statements, to be filed with the 2022 Form 5500 under the short plan year rule in accordance with 29 CFR 2520.104-50.

Subsequent to the formation of the Plan, six pre-existing qualified plans were merged into the Plan, resulting in net assets of \$3,089,446 transferred into the Plan. The merged plans consisted of the following; Agape Hospice Care of Northern Georgia 401(k) Plan, Sunwest Employer Services 401(K) Retirement Plan adopted by Livi Medical Services, PCCL, Sunwest Employer Services 401(K) Retirement Plan adopted by A Servants Heart Hospice LLC, A Servants Heart Hospice LLC, Elevation Hospice of Colorado, LLC 401(k) Plan, and Sunwest Employer Services 401(K) Retirement Plan adopted by Elevation Hospice of Utah.

b. Eligibility

All eligible employees of the Plan Sponsor and merged entities are eligible for enrollment into the Plan following one (1) month of service, excluding union employees and non-resident aliens. The Plan Sponsor may contribute a discretionary matching contribution to eligible participants, who have completed one year of service and are employed on the last day of the Plan year.

c. Contributions

Each year, eligible participants may contribute a percentage up to 90% of pre-tax annual compensation, subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows for participants to make Roth contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at 2%. Participants may opt-out or elect a different deferral amount at any time. Participants direct the investment of their contributions into various investment options offered by the Plan.

There were no discretionary matching contributions for the Plan year ended December 31, 2022 and for the period July 1, 2021 (plan inception date) to December 31, 2021.

d. Participant Accounts

Each participant's account is credited with the participant's contributions, Plan Sponsor discretionary matching contributions and an allocation of Plan earnings and depreciation of investments, and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant's earnings, account balances, or specific transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN (Continued)

e. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in the Plan Sponsor's discretionary matching contributions based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 or more years	100%

A participant becomes fully vested upon death, disability or attainment of normal retirement age.

f. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. The loans are secured by the balance in the participant's account. Participants may only have one loan outstanding at any time. Loan terms range from one to five years, unless for the purchase of a primary residence, which is no longer than thirty years. The interest rate is the prime rate, plus one percentage point. Principal and interest are paid ratably through payroll deductions.

g. Payment of Benefits

Upon normal retirement at age 65 or termination of services, a participant may elect to receive a lump-sum equal to the value of the participant's vested account balance or leave their balance in the Plan if the balance is over \$5,000. The Plan requires balances up to \$5,000 to be paid out to participants upon termination. There are also retirement benefits available upon disability or death.

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the Internal Revenue Code (the Code) or standards established by the Secretary of the Treasury or their delegate.

h. Forfeitures

Forfeitures represent non-vested Plan Sponsor discretionary matching contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures are retained by the Plan and are used to pay Plan expenses and reduce future discretionary matching contributions. The Plan had no unallocated forfeitures as of December 31, 2022 and 2021.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (Continued)

i. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and qualified institution. See Note 4 for disclosure of fair value measurement.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowances for credit losses have been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2022 and 2021, there were \$370 and \$814, respectively, of defaulted loans that have been deemed distributed and included in benefits paid to participants in the accompanying statements of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions are charged directly to the participant's account. Investment-related expenses are included in net appreciation (depreciation) of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2023, the date the financial statements were available to be issued. There were no events that met the criteria for recognition for disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and the supplemental schedules, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2022 and 2021, and the related investment transactions and investment income (loss) and interest income on notes receivable from participants reported in the accompanying statements of changes in net assets available for benefits for the year ended December 31, 2022 and period from July 1, 2021 (plan inception date) to December 31, 2021.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

SAGE HOSPICE HOLDINGS LLC 401(K) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENT (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the qualified institution, is used as a practical expedient to estimate fair value. The NAV is based on the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from NAV. As of December 31, 2022 and 2021, the Plan had no plans to sell the common collective trust at amounts different from NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Description	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,743,278	\$ -	\$ -	\$ 3,743,278
Common collective trust, measured at NAV				358,827
Total investments, at fair value				\$ 4,102,105

Description	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,246,488	\$ -	\$ -	\$ 3,246,488

4. FAIR VALUE MEASUREMENT (Continued)

The following table summarizes non-actively traded investments measured at fair value based on NAV per share as of December 31:

<u>2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Common Collective Trust - Invesco Stable Asset	\$ 358,827	N/A	Daily	Daily
<u>2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Common Collective Trust - Invesco Stable Asset	\$ 303,187	N/A	Daily	Daily

5. COMMON COLLECTIVE TRUST

The Plan's investment in the Common Collective Trust (CCT) is represented by the CCT's underlying investment in the Invesco Stable Asset, which invests in fully benefit-responsive investment contracts, commonly referred to as guaranteed investment contracts (GICs), synthetic investment contracts, and similarly designed contracts issued by insurance companies, banks and other financial institutions. The Plan's investment in the CCT is not considered a fully benefit-responsive investment contract and was reported at fair value (see Note 4).

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institution and notes receivable from participants are considered party-in-interest transactions. During 2022 and 2021, the Plan paid the qualified institution administrative expenses totaling \$80,962 and \$18,489, respectively. The Plan has a service agreement with ADP Retirement Services (ADP), who has retained Reliance as a subcontractor to provide recordkeeping and trust services for the Plan. Both ADP and Reliance are considered parties-in-interest.

8. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated October 6, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the Code. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

10. PROHIBITED TRANSACTION

During the plan years ended December 31, 2022 and 2021, the Plan Sponsor failed to segregate and remit in a timely manner, certain participant contributions (salary reduction amounts) within the required time period as specified by the United States Department of Labor Reg. 2520. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. Management intends to take corrective action during the 2023 Plan year.
