INDEPENDENT AUDITOR'S REPORT

Investment Committee
Sit 'N Sleep, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sit 'N Sleep, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Sit 'N Sleep, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a qualified, defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established on July 1, 1993 by Sit 'N Sleep, Inc., the Plan Sponsor (the “Employer”). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the Internal Revenue Code (“IRC”), for the benefit of eligible employees of the Employer. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the IRC and similar state tax laws.

Administration

The Investment Committee administers the Plan in accordance with the Plan document. Reliance Trust Company (the “Trustee”) serves as the Trustee of the Plan and holds the Plan assets, and ADP Retirement Services (the “Recordkeeper”) processes and maintains records of the participant data.

Eligibility

Non-excluded employees are eligible to enroll in the Plan upon completion of three (3) months of employment with the Employer and attainment of age twenty-one (21).

Participant Contributions

Eligible participants may elect to contribute, on a tax-deferred or Roth basis, up to 75% of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC. Eligible employees are automatically enrolled at 4% (with an automatic escalation rate of 1% annually up to a maximum of 10%). An eligible employee may elect to opt out, or they may elect a different deferral percentage. At any time, participants who have attained the age of fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions representing qualified Plan distributions are permitted.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Employer may make discretionary contributions. For the year ended December 31, 2022, the Employer matched 25% of each participant's deferral contribution of the first 4% of active participant's eligible compensation. The Employer will also make a true-up matching contribution to each eligible participant who is eligible to receive Employer matching contributions and is employed at the end of the Plan year. The Employer may also make profit sharing contributions to each eligible participant annually based on the integrated allocation method. To receive this contribution, an eligible participant must be credited with at least 500 hours of service during the Plan year, employed on the last day of the Plan year, or if during the Plan year, an eligible participant died, became disabled, or was terminated after attaining early or normal retirement age. For the year ended December 31, 2022, profit sharing contributions of \$100,000 were made to eligible participants. All employer contributions are invested in the same manner that the participant directs his or her participant-withheld amounts.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, rollovers from qualified plans, Employer contributions, allocations of the Plan's earnings, losses, expenses, and income and is charged with withdrawals. Allocations are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Vesting of Employer matching, Employer discretionary contributions, Employer profit sharing contributions and actual earnings thereon are based upon the participant's continuous years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	50%
3	100%

Investment Elections

Participants may direct participant and Employer contributions, as desired, into any of the several investment options offered by the Plan. Investment elections can be changed online or through telephone access daily.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000, reduced by the excess of the Participant's current outstanding Participant note balance on the date of the note. Participants may only have two (2) notes outstanding at any time. Notes must be paid back within five (5) years of the date of issuance unless the note is used to purchase a principal residence. Notes are due and payable upon the participant's termination of employment with the Employer. The notes are secured by the balance in the participant's account and bear interest ranging from 4.25% to 9.25%, which is based on prime rate plus 1% on the date of origination, and maturing through November 21, 2035 as of December 31, 2022 and 2021. Defaulted participant notes are reclassified as distributions based upon the terms of the plan document.

Benefit Payments

Upon termination of employment with the Employer, a participant will receive a lump sum disbursement of their vested account balance is \$5,000 or less. If the vested account balance is greater than \$5,000, the participant is entitled to receive a lump sum amount or installment payments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures

Forfeitures are used to pay administrative expenses or reduce Employer contributions. As of December 31, 2022 and 2021, there were \$10 and \$47,411 of forfeitures available, respectively. During the year ended December 31, 2022, \$51,900 of forfeitures were used to reduce Employer contributions.

Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits, and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies and the common collective trust are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, there were no delinquent participant notes. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative expenses incurred by the Recordkeeper and Investment Advisor, UBS Financial Services, Inc., in performance of their duties are paid from the assets of the Plan. The Employer pays substantially all other out-of-pocket administrative expenses of the Plan. For the year ended December 31, 2022, administrative expenses paid by the Plan's participants totaled \$100,928.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022; the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for plan benefits for the year December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic No. 820 ("ASC 820") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SIT 'N SLEEP, INC. 401(K)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of December 31, 2022, and 2021.

Registered investment companies:

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transfer at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common collective trust:

Units held in common collective trust (CCT) are valued using the net asset value practical expedient (NAV practical expedient) of the CCT as reported by the CCT managers. The NAV practical expedient is based on fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The following table provides additional information for investments in the CCT that calculates net assets value per share (or its equivalent):

	<u>2022</u>	<u>2021</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>	<u>Redemption Restrictions</u>
Putnam Stable Value Fund	\$ 1,834,427	\$ 1,535,852	Daily	Daily	a)

- a) Participants in a plan or trust invested in this Fund are prohibited from directing investments into a competing fund without first investing in a non-competing fund for at least ninety (90) days. Putnam Stable Value Fund pays qualified participant withdrawals at book value, as well as plan terminations (subject to potential imposition of a 12-month "put" in Putnam's discretion).

SIT 'N SLEEP, INC. 401(K)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 20,540,653	\$ -	\$ -	\$ 20,540,653
Total investments	<u>20,540,653</u>	<u>\$ -</u>	<u>\$ -</u>	<u>20,540,653</u>
Total investment measured at NAV (a)				<u>1,834,427</u>
Total investments				<u>\$ 22,375,080</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 24,047,660	\$ -	\$ -	\$ 24,047,660
Total investments	<u>24,047,660</u>	<u>\$ -</u>	<u>\$ -</u>	<u>24,047,660</u>
Total investment measured at NAV (a)				<u>1,834,427</u>
Total investments				<u>\$ 22,375,080</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 – INTERNAL REVENUE SERVICE STATUS

Effective September 1, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by ADP, LLC. The prototype plan provider has received an opinion letter from the Internal Revenue Service (“IRS”) as to the prototype plan’s qualified status. The prototype plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since the prototype plan received the opinion letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

U.S. GAAP requires the Plan’s management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan’s management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan expenses were paid by the Employer for maintaining the Plan. The Employer does not expect reimbursement for these Plan expenses.

Plan investments are managed by Trustee. The Employer, Plan Administrator, Trustee, Investment Advisor and Recordkeeper are parties-in-interest with respect to the Plan. For the year ended December 31, 2022, fees paid by the Plan to the Recordkeeper and Investment Advisor were \$43,541 and \$57,387, respectively. Notes from participants and the related interest income of \$39,312 are also considered to be party-in-interest transactions.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

The Investment Committee has evaluated all subsequent events through October 6, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
