HH HOLDINGS INC. 401(k) PLAN

FINANCIAL STATEMENTS – MODIFIED CASH BASIS

For the Years Ended December 31, 2022 and 2021

With Supplemental Schedule for 2022

And Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

HH Holdings Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HH Holdings Inc 401(k) (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B to the financial statements.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B to the financial statements, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – modified cash basis as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HH HOLDINGS INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

For the Years Ended December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

Effective November 1, 1994, HH Holdings Inc. (Company) established the HH Holdings Inc. 401(k) Plan (Plan) to enable eligible employees to share in the growth and profitability of the Company and to provide them with an opportunity to accumulate capital for their future economic security. The following is a description of the Plan, which provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan is a profit sharing and salary deferral plan (also known as a 401(k) plan) covering all employees of the Company who have two months of service and are at least 18 years old. A month of service is defined as working at least one hour during the months immediately following the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan documents were amended and restated effective April 1, 2022.

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 90% of their eligible compensation, or \$20,500 and \$19,500 in 2022 and 2021, respectively, adjusted annually for the cost of living, plus an additional \$6,500 in 2022 and 2021, for employees age 50 and over. The Company may contribute up to 100% of the first 10% of an employee's contribution to the Plan. The Company determines the percentage that it will contribute prior to the beginning of the plan year. For the years ended December 31, 2022 and 2021, the Company contributed 10% of the first 10% of each employee's contributions. Total contributions to each employee's account may not exceed the lesser of \$61,000 (\$67,500 if age 50 and older) in 2022 and \$58,000 (\$64,500 if age 50 and older) in 2021, or 100% of annual compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contribution, forfeitures of terminated participants' nonvested benefits, and the Plan's net earnings (losses), and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are 20% vested in employer contributions after one year of continuous service, 40% after two years of continuous service, 60% after three years of continuous service, 80% after four years of continuous service, and 100% vested after five years of continuous service. Participant contributions and earnings thereon, and rollover accounts are always 100% vested.

HH HOLDINGS INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless they are used to acquire a principal residence. The notes are collateralized by the participant's account balance and bear interest at prevailing rates. Interest rates for the years ended December 31, 2022 and 2021 ranged from 5.25% to 8.25% and 5.25% to 7.5%, respectively. Principal and interest are paid ratably through monthly payroll deductions. The notes receivable mature at various dates through November 2026.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over their life expectancy. Effective April 1, 2022, participant account balances of less than \$5,000 are paid out in a single lump-sum payment.

Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2 or as hardship withdrawals, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Services (IRS).

Forfeitures

Forfeitures may be applied to employer contributions, allocated to participants in the ratio that each participant's eligible compensation bears to the total of all eligible compensation, or used for administrative expenses. During the years ended December 31, 2022 and 2021, nonvested accounts credited to forfeitures amounted to \$3,275 and \$2,309, respectively. Forfeitures of \$1,904 and \$2,251 were used to reduce employer contributions during the years ended December 31, 2022 and 2021, respectively. Investment income earned by forfeited nonvested accounts amounted to \$50 and \$0 during the years ended December 31, 2022 and 2021, respectively. At December 31, 2022 and 2021, there were \$1,479 and \$58, respectively, in unallocated forfeitures.

NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Except for investments, which are accounted for on a fair value basis, the Plan has prepared its financial statements on the basis of cash receipts and disbursements; consequently, certain additions to net assets available for benefits are recognized when received rather than when earned, and certain deductions from net assets available for benefits, including benefit payments and expenses, are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to be presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of the securities are recorded on the trade date basis. Interest and dividend income are recorded when received. Realized gains and losses are recognized when investments are sold or otherwise disposed. Realized gains and losses for reporting under ERISA are calculated based on participant specific costs, aggregated at the plan level. Net appreciation (depreciation) in fair value of registered investment companies and common/collective trusts include the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are stated at their outstanding balance. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. For active participants who have not incurred a distributable event, such as employment termination, death or disability, but have delinquent receivables, the note receivable remains outstanding until a distributable event occurs. Once a distributable event occurs, the outstanding balance is considered a distribution or benefit payment. Related fees are recorded as administrative expenses and are expensed when paid.

Payments of Benefits

Benefits are recorded when paid.

HH HOLDINGS INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses

Expenses are recognized when the expense is paid. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments.

NOTE C – CERTIFICATION BY QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and dividends, interest, and net appreciation (depreciation) in the fair value of investments for the years ended December 31, 2022 and 2021, was obtained from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the qualified institution of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values its investments in registered investment companies at quoted market prices in active markets, which is a Level 1 measurement. Investments in common/collective trusts are valued at the net asset value of unit shares held by the Plan at year-end. The net asset value, as provided by the qualified institution, is used as a practical expedient, which is based on the underlying assets of the common/collective trusts, and other short term investments. Common/collective trusts are not categorized in the fair value hierarchy. At December 31, 2022 and 2021, there were no investments valued using Level 2 or Level 3 inputs. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$4,372,907</u>	<u>\$ -</u>	<u>\$ -</u>	\$4,372,907
Common/collective trusts				<u>844,784</u>
Total investments at fair value				<u>\$5,217,691</u>

NOTE E – COMMON COLLECTIVE TRUST

The common collective trusts consist of the State Street Global Advisors (SSGA) Cash Series U.S Government Fund (Government Fund) and SSGA Russell Small Cap Index Fund (Index Fund). The Government Fund seeks to maximize current income, to the extent consistent with the preservation of capital and liquidity and the maintenance of a stable \$1.00 per share net asset value by investing in U.S. government securities and in repurchase agreements collateralized by U.S. government securities. The Government Fund is not a money market fund registered with the U.S. Securities and Exchange Commission and is not subject to the various rules and limitations that apply to such funds. The objective of the Index Fund is to seek an investment return that approximates as closely as practicable, before expenses, the performance of the Russell 2000 Index over the long term. The Index Fund seeks to achieve this objective by investing primarily in a variety of equity securities, including common stocks, preferred stocks, depository receipts, or other securities convertible into common stock. The Index Fund is managed using an index strategy, may use futures and other derivatives, and may invest in other investment pools, including those managed by SSGA and its affiliates. The common/collective trusts have no significant unfunded commitments, redemption restrictions, or redemption notice periods and are redeemable daily. The common collective trusts seek to provide capital appreciation and current income consistent with their current asset allocations.

NOTE F – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's assets are held by Reliance Trust Company, the qualified institution of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation). Third party administrator and administrative expenses are paid by the Plan, as provided in the plan document.

NOTE G – RECONCILIATIONS TO FORM 5500

The following reconciles the financial statements to the Schedule H of Form 5500 as of and for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets, per financial statements	\$4,476,620	\$5,283,280
Deemed distributions of participant loans – cumulative	<u>(21,418)</u>	<u>(23,101)</u>
Net assets per Form 5500	<u>\$4,455,202</u>	<u>\$5,260,179</u>
Changes in net assets, per financial statements	\$ (806,660)	\$ 505,528
Deemed distributions of participant loans – annual	<u>1,683</u>	<u>(1,683)</u>
Net income (loss) per Form 5500	<u>\$ (804,977)</u>	<u>\$ 503,845</u>

NOTE H – TAX STATUS

Effective April 1, 2022, the Plan adopted a non-standardized defined contribution pre-approved plan of ADP, Inc. The pre-approved plan has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, accordingly, further believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. The Plan previously adopted a prototype standardized profit sharing plan of ADP, Inc., which had received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status.

The modified cash basis of accounting requires uncertain tax positions to be recognized in the financial statements if they are more than likely not to fail upon regulatory examination. The plan administrator evaluated the Plan's tax positions as of December 31, 2022 and 2021 and for the years then ended and determined that the Plan had no uncertain tax positions required to be reported in accordance with the modified cash basis of accounting. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

HH HOLDINGS INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE I – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and the Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE J – ADMINISTRATION OF PLAN ASSETS

The Plan is administered by the plan administrator. The plan administrator has overall responsibility for the operation and administration of the Plan and determines the appropriateness of the Plan's investments, monitors investment performance, and reports to the Company's president. Certain administrative functions are performed by officers or employees of the Company who receive no compensation from the Plan. Third party administrator expenses are paid by the Company. Administrative expenses, including recordkeeping fees are paid by the Plan.

NOTE K – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

NOTE L – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through October 4, 2023, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements.
