INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Bridgestone Metalphi U.S.A., Inc. 401(k) Plan
Clarksville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bridgestone Metalphi U.S.A., Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material aspects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGESTONE METALPHA U.S.A., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. Description of Plan

The following description of the Bridgestone Metalpha U.S.A., Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants may review the Plan Document for a more complete presentation of the Plan’s provisions. The Plan was adopted on October 1, 1995, by its sponsor, Bridgestone Metalpha U.S.A, Inc. (the “Company”).

General

The Plan is a defined contribution plan that provides retirement and other benefits for all non-union, non-expatriate employees of the Company. Employees who are age 18 or older are eligible to participate and may enroll on the first day of any pay period thereafter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

The Company controls and manages the operation and administration of the Plan. Fidelity Management Trust Company (“Fidelity”) serves as the record keeper and custodian of the Plan. The Company pays certain operating expenses incurred in the ongoing administration of the Plan.

Contributions

Participants in the Plan may elect to contribute through salary deferrals (i.e. payroll deductions) an amount not less than one percent or more than fifty percent of their earnings, as defined in the Plan Document. The maximum annual contribution for each participant (\$20,500 and \$19,500 for calendar years 2022 and 2021, respectively) may be adjusted annually for inflation by federal statute. Participants may elect to change their contribution percentage or cease salary deferrals into the Plan at any time.

Additional contributions, called “catch-up” contributions, are allowed for employees who are age 50 or older by the end of the calendar year in which the catch-up contributions are made. Qualifying participants can make the additional contributions (limited to \$6,500 for calendar years 2022 and 2021) once the participant’s regular contributions have reached the maximum annual deferral limit prescribed by federal statute. Catch-up contributions are included in the calculation of the Company’s matching contributions.

During 2022 and 2021, the Company made matching contributions to the Plan equal to 50% of the lesser of: (1) each participant’s total contributions to the Plan, or (2) 8% of the participant’s earnings. Company matching contributions are allocated to participants each pay period. Additionally, the Company has the option of making a discretionary contribution to the Plan each Plan year. The Company did not make a discretionary contribution for the first two quarters of 2021. The Company exercised the option to make quarterly discretionary contributions to the Plan of 2% and 1.5% of participant earnings for the third and fourth quarters, respectively, of the year ended December 31, 2021. The Company exercised the option to make quarterly discretionary contributions to the Plan of 2.5% for the first and second quarters of the year ended December 31, 2022.

BRIDGESTONE METALPHA U.S.A., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2022 AND 2021

1. Description of Plan (Cont'd)

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, the Company's matching contributions, allocations of the Company discretionary contributions, and an allocable portion of the Plan's net investment earnings. Participant accounts are charged with an allocable portion of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, including any rollovers, plus actual earnings thereon. Vesting in the remainder of the account is based on years of service, as follows:

<u>Years of Service</u>	<u>Vesting</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$11,144 and \$65, respectively. These accounts will be used to reduce future employer contributions. During the years ended December 31, 2022 and 2021, employer contributions were reduced by \$152,044 and \$104,985, respectively, from forfeited nonvested accounts.

Investment Options

All investments within the Plan are participant-directed. An investment election form is initially completed by each participant upon enrollment in the Plan. Participants may elect to invest their entire account, or any portion thereof, in one or more of the following investment options offered by Fidelity:

Collective Trust: One option that offers participants the opportunity to invest in stable value investment contracts and fixed income instruments.

Mutual Funds: Thirty options that offer participants the opportunity to invest in shares of specified mutual funds.

BRIDGESTONE METALPHA U.S.A., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2022 AND 2021

1. Description of Plan (Cont'd)

Distributions to Participants

Upon termination of service due to attainment of normal retirement age, death, or permanent disability (each as defined by the Plan), a participant may elect to receive the vested value of his or her account in a lump sum distribution or in participant-directed installments. Upon termination of employment for any reason other than retirement, death, or disability, the vested value of the participant's account will be paid in a lump sum distribution. Withdrawal of part or all of a participant's account may be authorized by the Plan administrator prior to termination of employment if the participant experiences a financial hardship, as defined by the Plan.

Notes Receivable from Participants

Participant loans are limited to the lesser of 50% of the vested portion of a participant's account balance or \$50,000, with the minimum amount of each loan being \$1,000. Loans are secured by the balance of the participant's account; bear interest at a commercially reasonable rate; and are repaid through payroll deductions over a period generally not to exceed five years, unless the loan is used to acquire a home at which time the loan term would be extended over a reasonable period of time.

Plan Termination

The Company expects the Plan to continue indefinitely. However, the Company retains the right under the Plan to discontinue Company contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of Plan termination, the participants shall become 100% vested in their accounts.

Date of Management's Review

Subsequent events have been evaluated through September 22, 2023, which is the date the financial statements were available to be issued.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with U.S. generally accepted accounting principles using the accrual method of accounting.

Plan Year End

The Plan year end is December 31.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. An allowance for uncollectible notes receivable from participants is generally considered unnecessary because the outstanding loan balances are collateralized by the vested portions of the respective participants' account balances.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies (Cont'd)

Payment of Benefits

Benefit payments to participants are recorded upon distribution. Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$0 at December 31, 2022 and 2021.

3. Related Party Transactions

All Plan investments are held as shares in mutual funds managed by Fidelity, the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fidelity Workplace Services, LLC serves as the third-party administrator of the Plan. Therefore, these transactions also qualify as party-in-interest transactions. Fees paid to the custodian and the third party administrator by the Plan were \$85,888 and \$83,291 for the years ended December 31, 2022 and 2021, respectively.

4. Investments and Related Information Certified by the Custodian

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's independent auditor did not perform any auditing procedures with respect to the information certified to as complete and accurate by Fidelity, custodian for the Plan, except for comparing such information to the related financial statements and supplemental schedule of assets (held at end of year). Accordingly, all information presented in the accompanying financial statements and supplemental schedule pertaining to investments held at December 31, 2022 and 2021, and investment income and net appreciation (depreciation) in fair value of investments for the Plan years then ended, was obtained from certifications by Fidelity, and is therefore unaudited.

5. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

BRIDGESTONE METALPHA U.S.A., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2022 AND 2021

5. Fair Value Measurements (Cont'd)

The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements:

Collective Investment Trust: The collective investment trust invests in a collective trust fund, as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair values of mutual funds are publicly quoted pricing inputs. The fair values of all these investments are used in determining the NAV of the collective investment trust, which is not publicly quoted. FASB ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a collective investment trust as long as certain requirements are met. It is the assessment of Principal, the custodian of the Plan, that the Plan's collective investment trust meets those requirements. FASB ASC 820 goes on to state that where NAV is allowed to be used as an estimate of fair value, if the reporting entity has the ability to redeem its investment at NAV as of the measurement date, that investment shall be categorized as a Level 2 fair value measurement. If the investment cannot be redeemed at the measurement date, but may be redeemable in the future, but at an uncertain date, the investment shall be categorized as a Level 3 fair value measurement. The Plan's collective investment trust can be redeemed at NAV as of the measurement date and, therefore, is categorized as a Level 2 fair value measurement. Unfunded commitments are not applicable to collective investment trusts. The redemption frequency (if currently eligible) for participant transactions (purchased and sales) is daily, and the redemption notice period is generally 30 days. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. Tax Status

The Internal Revenue Service has determined and informed the Plan administrator by a letter dated June 15, 2004 that the Plan was designed in accordance with the applicable regulations of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is no longer subject to federal, state and local income tax examinations by tax authorities for fiscal years ended before December 31, 2019.

BRIDGESTONE METALPHA U.S.A., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2022 AND 2021

6. Tax Status (Cont'd)

Plan participants are not subject to federal income taxes on contributions to their accounts or the related account earnings until they receive a distribution from the Plan. Distributions that are rolled over to another qualified retirement plan generally continue to be tax-deferred until ultimate distribution to the participant.

7. Risks and Uncertainties - Investments

Financial instruments that potentially subject the Plan to significant concentrations of credit risk consist principally of cash and mutual funds. The Plan places its cash with federally-insured financial institutions. The Plan's mutual funds include investments in securities, which are inherently exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying "Statement of Net Assets Available for Benefits."

8. Reconciliation of Financial Statements to Form 5500

The financial statement caption "Net assets available for benefits," presented on pages 5 and 6 of the accompanying financial statements, is synonymous with the caption "Net assets" presented in Part 1, Line 1l of Schedule H to Form 5500.

In accordance with the instructions to IRS Form 5500, investment income from registered investment companies is to be reported as a component of the "Net investment gain (loss)" for the reporting period. For financial reporting purposes, investment income from such investments is to be reported as a separate line item on the "Statement of Changes in Net Assets Available for Benefits."

To the Plan Administrator
Bridgestone Metalpha U.S.A., Inc. 401(k) Plan
Clarksville, Tennessee

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Bridgestone Metalpha U.S.A., Inc. 401(k) Plan (the “Plan”) as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiencies in the Plan’s internal control to be material weaknesses:

2022-001 (Recurring Finding) Management Oversight of Financial Reporting

Condition: The Plan lacks management oversight over the financial reporting processes for the preparation of the financial statements and footnote disclosures in conformity with generally accepted accounting principles (GAAP).

Criteria: Proper management oversight over financial reporting should include the preparation of the financial statements and footnote disclosures in conformity with GAAP.

Effect: The financial statements and footnote disclosures may not be in conformity with GAAP.

Recommendation: We recommend that management implement review procedures to ensure that the financial statements and footnote disclosures are prepared in conformity with GAAP.

Response: A cost-benefit analysis of the financial reporting process deemed it cost-prohibitive to obtain third-party assistance to prepare the financial statements and footnotes in accordance with GAAP prior to the independent audit. However, we believe that our knowledge and experience enables us to review the financial statements and footnotes and understand them fully. We take full responsibility for the financial statements and related notes.

The Plan's written response to the material weakness identified in our audit has not been subjected to the audit procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

This communication is intended solely for the information and use of the Plan administrator and is not intended to be and should not be used by anyone other than this specified party.
