## Independent Auditors' Report

To the Trustees and Those Charged with Governance  
New Hope Treatment Centers 401(k) Plan  
North Charleston, South Carolina

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of New Hope Treatment Centers 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of New Hope Treatment Centers 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Trust Company, LLC, the custodian as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by the custodian agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Hope Treatment Centers 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hope Treatment Centers 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Hope Treatment Centers 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hope Treatment Centers 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter—Supplemental Schedule Required by ERISA***

The supplemental Schedule H; Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental

schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **New Hope Treatment Centers 401(k) Plan**

## **Notes to Financial Statements**

---

### **1. Description of Plan**

The following description of New Hope Treatment Centers 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering substantially all employees of New Hope Treatment Centers, LLC, Carolina Choice, LLC, New Hope Carolinas II and New Hope Carolinas, Inc. (collectively known as "the Companies"). Union employees and employees who are non-resident aliens are not permitted to participate in the Plan. The Plan Sponsor is New Hope Treatment Centers, LLC. The Plan began on December 15, 1991 and is subject to the provisions of the Employee Retirement Income Act of 1974 ("ERISA").

The Plan was restated effective July 8, 2021 in accordance with the Cycle 3 restatement adoption period established by the Internal Revenue Service for preapproved plans. On December 7, 2022, the Plan was amended to conform to law changes governing hardship distributions. This amendment was retroactively effective to January 1, 2020 and removed the stipulation that participants had to stop making deferral contributions into the plan for six months after receiving a hardship distribution.

#### **Eligibility**

The Plan covers employees who are twenty-one or older and have completed 800 hours of service within a six-month period following date of hire or 1,000 hours of service in the plan year. Employees may enter the Plan on the first day of January or July that coincides with or next follows the date on which the eligibility requirements have been satisfied. Employees whose employment is governed by a collective bargaining agreement or who are nonresident aliens are not eligible to participate in the Plan.

#### **Contributions**

Each year, participants may contribute an elected amount of pretax annual compensation, as defined in the Plan. Additionally, participants may elect to make after-tax Roth contributions to the Plan. Participants who are age fifty or older by the end of the year are eligible to make an additional catch-up contribution to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan contains an automatic enrollment provision. Upon meeting the Plan's eligibility requirements, participants are automatically enrolled at an initial contribution rate of 4% of pretax eligible compensation. Subsequently, there is an annual automatic increase of 1% up to a maximum of 8% implemented on the first day of the Plan year.

The Company may provide a discretionary matching contribution and an additional non-elective contribution, which may be made on a discretionary basis, dependent on the Company's operating results at the option of the Companies' Board of Directors. The Company elected to make a discretionary profit sharing contribution in 2021 but elected not to make any discretionary contributions to the plan in 2022. Company contributions are invested according to the investment allocation elected by the participant. Contributions are subject to certain IRS limitations.

#### **Investment Options**

Upon enrollment in the Plan, a participant may direct the investment of contributions into various investment options offered by the Plan. Participants may change their investment options at any time. The plan currently offers various mutual funds and a money market fund as investment options for participants.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, Company contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocation of Company matching contribution is equal to a uniform percentage or dollar amount of the participant's elective deferrals each payroll period. Allocation of Company non-elective contributions are based on the participant's compensation as a percentage of total compensation of all participant's compensation eligible to share in the contribution. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Company discretionary match and non-elective contributions is based on a six-year graded vesting schedule.

| <u>Years of Service</u>                     | <u>Vesting<br/>Percentage</u> |
|---------------------------------------------|-------------------------------|
| Less than two years                         | 0%                            |
| More than two years, less than three years  | 20%                           |
| More than three years, less than four years | 40%                           |
| More than four years, less than five years  | 60%                           |
| More than five years, less than six years   | 80%                           |
| More than six years                         | 100%                          |

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. Each participant is allowed one loan required to be repaid within five years. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with the prime rate published in the Wall Street Journal on the first business date of the month the loan is originated. Principal and interest is paid ratably through payroll deductions.

#### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant (or participant's designated beneficiary in the event of death) may elect to receive a lump sum payment equal to the balance of the participant's vested account or receive installments of the participant's vested account balance over a period not to exceed the participant's life expectancy. Participants may also request hardship distributions for reasons specified in the Plan document. In-service withdrawals are also permitted for participants who have attained age 59 ½.

## **New Hope Treatment Centers 401(k) Plan**

### **Notes to Financial Statements**

---

If a participant's vested account balance does not exceed \$5,000 (including rollover contributions and earnings thereon), the Plan will automatically distribute the participant's vested account balance in a lump sum. If the participant's balance exceeds \$1,000 (including rollover contributions and earnings thereon) and the participant does not elect to receive or rollover the distribution, the Plan automatically rolls over the distribution into an IRA.

#### **Forfeitures**

Forfeiture amounts may be used to pay plan expense or to reduce the Company discretionary match/or non-elective contributions. Forfeitures generated totaled \$4,568 and \$3,050 in 2022 and 2021, respectively. Forfeitures were not utilized to reduce employer contributions or offset plan expenses during either plan year. Forfeitures remaining at December 31, 2022 and 2021, totaled \$17,104 and \$12,286, respectively.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Subsequent Events**

Plan management has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for a discussion of fair market measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold, as well as held during the year.

### Notes to Financial Statements

---

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in the fair value of investments.

### **3. Investment Information Certified by Custodian (Unaudited)**

The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2022 and 2021 and for the year ended December 31, 2022 that was obtained from data prepared and certified to be complete and accurate by Empower Trust Company, LLC, the custodian. Empower Trust Company, LLC holds the Plan's investment assets at year-end and executed investment transactions for the year.

### **4. Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

## New Hope Treatment Centers 401(k) Plan

### Notes to Financial Statements

---

#### Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Money market funds:* Valued at \$1 per share or cash value.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no investment assets held by the Plan that were classified as Level 3 as of December 31, 2022 and 2021.

#### 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes, could materially affect the amounts reported in the individual participant account statements and the statement of net assets available for benefits.

#### 6. Related Party Transactions and Party in Interest Transactions

Empower Trust Company, LLC ("Empower") serves as custodian of the Plan's assets. Empower is the recordkeeper, as defined by the Plan and, therefore, the fees paid to Empower for these services qualify as party-in-interest transactions. For the plan years ended December 31, 2022 and 2021, the Plan fees related to recordkeeping services were \$31,313 and \$29,901, respectively.

The Company pays directly any other fees related to the Plan's operations. Additionally, the Company personnel provide certain administrative services to the Plan for which no fees are charged.

### 7. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### 8. Income Tax Status

The Plan is a prototype plan offered by Empower Retirement, LLC. The prototype plan has received an opinion letter from the IRS dated November 14, 2022, whereby the IRS stated that the prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). While the Plan cannot rely on the prototype's opinion letter, the Plan administrator believes that the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for years prior to 2019.

### 9. Concentration of Credit Risk

At December 31, 2022 and 2021, respectively, 89.4% and 90.4% of the Plan's investment holdings were in BlackRock Funds. Such investments are subject to credit and market risk associated with (1) the credit worthiness of the investment management company, (2) the credit worthiness of underlying issuers, and (3) fluctuations in market value inherent with changes in economic conditions.

### 10. Form 5500 Reconciliation

The financial statements have been prepared on the accrual basis of accounting. As such, they include the accrual of contributions receivable at year end that is presented in the Form 5500 filing in the year funded to the Plan. The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets available for benefits per the Form 5500 at December 31, 2022.
