INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Alexander & Associates Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **ALEXANDER & ASSOCIATES PROFIT SHARING AND 401(k) PLAN** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Alexander & Associates Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alexander & Associates Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alexander & Associates Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alexander & Associates Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alexander & Associates Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021**

NOTE A - DESCRIPTION OF PLAN

The following description of the Alexander & Associates (the Company) Profit Sharing and 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all full-time employees of the Company who are twenty-one years old or older. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

2. Contributions

Employees are eligible to make elective deferral contributions and to receive matching contributions on the first day of each plan quarter, coinciding with or following the date they first perform an hour of service as an eligible employee. Each year, participants may contribute up to 100 percent of pretax annual compensation until certain plan limits are met, as defined in the Plan. Participants are eligible for profit sharing contributions after completion of one year of service. The Company matches 100% of deferrals up to 1% of eligible compensation plus 50% of deferrals over 1%, but not exceeding 6% of compensation. Absent an affirmative deferral election, all new plan participants automatically have 6% of eligible compensation withheld and contributed to the plan. Additional profit sharing amounts may be contributed on behalf of the participants at the option of the Company's board of directors. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common/collective trust fund as investment options to participants. Contributions are subject to certain limitations.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and profit sharing contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or a fixed formula related to compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contributions is based on years of continuous service. The Plan was amended, effective January 1, 2007, so that the company's profit sharing contribution is 100 percent vested after three years of credited service.

NOTE A - DESCRIPTION OF PLAN (continued)

5. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. In 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). A CARES Act distribution allows the Plan's participants to receive a COVID-19 pandemic related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

6. Forfeited Amounts

At December 2022, there were no forfeited nonvested account balances. At December 31, 2021, forfeited nonvested account balances totaled \$3,085. These balances can be reallocated to participants as employer contributions, or used to offset plan administrative expenses. Forfeitures reallocated to participants and used for plan expenses in 2022 and 2021 totaled \$6,805 and \$1,762, respectively.

7. Participant Loans

Plan participants may apply for a loan. The loan may not exceed 100% of the participant's vested account balance and the maximum dollar amount of the loan outstanding to any participant may not exceed \$100,000. Plan provisions require that loans must be evidenced by a signed promissory note and bear interest at 1% over the prime rate. The term of the loan may not exceed five years. Loan payments of principal and interest must be made through payroll deductions, provided that the Plan Administrator may allow payment by other means for prepayment in full. Participants on authorized leave of absence, as determined by the Plan Administrator, can request suspension of loan repayments. In 2020, the plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loans outstanding from March 27, 2020 to December 31, 2020 to defer repayments of those loans for up to one year.

8. Subsequent Events

Subsequent events have been evaluated through October 6, 2023, which is the date the financial statements were available to be issued.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (Note H), with the exception of its investment in a collective investment fund, which is discussed separately below. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

The Plan invests in the Galliard Stable Return Fund C (formerly the Wells Fargo Stable Return Fund C), a collective investment fund. The Galliard Stable Return Fund C invests in investment contracts issued by insurance companies and other institutions. The Plan's investment in the Galliard Stable Return Fund C is included in the statement of net assets available for benefits at net asset value (NAV). NAV represents contributions made to the Galliard Stable Return Fund C, plus earnings, less participant withdrawals and administrative expenses. NAV is reported to the Plan by the trustee. The gross crediting interest rate for the Galliard Stable Return Fund C (previously the Wells Fargo Stable Return Fund C) was 4.95% and 1.30% for the years ended December 31, 2022 and 2021, respectively.

4. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of the Plan are paid by the Company.

ALEXANDER & ASSOCIATES
PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE C – PARTY IN INTEREST AND RELATED PARTY TRANSACTIONS

In 2022 and 2021, certain Plan investments were shares of mutual funds managed by Charles Schwab. Charles Schwab Trust Bank (Schwab) is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Pension Corporation of America (PCA) is the Plan's administrator. PCA Investment Advisory Services (PIAS) is the Plan's investment advisor. The Company, Schwab, PCA and PIAS are parties-in-interest to the Plan. Notes receivable from participants are also considered party-in-interest transactions.

NOTE D - ADMINISTRATION OF PLAN ASSETS

Company contributions are held and managed by the trustee, who invests cash received, interest and dividend income and makes distributions to participants. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE F - TAX STATUS

The Trust established under the Plan is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has been provided an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan adopted by the Plan sponsor, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related Trust was tax-exempt as of the financial statement date.

NOTE G – INFORMATION CERTIFIED BY THE TRUSTEE

All information disclosed in the accompanying financial statements, notes and supplemental schedule related to the Plan's investment assets at December 31, 2022 and 2021, and the related net dividend, interest and other income, and the related net appreciation (depreciation) in fair value of investments for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Schwab.

NOTE H – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The following is a description of the valuation methods used for assets measured at fair value:

Mutual Funds – The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year-end.

Collective Investment Fund – The Galliard Stable Return Fund C (formerly Wells Fargo Stable Value Fund C) is valued based on the reported NAV. The NAV is used as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value and the Plan's investments measured at NAV as of December 31, 2022 and 2021:

	Fair Value Measurements at Reporting Date Using:

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.
