## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Brosz Engineering, Inc 401(k) Profit Sharing Plan  
Bowman, North Dakota

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of **BROSZ ENGINEERING, INC 401(k) PROFIT SHARING PLAN** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other internal control-related matters that we identified during the audit.

Brosz Engineering, Inc 401(k) Profit Sharing Plan

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BROSZ ENGINEERING, INC 401(k) PROFIT SHARING PLAN**

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021**

#### **(1) Summary of Significant Accounting Policies**

##### **Nature of Business of Plan Sponsor**

Brosz Engineering, Inc. (the Company) is a corporation engaged in providing engineering and survey services. The Company's business activities are conducted in southwestern North Dakota, South Dakota and southeastern Montana. The Company's offices are located in Watford City, Bowman, and Stanley, North Dakota; Pierre, Sioux Falls, Mitchell, and Sturgis, South Dakota.

##### **Method of Accounting**

The financial statements of Brosz Engineering, Inc 401(k) Profit Sharing Plan (the Plan) are prepared using the accrual method of accounting.

##### **Use of Estimates and Basis of Accounting**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from those estimates.

##### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value on a recurring basis, as determined by Mid Atlantic Trust Company (the Trustee) (Notes 4 and 7). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of mutual funds are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Risks and Uncertainties**

The Plan provides for various investment options. Investments are exposed to various risks, such as interest, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

##### **Net Change in Fair Market Value of Investments**

The net depreciation in the fair market value of investments is composed of the realized gains and losses in investments that were sold or otherwise disposed of during the year and the unrealized gains and losses in investments held at the end of the year.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Reclassifications**

Certain items in the 2021 financial statements have been reclassified to conform to the 2022 presentation with no effect on previously reported net assets.

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021**

#### **(2) Description of the Plan**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan originated on January 1, 1989. The Plan was most recently restated on January 1, 2021.

#### **General and Eligibility**

The Plan is a standardized defined-contribution plan covering all employees of the Company. To be eligible for the Plan, including employer matching contributions, an employee must obtain the age of 21 and worked 3 months of service for the Company. Plan entry is offered monthly. To be eligible for employer discretionary profit sharing contributions, an employee must have completed 1,000 hours of service in the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

Each year, participants may contribute up to certain limits as established by the Internal Revenue Service and Plan Administrator. The Plan provides for safe harbor matching contributions by the Company of 100 percent of the first 3 percent of each participant's contributions and 50 percent of contributions that exceed 3 percent but do not exceed 4 percent. The Company can also provide a discretionary profit sharing contribution which is determined annually. The discretionary contribution was equal to 6 percent of qualifying employee wages for 2022 and 2021 and totaled **\$553,210** and **\$513,973**, for the years ended December 31, 2022, and 2021, respectively.

The Plan allows Roth elective deferrals. Contributions to Roth 401(k) accounts are made on an after-tax basis and contributions to a Roth 401(k) account are included in the participant's gross income. Future distributions of Roth elected contributions and earnings thereon will not be taxed, if certain criteria are met. Roth elective deferrals to the Plan are permanently designated as Roth elective deferrals in participant accounts. The participants' Roth deferrals and gains and losses attributable to such deferrals are accounted for separately.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, Plan earnings or losses, and administrative expenses. Profit sharing contributions are allocated based on eligible wages of the participant as a percent of total eligible wages. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Company's profit-sharing contributions plus actual earnings (losses) thereon is based on years of credited service. A participant becomes 20 percent vested after two years of credited service, as defined, and continues to vest at the rate of 20 percent for each successive year of service until 100 percent vested after six years of credited service, or if less than six years, upon reaching normal retirement age, total disability, death, or upon termination of the plan. A participant must complete at least 1,000 hours of service during a vesting computation period to receive credit for a year of service.

#### **Investment Options**

Upon enrollment in the Plan, a participant may direct employee and employer contributions into the investment funds as listed on the Schedule of Assets Held at Year End. Participants may change the investment allocation on a daily basis.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**(2) Description of the Plan**

**Participant Loans**

Participants may not borrow from their Plan accounts.

**Administrative Expenses**

Recordkeeping fees are paid by the Plan. Other administrative expenses are paid by the Company. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Vested benefits less than \$1,000 are distributed as soon as administratively feasible after the participant's termination of employment. Vested benefits greater than \$1,000 but less than \$5,000 are rolled over to an individual retirement account.

**Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested accounts totaled **\$33,385** and \$7,113, respectively. The Plan uses forfeitures to reduce employer contributions. No forfeitures were used to reduce employer contributions during the year ended December 31, 2022.

**Subsequent Events**

The Plan has evaluated subsequent events through September 25, 2023, the date which the financial statements were available for issue.

**(3) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**(4) Investments -- Information Certified by Trustee**

The Plan's investments are held by Mid Atlantic Trust Company (the Trustee), who performs all accounting functions associated with the Plan's investments.

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator has received certification from the Trustees as to the accuracy and completeness of certain financial information of the Plan. Information contained in the following has been certified by the Trustees:

Statements of Net Assets Available for Benefits (except Employer Contribution Receivable)  
Statement of Changes in Net Assets Available for Benefits (except for Contributions, Benefits Paid to  
Participants, and Administrative Expenses)  
Supplemental Schedule of Assets Held at Year End

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**(5) Income Tax Status**

A determination letter was obtained for the prototype plan document, in which the Internal Revenue Service stated that the Plan document, as then designed, was in compliance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(6) Participant Withdrawals**

Vested, undistributed account balances of separated Plan participants total approximately **\$2,793,000** and **\$3,191,000** at December 31, 2022 and 2021, respectively.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**(7) Fair Value Measurement**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level One: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level Two: Inputs include
  1. quoted prices for similar assets or liabilities in active markets;
  2. quoted prices for identical or similar assets or liabilities in inactive markets;
  3. inputs other than quoted prices that are observable for the asset or liability;
  4. inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level Three: Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following tables present the assets carried at fair value as of December 31, 2022 and 2021, in the accompanying Statements of Net Assets Available for Benefits by fair value hierarchy, as described above. All assets are measured on a recurring basis.

\*In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds / ETFs:* Mutual funds and electronically traded funds (ETFs) are valued at the daily closing price as reported by the fund. Mutual funds and ETFs held by the Plan are open-end and registered with the Securities and Exchange Commission. These funds are required to publish their value and to transact at that price and are deemed to be actively traded.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**(7) Fair Value Measurement**

*Collective Investment Trusts:* Funds that are composed primarily of underlying investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common/collective trust fund, the issuer reserves the right to require 12 months' notification in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively:

| <b>December 31, 2022:</b> | <b>Fair Value</b> | <b>Unfunded<br/>Commitments</b> | <b>Redemption<br/>Frequency (If<br/>Currently<br/>Eligible)</b> | <b>Redemption<br/>Notice Period</b> |

**(8) Related-Party Transactions and Party in Interest Transactions**

Fees for legal and professional services rendered to the Plan may be paid by the Company at its discretion. Certain Plan investments are shares of ETF funds managed by the recordkeeper, Cambridge Investment Research Advisors Inc.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
