INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Essex Group, Incorporated 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan originally effective January 1, 1998. The Plan has been amended throughout the years to comply with tax legislation and most recently amended and restated as of January 1, 2016. The Plan covers all eligible employees of Essex Group Management Corporation and related employers (collectively known as the “Company”). The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended. The plan administrator is in charge of managing the Plan and making decisions on the investment policies of the Plan.

ELIGIBILITY

Employees are eligible to participate in the Plan at age 21. The employee enters the Plan on the first day of the next payroll period after the completion of the eligibility requirement. To receive a Company matching contribution, a participant must be contributing to the Plan.

CONTRIBUTIONS

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (“IRC”). Eligible participants are permitted to elect to have a dollar amount or percentage, up to 100%, of their compensation contributed as pre-tax 401(k) contributions to the Plan, subject to IRC limitations of \$20,500. Participants age 50 or older are allowed to make catch-up contributions, subject to IRC limitations of \$6,500. Participants are also permitted to make voluntary after-tax contributions up to 10% of their compensation.

The Company may, at its discretion, elect to make a qualified matching contribution or profit sharing contribution to the Plan. There were no company matching or profit sharing contributions for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs (rollovers). Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a stable value trust fund as investment options for participants.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit sharing contribution, and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the vested benefit that can be provided by the participant's account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after three years of credited service. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The Plan allows participants to borrow funds from the Plan based on certain conditions. Notes are repaid through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

The Plan adopted the loan provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES Act") that was signed into law on March 27, 2020. For loans processed March 27, 2020 through September 23, 2020, the CARES Act provides an increase in the maximum loan amount available to a Participant to an amount equal to the lesser of the present value of participant's vested account or \$100,000. It also allows qualified Plan participants who have Plan loan repayments due from March 27, 2020 through December 31, 2020 to defer such repayments due during that period until January 2021.

BENEFIT PAYMENTS

Upon termination of service, death, disability, or retirement (age 65), the participant will receive the value of the vested interest in his or her account in the form of a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. The Plan adopted the distribution provision of CARES Act that allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan until December 31, 2021. As of December 31, 2021, the Plan has not been formally amended to include CARES Act provisions, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

FORFEITED ACCOUNTS

Forfeited non-vested accounts are used to reduce future Company contributions or Plan expenses. Forfeited non-vested accounts as of December 31, 2022 and 2021 totaled \$292 and \$808, respectively. There were no forfeitures used to pay Plan expenses for the year ended December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting ("GAAP").

401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

BENEFIT PAYMENTS

Benefit payments are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 10, 2023, the date the financial statements were available to be issued. There were no events requiring recognition or disclosure in the financial statements identified except as described below.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - TRUSTEE CERTIFICATION OF INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Hand Benefits & Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE OF INVESTMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three Levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that management has the ability to access.

401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include: a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end.

Investments in the stable value trust are valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 4 - FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			Total
	Level 1	Level 2	Level 3	
Investments measured at fair value				
Mutual Funds	<u>\$ 3,219,800</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 3,219,800</u>
Investments measured at net asset value				
Stable Value Trust (a)				<u>343,102</u>
Total Investments	<u>\$ 3,219,800</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 3,562,902</u>
	2021			Total
	Level 1	Level 2	Level 3	
Investments measured at fair value				
Mutual Funds	<u>\$ 3,930,237</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 3,930,237</u>
Investments measured at net asset value				
Stable Value Trust (a)				<u>314,765</u>
Total Investments	<u>\$ 3,930,237</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 4,245,002</u>

(a) In accordance with accounting standards codification subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE OF INVESTMENTS (CONTINUED)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

There were no transfers between Levels of investments during the years ended December 31, 2022 and 2021.

NOTE 5 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment of securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of Plan termination, the participants will become 100% vested in their account balances.

NOTE 7 - PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the Internal Revenue Service ("IRS") on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**AS OF DECEMBER 31, 2022 AND 2021 AND

NOTE 7 - PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan did not have uncertain tax positions as of December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Benefit Plans Administrative Services, Inc. and Hand Benefits & Trust Company provide recordkeeping and investment services for the Plan and are considered parties-in-interest to the Plan. The Plan paid fees to these parties-in-interest in the amount of \$13,652 for 2022. The Plan also pays fees to Key Consulting, independent plan consultant not affiliated with either Hand Benefits & Trust Company or Benefit Plan Administrative Services, Inc., for routine investment advice and education for Plan participants. Fees paid to Key Consulting amounted to \$28,392 for 2022.

The Plan extends loans to participants, who are also considered parties-in-interest.
