Independent Auditor's Report

Qualico Steel Company, Inc.
401(k) Profit Sharing Plan
Webb, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed audits of the financial statements of Qualico Steel Company, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available as of December 31, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for and for the year ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

The financial statements of the Plan as of December 31, 2021, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2022, indicated that a) they did not express an opinion on the financial statements because the Plan did not have sufficient accounting records and supporting documents relating to certain information. Accordingly, they were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions and b) they did not express an opinion on the supplemental schedule (schedule H, line 4i - schedule of assets (held at end of year)).

401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Plan Description

The following description of the Qualico Steel Company, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Qualico Steel Company, Inc. (the Sponsor) is the Plan Sponsor. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of the Sponsor and its affiliate, Webb Aviation, who have one year of service and are age 18 or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Employer contributions - As of January 1, 2022, the Plan was restated to be a Safe Harbor Plan. The Sponsor makes a matching contribution equal to 100% of the participant's elective deferrals less than or equal to 3% of the participant's compensation and 50% of the participants elective deferrals that exceed 3% but that are less than are equal to 5% of the participant's compensation. In addition, a profit sharing contribution is available to those participants that meet the qualification for the safe harbor matching contribution and who are employed on the last day of the year. For the year ended December 31, 2021, the Sponsor made a matching contribution equal to the lesser of 1.5% of the participant's eligible base compensation or 50% of the participant's elective deferrals that were less than or equal to 3% of the participant's compensation. In addition, a profit sharing contributions was available to those who were employed on the last day of the year. The profit sharing contribution was \$400,000 and \$300,000 for the years ending December 31, 2022 and 2021, respectively.

Participant contributions - Participants are automatically enrolled at an automatic elective deferral percentage of 3%. Participants who have attained the age of 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also make Roth contributions to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Sponsor's contributions, (b) Plan earnings (losses), and (c) forfeitures of terminated participant's nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Participants are 100% vested after six years of credited service.

Notes receivable from participants - A participant may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, with a minimum loan amount of \$1,000. The interest rate is based on 1% plus the prime interest rate and is fixed over the life of the note. The interest rate on outstanding loans ranged from 4.25% to 7.25% at December 31, 2022 and 2021. A participant may have two loans outstanding at any given time. Outstanding loans are collateralized by the participant's account.

Notes receivable from participants are issued directly from a participant's account. Repayments on the notes are made through payroll deduction. Generally, participants must repay loans within five years, unless the loan is used to purchase a primary residence. At December 31, 2022 and 2021, there were \$560,205 and \$529,426 in outstanding notes receivable from participants, respectively.

Qualico Steel Company, Inc.
401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Payment of benefits - Upon discontinuance of service due to termination of employment, normal retirement (age 65), required minimum distributions, rollover contributions, or qualified reservist distribution. Cashout level for terminated participants is \$5,000. Terminated participants with account balances of \$1,000 or less will be involuntary cashed out. Balances between \$1,000 and \$5,000 are rolled over into an IRA established retirement account established on behalf of the employee. The normal form of payment of benefits is a lump sum; however, non-recurring partial payments are allowed. The Plan does not allow for hardship distributions.

Forfeited accounts - Forfeitures are to be applied to pay Plan administrative expenses. Any remaining forfeitures are to be allocated to participants in a manner in accordance with the adoption agreement. At December 31, 2022, there was no forfeited nonvested accounts. At December 31 2021, there was \$40,342 in forfeited nonvested accounts. For the year ended December 31, 2022 and 2021, \$43,884 and \$4,031, respectively, were used to pay Plan administrative expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loan is reclassified as a benefit payment to the participant when a distributable event, as defined in the Plan document, occurs.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees for the administration of notes receivable from participants are included in administrative fees and charged directly the participants account. Investment related expenses are included in the net appreciation (depreciation) of fair value on investments.

Note 3 - Certified Investments

The following is a summary of certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, as of December 31, 2022 and 2021, that was obtained by management and agreed to or derived from information certified as complete and accurate, to the best of their knowledge and belief, by Ascensus as agent for Ascensus Trust Company, (the Trustee of the Plan):

Investments	2022	2021
Mutual funds	\$ 6,327,006	\$ 7,314,056
Money market funds	3,458,172	3,292,830
Total investments	<u>\$ 9,785,178</u>	<u>\$ 10,606,886</u>
Notes receivable from participants	<u>\$ 560,205</u>	<u>\$ 529,426</u>

The Trustee also certified to the completeness and accuracy of \$1,593,383 of net depreciation and \$835,178 of net appreciation, \$167,350 and \$82,065 of interest and dividend income, and \$26,726 and \$28,404 of interest income on notes receivable from participants related to the aforementioned investments for the years ended December 31, 2022 and 2021, respectively.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included with Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements
December 31, 2022 and 2021**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money market funds and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that significant to the fair value measurement.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,327,006			\$ 6,327,006
Money market funds	3,458,172			3,458,172
Total investments at fair value	9,785,178			9,785,178
Investments at fair value	\$ 9,785,178	\$ -	\$ -	\$ 9,785,178

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,314,056			\$ 7,314,056
Money market funds	3,292,830			3,292,830
Total investments at fair value	10,606,886			10,606,886
Investments at fair value	\$ 10,606,886	\$ -	\$ -	\$ 10,606,886

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 6 - Tax Status

The Plan adopted a nonstandardized form of a pre-approved plan sponsored by Ascensus. The pre-approved plan has received an opinion letter from the IRS dated June 30, 2020, as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 - Related Party Transactions

Administrative fees paid by the Plan to the Trustee, amounted to \$59,089 and \$10,647 for the years ended December 31, 2022 and 2021. Fees paid by the Plan for investment services are included in net appreciation (depreciation) in fair value of investments. These transactions qualify as party-in-interest. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2022, have been incorporated in these financial statements.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2022:

Benefits paid to participants per the financial statements	\$ 288,607
