Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Western Management, Inc. Profit Sharing & 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Western Management, Inc. Profit Sharing & 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 9, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule relates to assets

held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

WESTERN MANAGEMENT, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Western Management, Inc. Profit Sharing & 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Conrad’s Tire Service, Inc., Xpress Tire & Auto Supply, Inc., Conrad’s LaserWash Company, Inc., Western Management, Inc., S&H Industries, Inc., and Elyria Spring and Specialty, Inc. (the “Companies”) who have completed one year of service (defined as working a minimum of 1,000 hours in a year) and attained the age of 21 within the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants may make pre-tax contributions in 1% increments of their compensation as defined by the Plan or a flat dollar amount per pay period up to the maximum amount set by the law. Employees who become eligible to participate but do not enroll or opt out of the Plan are automatically enrolled to defer 3% of their compensation as defined by the Plan on a pre-tax basis. The Plan allows for catch-up contributions for participants who attain the age 50 before year end. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Companies may make discretionary employer matching contributions and profit sharing contributions. During the year ended December 31, 2022, the Companies made discretionary matching contributions of 50% of participants’ contributions up to 8.00% of compensation for participants who were employees of Conrad’s Tire Service, Inc., Xpress Tire & Auto Supply, Inc., and Conrad’s LaserWash Company, Inc.; up to 6.00% of compensation for participants who were employees of Western Management, Inc.; up to 4.50% of compensation for participants who were employees of Elyria Spring and Specialty, Inc.; and up to 4.00% of compensation for participants who were employees of S&H Industries, Inc. The Companies made discretionary profit sharing contributions of \$125,464 and \$99,822 for the years ended December 31, 2022 and 2021, respectively. The Companies used forfeitures of \$42,084 and \$67,893 to offset the discretionary profit sharing contributions for the years ended December 31, 2022 and 2021, respectively.

Effective January 1, 2023 the Companies updated the discretionary matching contributions to 50% of participants’ contributions up to 7.50% of compensation for participants who were employees of Conrad’s Tire Service, Inc., Xpress Tire & Auto Supply, Inc., and Conrad’s LaserWash Company, Inc.; up to 5.00% of compensation for participants who were employees of Elyria Spring and Specialty, Inc.; and up to 4.50% of compensation for participants who were employees of S&H Industries, Inc.

Vesting

Each participant has a 100% non-forfeitable vested interest in his or her elective deferral contributions. Vesting in the participant’s share of the Companies’ matching and profit sharing contributions is based on years of continuous service according to a six year graduated scale. The participant will be 20% vested after two years of service and will vest an additional 20% for each year thereafter. A participant is 100% vested after six years of credited service or in the event of death, disability, or retirement.

WESTERN MANAGEMENT, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Participant Accounts

Each participant's account is increased, or decreased as appropriate, with (a) the participant's contribution, (b) the Company's matching and discretionary profit sharing contributions, (c) net investment earnings based on the participant's account balance and composition, (d) administrative expenses, (e) loan disbursements and repayments, and (f) distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expense

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Notes Receivable from Participants

Subject to certain limitations, the Plan permits loans to participants. The minimum loan amount is \$1,000. The maximum amount a participant may borrow is the lesser of (1) one-half of a participant's vested balance or (2) \$50,000. Participants may borrow from the value of their balances invested in any of the various investment funds at their discretion. The interest rate on the loans is equal to 1% plus the Prime lending rate at loan origination date. The terms of the loans are 1-5 years. A loan term may extend beyond 5 years if the loan is used for the purchase of a primary residence. Principal and interest are paid bi-weekly and monthly through payroll deductions.

Allocation of Forfeitures

The Companies have the option to use forfeited non-vested accounts to reduce employer discretionary contributions or to reallocate these funds to participants in the same manner as the Companies' profit sharing contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$30,084 and \$68,306, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Empower Trust Company, LLC ("Trustee") would value the trust and the shares of all participants as of the termination date and would distribute, as soon as possible, the balance of the accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

WESTERN MANAGEMENT, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and a common collective trust are stated at fair value at December 31, 2022 and 2021. The Plan also has entered into a fully benefit-responsive contract with Great West Life Insurance Company. Information for this is summarized in Note 5.

Investment income consists of interest and dividend income and participant loan interest. The net depreciation in the fair value of investments consists of realized gains or losses and the unrealized depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the basic financial statements and related notes to the financial statements. Actual results could differ from those estimates. The Plan utilizes various investment instruments, including mutual funds and a common collective trust. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Uncertain Tax Positions

Under the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), Plan management is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2022 and 2021 and for the year ended December 31, 2022, Plan management has identified no uncertain tax positions.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued. See Note 1.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary, which has been prepared or derived from information prepared by the Trustee and is included in the financial statements. This information has been certified by the Trustee to be complete and accurate as of and for the years ended December 31:

	2022	2021
Investments, at fair value	\$ 13,549,905	\$ 19,169,420
Fully benefit responsive investment contract, at contract value	\$ 1,007,648	\$ 981,224

Interest on notes receivable from participants	\$ 15,100	N/A
Net depreciation in fair value of investments	\$ (3,984,154)	N/A

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are participant-directed accounts that are held by the Trustee.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.
- Common collective trust: Value at the NAV of the underlying investments held by the funds. NAV is used as a practical expedient to estimate fair value.

The method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth investments which are measured using the NAV per share practical expedient as of December 31:

	2021	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trusts	\$ 129,980	None	Daily	None	Daily

The Plan has an investment in Reliance MetLife Stable Value Fund (the Fund), which is a common/collective trust fund. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the Fund to noncompeting investment. The Fund requires a 60-day advance notice in the case of a full or partial withdrawal of Plan assets from the Fund due to actions directed by the Companies.

WESTERN MANAGEMENT, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan has a traditional fully benefit-responsive stable value investment contract with Empower Annuity Insurance Company of America with a balance of \$1,007,648 and \$981,224 at December 31, 2022 and 2021, respectively. Empower maintains the contributions in a general account. The account is credited with interest and charged for participant withdrawals and administrative expenses. Empower is contractually obligated to repay the principal and interest credited to participants. The crediting rate is reviewed on a semi-annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its financial obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower, such as partial or complete contract termination by the Plan. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

NOTE 6 – TAX STATUS

The Plan adopted a profit sharing plan with cash or deferred arrangement, and obtained its determination letter as on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Company is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
