INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
Bunzl USA, LLC Deferred Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bunzl USA, LLC Deferred Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BUNZL USA, LLC DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Bunzl USA, LLC Deferred Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan was adopted under the provisions of Section 401(a) of the Internal Revenue Code (the Code) with cash or deferred arrangement qualified under Section 401(k) of the Code. Bunzl USA, LLC (the Company) serves as plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Vanguard Fiduciary Trust Company (Vanguard) serves as the Plan's custodian, trustee and recordkeeper.

The Plan is governed by the Company's Retirement Plan Committee (Committee), which consists of members of management of the Company. The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective January 1, 2022, the Plan was restated in its entirety to comply with and incorporate changes in laws and regulations that have taken effect since the last restatement.

The Plan was amended to provide for the mergers of the Liberty Glove, Inc. 401(k) Profit Sharing Plan into the Plan, effective March 31, 2022, and the Joshen Paper Packaging Company 401(k) Profit Sharing Plan into the Plan, effective October 31, 2022.

Effective March 31, 2022, the Liberty Glove, Inc. 401(k) Profit Sharing Plan was merged into the Plan and net assets of \$6,175,154 was transferred into the Plan. Effective October 31, 2022, the Joshen Paper Packaging Company 401(k) Profit Sharing Plan and Trust was merged into the Plan and net assets of \$18,273,685 was transferred into the Plan.

Participant Contributions

An eligible employee who participates in the Plan may make basic pre-tax contributions to the Plan through payroll deductions of any percentage between 2% and 50% (16% for highly compensated employees, as defined) of their earnings. Participants do not complete enrollment forms. New participants hired are required to contact Vanguard Participant Services within one month from the date of hire otherwise the participant will be enrolled in the Plan at 6% with contributions beginning on the first eligible pay date following one calendar month of employment. The contribution will automatically increase 1% per year each January up to a maximum of 10%, unless the participant opts out of the automatic increase.

The maximum pre-tax contribution a participant could make was \$20,500 for the year ended December 31, 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Company Contributions

Matching contributions are made by the Company in an amount equal to 75% of each participant's basic pre-tax contribution, not to exceed 6% of their eligible earnings. In addition, the Company may make Retirement Savings Benefit (RSB) contributions for certain eligible employees as defined in the Plan document. Contributions are subject to certain Code limitations.

Participant Investment Account Options

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers ten mutual funds and fifteen common collective trusts as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution, the appropriate amount of the Company's contributions and Plan earnings, net of expenses, on those contributions. Allocations are based on participant earnings or account balances, as defined. Participants pay a participant fee of \$48 annually after the first year of employment. This fee is automatically deducted from the participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$913,836 and \$525,104, respectively. These accounts will be used to reduce future employer contributions. Also, for the year ended December 31, 2022, employer contributions were reduced by \$1,846,711 from forfeited nonvested accounts.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Employer contributions and the income thereon are vested according to the following schedule, as defined in the Plan document:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

Employees who were hired before 2003, and certain employees who were participants in plans which merged into the Plan, may have different vesting schedules as defined in the Plan Document. The Company contributions and the income thereon vest immediately in the event of death, permanent disability, normal retirement or the attainment of age 65, whichever is the earliest.

Withdrawals

During employment, a participant may make withdrawals of amounts applicable to their participant contributions, including rollovers, and income thereon, subject to certain restrictions as defined in the Plan document. A participant cannot withdraw Company contributions while employed until attainment of age 65.

In addition, the Plan permits hardship withdrawals limited to participant pre-tax contributions.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant will receive a lump-sum distribution equal to the participant's vested account balance if the participant's vested account balance is \$1,000 or less. If the participant's account balance exceeds \$1,000, and the participant has not attained the normal retirement age, the participant and/or their representative must consent before any portion of such account may be distributed.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 3 for discussion of fair value measurements.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Loans are not permitted by the Plan. Loans outstanding are from acquired plans that were merged into the Plan. Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, except certain expenses paid by the Company, are paid by the Plan and included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

Subsequent events were evaluated through September 25, 2023, the date the financial statements were available to be issued.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

BUNZL USA, LLC DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3 — FAIR VALUE MEASUREMENTS (Continued)

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund, which is quoted net asset value (NAV) of shares.

Common/collective trusts: Valued at the NAV of units of the fund, which is based on the estimated market value of the underlying investments less its liabilities. The stable value common/collective trust invests in a fund in which the underlying assets consist primarily of fully benefit-responsive investment contracts. The fund is valued at NAV, the practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 414,968,312	\$ -	\$ -	\$ 414,968,312
Common/Collective				
Trusts	-	237,915,263	-	237,915,263
	<u>\$ 414,968,312</u>	<u>\$ 237,915,263</u>	<u>\$ -</u>	652,883,575
Investments				
Measured at NAV*				<u>70,564,406</u>
				<u>\$ 723,447,981</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Investments

				<u>\$ 835,053,373</u>

* The stable value common/collective trust has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3 — FAIR VALUE MEASUREMENTS (Continued)

The Plan may redeem units of the stable value fund for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the plan to another investment election that is a noncompeting investment, or paying trustee fees. The Plan may make withdrawals from the fund for other purposes generally only upon 12 months' advance written notice to the trustee.

NOTE 4 — INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Joshen Paper Packaging Company 401(k) Profit Sharing Plan and Trust included a benefit-responsive investment contract with Principal Life Insurance Company, a member of Principal Financial Group (Principal). Based on the plan merger amendment, the ownership of the investment contract was transferred to the Plan effective October 31, 2022. Subsequent to December 31, 2022, the contract was liquidated and \$5,254,319 was transferred to Vanguard.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 5 — CERTIFIED INVESTMENTS

Information regarding investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, interest income on notes receivable from participants, for the year ended December 31, 2022, disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from data provided to the plan administrator and certified to as complete and accurate by the trustee and Principal.

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and units in common/collective trusts managed by Vanguard. Vanguard is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for the investment management services are included in net depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party administrator of \$732,890 for the year ended December 31, 2022, which was not covered by revenue sharing. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. The Company pays directly any other fees related to the Plan's operations.

NOTE 7 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 — TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated November 29, 2022, that the Plan and the related trust are designed in accordance with the applicable sections of the Code.

NOTE 9 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
