## **Independent Auditor's Report**

To the Plan Administrator  
Automated Media, Inc. 401(k) Profit Sharing Plan  
Canton, Michigan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Automated Media, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Automated Media, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Automated Media, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Automated Media, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Automated Media, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Automated Media, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of Plan (continued)

#### Participant Accounts

Each participant's account is credited with the participant's contribution, the employer qualified nonelective contribution (when applicable), the employer's discretionary matching contribution (when applicable), allocation of the employer's discretionary profit sharing contribution (when applicable), and plan earnings (losses). Investment income is allocated to the participant accounts regularly. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and qualified non-elective contributions, including the earnings on these amounts. Vesting in discretionary employer matching contributions and discretionary employer profit sharing contributions is based on years of continuous services. The following is a summary of the Plan's vesting provisions:

| Continuous Years of Service | Vested<br>Percentage |
|-----------------------------|----------------------|
| 1 Year                      | 0%                   |
| 2 Years                     | 20%                  |
| 3 Years                     | 40%                  |
| 4 Years                     | 60%                  |
| 5 Years                     | 80%                  |
| 6 Years                     | 100%                 |

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years. Longer durations may be allowed for the purpose of purchasing a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate determined upon application. At December 31, 2022 interest rates ranged from 3.25% to 6.50%. Participants may have two outstanding loans at any given time. Principal and interest is paid ratably through payroll deductions.

## **Notes to Financial Statements**

### **1. Description of Plan** (continued)

#### **Investment Options**

Participants direct their contributions to a variety of funds within common/collective trusts, pooled separate accounts, registered investment companies (mutual funds), and a guaranteed option fund offered by the Plan with various objectives and degrees of financial risk. Currently the Plan offers thirty-six investment options through Principal.

#### **Payment of Benefits**

Upon death, disability, retirement, or termination of service, a participant is entitled to receive a lump sum distribution equal to the participant's vested interest in his or her account. The Plan allows for in-service distributions for those participants who have attained age 59 1/2 or have a severe financial hardship (as defined in the plan document) from their accounts which are 100% vested.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable and other administration expenses are included in administrative expenses and charged directly to the participant's accounts.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants would become 100% vested in their accounts.

#### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$80,739 and \$52,938, respectively. These accounts can be used to pay for plan operating expenses or to reduce future employer contributions. In 2022, employer contributions were reduced by \$5,508 from forfeited nonvested accounts.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **2. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at the contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest from notes receivable is recognized when earned. Delinquent notes receivable are treated as distributions based on the terms of the Plan document.

##### **Excess Contributions Payable**

The Plan failed the Average Deferral Percentage (ADP) and the Actual Contribution Percentage (ACP) test for the plan year ended December 31, 2022. Excess contributions amounting to \$7,699 are recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction of employee contributions for the year. The plan has reimbursed these excess contributions to its participants during 2023.

# **Automated Media, Inc. 401(k) Profit Sharing Plan**

## **Notes to Financial Statements**

### **2. Summary of Significant Accounting Policies** (continued)

#### **Benefit Obligations**

Included in the accompanying Statements of Net Assets Available for Benefits for the plan year ended December 31, 2022, is an amount allocated to an individual who elected to withdraw from the plan but has not been fully paid. Plan assets allocated to this participant was \$1,270 at December 31, 2022.

#### **Payments of Benefits**

Benefits are recorded when paid.

### **3. Investments**

#### **Group Annuity Contract with Principal Trust Company**

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal. The funds are held in the Principal Guaranteed Option account totaling \$1,595,030 and \$1,017,118 at December 31, 2022 and 2021, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The credit rate is based on a formula established by the contract issuer. The credit rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. For the plan year ended December 31, 2022 and 2021, contract value equaled fair market value as there was no adjustment to contract value reported by Principal. Therefore, the contract has been reported at fair value on the Statements of Net Assets Available for Benefits.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **3. Investments** (continued)

##### **Group Annuity Contract with Principal Trust Company - continued**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) contributions, fees or data is not received in a timely manner, (2) submission of incorrect or outdated information that would require issuer to rebuild Plan records, (3) the plan is amended or changed and the amendment or change is not submitted to the issuer, (4) the Internal Revenue Service has notified the Plan sponsor of possible operational defects that must be corrected and such possible defects are not corrected within 180 days of such notification, (5) the Plan fails to abide by any written agreement(s) with the issuer, (6) the issuer chooses to no longer do business with the Plan.

The contract also allows for contributions into separate accounts offered by Principal. The separate accounts are not guaranteed as to the dollar amount. These accounts will increase or decrease in dollar amount, depending on the investment performance of such separate accounts, as defined in the annuity contract.

#### **4. Fair Value Measurements**

FASB ASC 820 provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

##### **Level 1 Fair Value Measurements**

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# **Automated Media, Inc.**

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

---

#### **4. Fair Value Measurements** (continued)

##### **Level 2 Fair Value Measurements**

Inputs to the valuation methodology are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, inputs other than quoted prices that are observable, and model-based valuations in which all significant inputs are observable in the market.

##### **Level 3 Fair Value Measurements**

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

##### **Registered Investment Companies (Mutual Funds)**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

##### **Pooled Separate Accounts**

Investments in insurance company pooled separate accounts are stated at NAV, which approximates fair value, and represent the number of participation units owned by the Plan. Quoted market prices of the underlying investments are used to value each fund, and are based on the net asset value of the units held by the Plan at the end of the year.

# **Automated Media, Inc.**

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **4. Fair Value Measurements** (continued)

##### **Common/Collective Trusts**

Investments in common collective trusts have the characteristics of a structure similar to a mutual fund and are valued based on the readily determinable quoted market price that each fund publishes at the end of each day. While the underlying assets of mutual funds are actively traded on an exchange, the common collective trust funds are not.

##### **Principal Guaranteed Option**

As a general account product offered through the group annuity contract, participant principal and interest are fully guaranteed by the entire general account assets of Principal. The rate credited to participant accounts is a composite weighted average of underlying guarantees provided in the contract. Each underlying guarantee is in effect for its full maturity. The maturity of each guarantee varies from 2 to 10 years at the establishment of the guarantee. Each guarantee matures at different times. The crediting rate is reset every six months based on the changing weighted average of the underlying guarantees and applies prospectively. The crediting rate is subject to a minimum guaranteed rate that is determined through a formula referenced in state insurance regulations which utilizes Treasury rates and is outlined in the group annuity contract. Currently this net crediting rate is a 2% effective annual rate, until November 2023. The rate will be reset December 1, 2023, and semiannually thereafter.

The semiannual rates for 2022 and 2021 were as follows:

|                             |       |
|-----------------------------|-------|
| Quarter beginning 6/1/2021  | 1.60% |
| Quarter beginning 12/1/2021 | 1.65% |
| Quarter beginning 12/1/2022 | 2.00% |

## Notes to Financial Statements

### 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

---

#### **7. Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the non-standardized profit sharing plan and trust is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **8. Party in Interest Transactions**

Certain Plan investments are shares of pooled separate accounts, common/collective trusts and a guaranteed investment account managed by Principal. Principal is the trustee and recordkeeper for the Plan and, these transactions qualify as party-in-interest transactions. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

#### **9. ERISA Bond Requirement**

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets, and is required to be at least equal to 10% of the Plan's assets at the beginning of the plan year, with a minimum bond value of \$1,000 and a maximum bond value of \$500,000. At December 31, 2022 and 2021, the Plan's sponsor maintained bond coverage in the amount of \$500,000.

### 11. SECURE Act 2.0

In December 2022, Securing a Strong Retirement Act (Secure 2.0) was passed into law. The provisions of Secure 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Most of the provisions will become effective in 2024 and forward, therefore there is no current impact to the Plan. Since the provision included both required and optional elements, the Plan administrator will determine the optional provisions to elect.
