INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Miraclon Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Miraclon Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Miraclon Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miraclon Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miraclon Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miraclon Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miraclon Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year – December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIRACLON RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Miraclon Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, including amendments, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan established on April 8, 2019 to provide retirement benefits for employees of Miraclon Corporation (the “Plan Sponsor”). The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration

The Plan Sponsor administers the Plan. T. Rowe Price Trust Company is the trustee of the Plan and custodian of the Plan’s assets. T. Rowe Price Retirement Plan Services, Inc. is the Plan’s third-party administrator and provides bookkeeping services for the Plan.

Participant Requirements

Each employee shall be entitled to make elective deferrals to the Plan immediately upon becoming a covered employee. A covered employee excludes leased employees, union employees (unless the collective bargaining agreement provides for coverage under the Plan), nonresident aliens, residents of Puerto Rico, and temporary employees. In addition, each employee shall be entitled to employer matching contributions if the employee is an eligible participant and made elective deferrals during the Plan year.

Contributions

Each year, eligible employees may contribute up to 75% of their eligible compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. Once becoming a covered employee, an employee will be enrolled into the Plan with an elective deferral rate of 3% of eligible compensation, unless the employee elects otherwise. The Company will contribute and allocate to each participant’s account a safe harbor matching contribution equal to 100% of the participant’s salary deferrals up to 5% of eligible compensation to the Plan. The Plan includes an annual true up provision for safe harbor matching contributions. In addition, the Company may make a discretionary contribution to the Plan based on an amount determined by management for eligible employees. For the year ended December 31, 2022, the Company did not make a discretionary profit-sharing contribution.

Participant accounts

Participants may direct the investment of their accounts among the investment options offered by the Plan. Each participant’s account is credited with the participant’s contributions and an allocation of the employer contributions and Plan earnings and charged with withdrawals and an allocation of expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, employer contributions and actual earnings thereon.

MIRACLON RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS, Cont'd
DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Payment of benefits

Upon retirement or termination of employment, a participant is entitled to receive a lump-sum amount, partial withdrawal or installment payment arrangement equal to the value of the participant's vested balance in his or her account. Upon death, a participant's beneficiary is entitled to a lump-sum distribution. If the participant's vested account balance exceeds \$5,000, the participant may choose to defer receiving payments until age 72 (required minimum distribution age). If the participant was born prior to July 1, 1949, the required minimum distribution age is 70^{1/2}. In addition, hardship withdrawals are available under the Plan, subject to certain early withdrawal penalties. If a participant's balance is less than \$1,000, the Plan Sponsor may distribute the vested balance as a lump sum to the participant. If a participant's balance exceeds \$1,000 but less than \$5,000, the Plan Sponsor may roll the vested balance into an Automatic Rollover IRA. Other withdrawals may be subject to restrictions as defined in the Plan.

Forfeitures

Forfeitures of excess safe harbor employer contributions may be used to reduce future employer contributions. At December 31, 2022 and 2021, the Plan had employer contribution forfeitures totaling \$2,367 and \$4,692, respectively. There were forfeitures totaling \$54,021 utilized during the year ended December 31, 2022.

Notes receivable from participants

Notes receivable from participants are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. The Plan allows participants to borrow from their vested account balance. The minimum amount of each loan is 1,000. The maximum amount of borrowings permitted cannot exceed the lesser of (1) 50% of a participant's vested account balance or (2) \$50,000, reduced by the highest outstanding loan balance, if any, the participant had at any one time during the previous twelve-month period. The notes must generally be repaid through payroll withholding in equal installments consisting of principal and interest, at a reasonable interest rate, over a period not to exceed five years. Principal and interest payments on the notes are redeposited into the participant's account based on their current investment allocation election.

The Plan classifies all participant loans in default if any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter in which a payment is first missed. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS, Cont'd
DECEMBER 31, 2022 AND 2021

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments to participants are recorded when paid.

Use of estimates in the preparation of financial statements

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deduction in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through October 5, 2023, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

MIRACLON RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS, Cont'd
DECEMBER 31, 2022 AND 2021

NOTE C: FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance presented by accounting principles generally accepted in the United States of America for financial assets and liabilities and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: These investments are valued at the daily closing price as reported by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, as detailed below, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company, the trustee of the Plan.

	December 31,	
	2022	2021
Investments, at fair value	\$ 14,483,758	\$ 15,867,509
Notes receivable from participants	118,147	117,759
Interest and dividends	836,259	
Interest income from notes receivable from participants	4,121

All information included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2022 was included in the above certification for the year ended December 31, 2022.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and their accounts will be paid to them as provided by the Plan document.

NOTES TO FINANCIAL STATEMENTS, Cont'd
DECEMBER 31, 2022 AND 2021

NOTE F: TAX STATUS

On August 19, 2020, the Internal Revenue Service stated that the Non-Standardized Pre-Approved Profit Sharing Plan adopted by the Plan, as then designed, qualifies under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G: TRANSACTIONS WITH PARTY-IN-INTEREST

T. Rowe Price Trust Company is the trustee for the Plan. Transactions in any affiliated investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules. Participant loans qualify as party-in-interest transactions. As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
