We have performed audits of the financial statements of Neighbours, Inc. 401(k) & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Neighbours, Inc. 401(k) & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Audit of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neighbours, Inc. 401(k) & Retirement's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neighbours, Inc. 401(k) & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neighbours, Inc. 401(k) & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following brief description of the Neighbours, Inc. 401(k) & Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a participant-directed defined contribution plan, qualifying under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of Neighbours, Inc. (the "Employer") and their beneficiaries funds for retirement.

Eligibility

An employee of the Employer becomes an eligible participant in the Plan upon attaining 21 years of age and the completion of one year of service, defined by the Plan as 1,000 hours of service in a calendar year.

Contributions

A participant in the Plan may annually contribute through payroll deductions any amount up to 100% of pretax compensation not exceeding amounts as determined by the Internal Revenue Service ("IRS"). Any participant, age 50 or over, may make an additional "catch up" contribution as determined by the IRS. Participants may also separately elect to contribute up to 100% of any bonuses paid during the year. Participants direct the investment of their contributions into various investment options offered by the Plan. Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

The Employer may make a discretionary profit-sharing contribution in an amount determined by the board of directors. Profit-sharing contributions shall be allocated to each eligible participant pursuant to the Plan document. The Employer elected to not make a profit-sharing contribution for the year ended December 31, 2022.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of pooled separate accounts, with varying investment objectives as investment options. Each participant's account is credited with the participant's pretax contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, expenses of the Plan, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distributions and Withdrawals

Prior to the retirement age of 59 1/2, distributions and withdrawals are not permitted from the Plan except in the instances of death, disability, termination of employment, or hardship as defined in the Plan document. A participant shall be considered 100% vested upon termination of service due to death or disability. Participants or their beneficiaries may receive a lump-sum amount equal to the value of the participant's vested account balance. After attaining age 59 1/2, 100% of the participant's vested account may be withdrawn for any reason.

Notes Receivable From Participants

Any participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. All loans that mature through 2027 are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. Interest will be charged at reasonable rates (as defined in the Plan agreement). Restrictions and repayment terms are described in the Plan document. A participant will only be permitted to have one outstanding loan at a given time. The loans bear interest at a rate of 7.25% to 8.5% and are generally paid back over a period of one to five years. Principal and interest are paid ratably through biweekly payroll deductions.

Neighbours, Inc. 401(k) & Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

A participant's interest in his or her contributions to the Plan will always be fully vested and nonforfeitable. A participant is vested in the Employer's contribution, if any, based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting for each 12 months of continuous service in which he or she is credited with 1,000 hours of service within the Plan year.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year, as well as held at year-end.

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Employer. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Employer. Participants are charged service fees for any loan and distribution transactions they request. Investment-related fees are reflected as an offset of net investment income (loss) and are not readily determinable.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as credit risk and overall market volatility.

Neighbours, Inc. 401(k) & Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Forfeited Accounts

Forfeited accounts are retained in the Plan and will be applied first to pay administrative costs of the Plan, with any excess used to reduce future Employer contributions. The balance in the forfeiture account was \$19,157 and \$16,176 at December 31, 2022 and 2021, respectively. Forfeitures totaling \$2,808 were utilized to pay fees during the year ended December 31, 2022.

Concentrations

The Plan maintains cash balances at a financial institution that could exceed the amount insured by the Federal Deposit Insurance Corporation limit of \$250,000. Any loss incurred or lack of access to such funds could have a significant adverse impact on the Plan's net assets and changes in net assets.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (the "trustee"), except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended December 31, 2022.

The following information as of December 31, 2022 and 2021 and for the year ended December 31, 2022 was prepared from reports certified by the trustee as complete and accurate:

	<u>2022</u>	<u>2021</u>
Investments, at fair value		
Pooled separate accounts	\$ 2,091,038	\$ 3,024,082
Notes receivable from participants	\$ 18,844	\$ 24,571
Investment income (loss)		
Net depreciation in fair value of investments	\$ (501,112)	
Interest income on notes receivable from participants	\$ 1,069	

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Neighbours, Inc. 401(k) & Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for similar assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for identical assets in active markets or for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used for periods presented in these financial statements.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based on the net asset value ("NAV") of the shares held by the Plan at year-end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investments. Included in the pooled separate accounts is the John Hancock Stable Value Fund. The John Hancock Stable Value Fund is reported at fair value. Fair value is calculated as the number of units of the subaccount held on a particular date multiplied by the unit value on that date, and generally is the value that would be paid out for participant-initiated or benefits withdrawals. As of December 31, 2022 and 2021, contract value approximated fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 2,091,038

Neighbours, Inc. 401(k) & Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	2021			Total
	Level 1	Level 2	Level 3	
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 3,024,082

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a summary of the Plan's investments for which fair value is estimated using the NAV per share practical expedient as of December 31:

	2022	2021	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 2,091,038	\$ 3,024,082	\$ -	Daily	None

5. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its board of directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination which has not been applied to reduce the Employer contribution shall be allocated on a pro rata basis to the participants' accounts.

6. INCOME TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the IRS. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there has been no tax-related interest or penalties for the periods presented in these financial statements.

Notes to Financial Statements
December 31, 2022 and 2021

7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by the trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan paid fees for administrative services of \$20,011 to the trustee for the year ended December 31, 2022. Further, certain expenses related to the Plan's investments have been offset with net investment income (loss). Notes receivable from participants qualify as exempt party-in-interest transactions.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 5, 2023, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that require adjustment to or disclosure in these financial statements.
