## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**TEAGUE ELECTRIC CONSTRUCTION, INC.  
401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

**1. Description of Plan**

The following description of the Teague Electric Construction, Inc. 401(k) Profit Sharing Plan (the "Plan"), provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**a. General**

The Plan, is a defined contribution plan covering all eligible employees of Teague Electric Construction, Inc. (the "Company"), who have met eligibility requirements as designed by the plan. The Plan is subject to the provisions of ERISA.

The Trustees are responsible for oversight of the Plan. The Investment Advisor determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

**b. Contributions**

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Employees are eligible to make elective deferral contributions on the first day of the month after completing 60 days of service. Participants direct the investment of their contributions into various investment options offered by the Plan.

All newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company makes a discretionary matching contribution. For the year ended December 31, 2022, the Company elected to match 25% of the first 6% of base compensation that a participant contributes to the Plan. Employees are eligible for the company match on the first day of the month after attaining the required hours. During the year ended December 31, 2022, the Company made matching contributions of \$70,529. The Company may also make an annual discretionary profit-sharing contribution to the Plan in an amount, if any, determined solely by the Company. This Company contribution is made to all eligible employees of the Company who work a minimum of 1,000 hours in a plan year and remain employed by the company on the last day of the plan year. No profit-sharing contribution was made during the year ended December 31, 2022.

**DECEMBER 31, 2022**

**1. Description of Plan (Continued)**

**c. Participant Accounts**

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**d. Vesting**

Participants are immediately vested in their contributions plus the earnings thereon. Vesting in the Company's discretionary match, profit sharing contributions, and the earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

**e. Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

**f. Payment of Benefits**

On termination of service by: (1) death, (2) disability, or (3) retirement, a participant may receive a lump-sum amount equal to the vested interest in the participant's account. If the participant's vested benefit in the Plan does not exceed \$5,000, the participant's benefit may be distributed. Distributions after termination of employment for reasons other than death may be made under a continuous right of withdrawal in which the participant may withdraw amounts at such times as they shall elect. A participant is also entitled to receive a lump-sum distribution of his or her pretax employee contribution account after attaining age 59½ without terminating employment. Benefits are recorded when paid.

**g. Forfeited Accounts**

Forfeited balances are used to reduce future employer contributions and pay administrative expenses throughout the year. For the year ended December 31, 2022, forfeitures of \$5,488 were used to reduce matching contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,290 and \$0, respectively.

**h. Investments**

Participants may direct the investment of their contributions into various investment options offered by the Plan.

**i. Administrative Expenses**

The plan sponsor bears substantially all administrative costs of the Plan, including the costs of officers and employees who perform certain administrative functions. Administrative expenses that are paid by the Plan consist of fees charged by the Plan's custodians, investment advisor, and contract administrator.

**2. Summary of Significant Accounting Policies**

The following are the significant policies followed by the Plan:

**a. Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**b. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**c. Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**2. Summary of Significant Accounting Policies (Continued)**

**d. Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

**e. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2023 and 2022.

**f. Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

**g. Income Taxes**

The Plan's income tax filings are subject to examination by various taxing authorities. The Plan's open examination periods are 2019 and forward.

**h. Subsequent Events**

Subsequent events have been evaluated up to October 6, 2023, the date these financial statements were available to be issued.

**401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**DECEMBER 31, 2022**

**3. Fair Value of Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

*Collective investment trusts:* Valued at the net asset value (NAV) of units of the collective investment trust. The NAV is based on the fair value of the underlying investments and is used as a practical expedient to estimate fair value.

**4. Investment Contract with Insurance Company**

The Key Guaranteed Portfolio Fund ("KGPF") is a group annuity insurance contract issued by Empower Annuity Insurance Company of America ("Empower") and is backed by the full faith and creditworthiness of the issuer. Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The KGPF is a traditional guaranteed investment contract ("GIC") and deemed to be fully benefit-responsive. Since the KGPF is fully benefit-responsive, contract value is the relevant measurement. Contract value, as reported by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid with 90 days' notice or contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the Plan to settle at an amount different than contract value paid either with 90 days' notice or over time. Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a quarterly basis for resetting. The minimum credit rate under the contract is 0%.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

**5. Financial Data Certified by the Custodians**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan, have certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments held at December 31, 2022 and 2021
- Notes receivable from participants at December 31, 2022 and 2021
- Net depreciation in fair value of investments for the year ended December 31, 2022
- Interest and dividends for the year ended December 31, 2022.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**7. Tax Status**

The Plan uses a prototype plan document, which obtained its latest opinion letter on June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS and the plan and related trust continue to be exempt. However, the Company and the plan administrators believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**8. Exempt Party-in-Interest Transactions**

Some plan investments are managed by Advised Assets Group, LLC, a wholly owned subsidiary or Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.

**9. Risks and Uncertainties**

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements.
