INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Miller 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Miller 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Miller 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miller 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miller 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of the Miller 401(k) Plan which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auding procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MILLER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1: Description of Plan

The following description of the Miller 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of the sponsor, Tolm Group, Inc. and affiliated employers BRS Roofing, Inc.; Cowell Steele Structures, LLC; Hattieville Leasing, LLC; Industrial Solutions Group; Phoenix Innovations, Inc.; Rosewood Classic Coach, Inc.; TOLM Industrial, LLC; Weston Petroleum, LLC; Wren Industries; and Yesterday's Memories, Inc. (collectively, the "Employer"), who have reached 18 years of age and have completed three months of service. Employees will become eligible to participate on the first day of the Plan Year quarter after completion of all eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger, Restatement, and Amendments

The plan was restated and amended effective January 1, 2022. At this time, the plan was amended to merge in the Crow Group, Inc. 401(k) Plan, and to reflect the commencement of participation by participating employer, Rosewood Classic Coach, Inc.

The January 1, 2022, Plan restatement was also in order to incorporate recent Plan amendments and to bring the Plan up to date with changes in applicable laws in order to comply with the rules and regulations of the Internal Revenue Service to maintain tax-qualified status. The restated Plan document obtained an updated opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. There were no significant changes to Plan provisions with the restatement.

The plan was amended effective November 10, 2022 to reflect the cessation of participation in the plan by two formerly affiliated participating employers, Industrial Solutions Group and BRS Roofing, Inc.

The plan was amended effective December 31, 2022 to reflect the cessation of participation in the plan by formerly affiliated participating employer, Yesterday's Memories, Inc.

Contributions

Participants may contribute up to 100% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was $20,500 in 2022 and $19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional $6,500 in 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans. Compensation is defined as total compensation subject to income tax, excluding reimbursements and other expense allowances, fringe benefits (cash and non-cash), moving expenses, deferred compensation, and welfare benefits, and including any salary reduction contributions.

The Plan allows the Employer to make "safe harbor" matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer's "safe harbor" contributions, and Plan earnings and losses. Participant accounts are charged with an allocation of the Plan's administrative expenses. Allocations are based on participant account balances or on the number of participants as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, employer "safe harbor" contributions, and any earnings thereon.

Administrative Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid either by the Plan or the Employer, as provided by the Plan document. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

Investment Options

Participants may instruct the trustee, through an employee election form, on how to invest their account among funds established by the Plan administrator. Participants may change their investment selections at anytime. The Plan currently offers 30 pooled separate accounts as investment options for participants.

Payment of Benefits

Upon death, disability, retirement, or termination of service for other reasons, a participant may elect to receive payments of his or her vested account balance in a lump-sum distribution, as partial withdrawals, or as a direct rollover to an eligible retirement plan. The Plan allows in-service withdrawals from participant deferral account balances for financial hardship, and from all vested accounts after age 59 ½ or upon reaching normal retirement age.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The Plan's most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the investment advisors and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through October 2, 2023, the date these financial statements were available to be issued.

Note 3: Plan Termination

Although it has not expressed the intent to do so, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. Employee contributions, employer "safe harbor" contributions and their related earnings are always 100 percent vested.

Note 4: Parties-in-Interest Transaction

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Plan Administration & Consulting, LLC is the third-party administrator. John Hancock Life Insurance Company processes and maintains the records of the participant data and holds the Plan assets. Arvest Wealth Management serves as an investment advisor to the Plan. They are by definition parties-in-interest and, as a result, these transactions qualify as party-in-interest transactions. The Plan paid $30,224 for investment management, administrative and other fees during the year ended December 31, 2022. These transactions are exempt from being prohibited transactions under ERISA.

Note 5: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2022:

	Total	Level 1	Level 2	Level 3
Investments Measured at Net Asset Value	$ 3,325,749	$ -	$ -	$ -
Investments at Fair Value	$ 3,325,749	$ -	$ -	$ -

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2021:

	Total	Level 1	Level 2	Level 3
Investments Measured at Net Asset Value	$ 1,531,549	$ -	$ -	$ -
Investments at Fair Value	$ 1,531,549	$ -	$ -	$ -

Following are the valuation methodologies the Plan uses to measure financial instruments at fair value:

Pooled Separate Accounts (PSAs): Valued at the net asset value (NAV) as reported by the fund managers as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net appreciation (depreciation) in fair value of investments. The Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation (depreciation) of the investments held at the end of the year) depreciated in value by $418,179 in 2022.

Fair value of investments in entities that use NAV:

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$3,325,749	N/A	Daily	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$1,531,549	N/A	Daily	None

Note 6: Income Tax Status

The IRS has determined and informed the Employer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7: Information Prepared and Certified by Custodian

The Plan's investments are held by John Hancock Life Insurance Company, the custodian. The amounts set forth in the accompanying financial statements for investments and investment income and the information shown in the supplemental schedules were summarized from information furnished by the custodian. The plan administrator received from the custodian certification that information furnished is complete and accurate. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the information certified by the custodian were not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplemental schedules.

Note 8: Transfer of Assets

Effective January 1, 2022, as described in Note 1, Crow Group, Inc. 401(k) plan was merged into the Miller 401(k) plan. On January 4, 2022, $981,950 of plan assets were transferred into the Plan related to the merger.

Note 9: Reconciliation of Financial Statements to Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of investment income and expenses but have no effect on the net assets of the Plan.

Note 10: Subsequent Events

Effective January 1, 2023, the Plan was amended to reflect the new participation of the affiliated employer Point Remove Brewing, LLC. Additionally, the Plan was amended to exclude collectively bargained employees from eligibility for participation in the plan.
