REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Ceramic Tile & Terrazzo Local 67 B.A.C.
Annuity Trust Fund

We have audited the financial statements of Ceramic Tile & Terrazzo Local 67 B.A.C. Annuity Trust Fund (the Plan) as of December 31, 2022 and our report thereon dated September 7, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the 2022 information in the accompanying schedules is fairly stated, in all material respects, in relation to the 2022 financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements of Ceramic Tile & Terrazzo Local 67 B.A.C. Annuity Trust Fund as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 4, 2022, expressed an unmodified opinion on those statements. Their report on the 2021 ERISA-required supplemental schedules stated that the information was fairly stated, in all material respects, in relation to the 2021 financial statements as a whole.

REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Ceramic Tile & Terrazzo Local 67 B.A.C.
Annuity Trust Fund

Opinion

We have audited the financial statements of Ceramic Tile & Terrazzo Local 67 B.A.C. Annuity Trust Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Ceramic Tile & Terrazzo Local 67 B.A.C. Annuity Trust Fund as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter - 2021 Financial Statements

The financial statements of Ceramic Tile and Terrazzo Local 67 B.A.C. Annuity Trust Fund as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 4, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements; and
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibility for the Audit of Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Ceramic Tile & Terrazzo Local 67 B.A.C. Annuity Trust Fund (formerly known as Illinois District Council No. 1 B.A.C. Annuity Plan) (the Plan) was established June 1, 1990, as a result of collective bargaining agreements between participating contractors and BAC Administrative District Council 1 of Illinois (formerly, Illinois District Council Local No. 1 B.A.C.). The Plan is funded by contractor contributions as specified in the collective bargaining agreements. Participant contributions are not permitted under the Plan. The Plan is a multiemployer defined contribution retirement plan, subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation

The Plan covers persons working within the jurisdiction of the union who have agreed to participate in the Plan and have satisfied eligibility requirements, as defined in the Plan agreement.

An individual account is established for each participant. The individual account is credited with contractor contributions made on the participant's behalf, and is adjusted for Plan earnings, contingency allocations, and administrative and related expenses, if any. Allocations are based on individual account balances, as defined. Participants are immediately vested in their individual account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Effective January 1, 2021, the Plan converted from a money purchase plan to a profit sharing plan. For those participants who accrued a balance prior to December 1, 2020, the individual account consists of two sub-accounts: (i) the money purchase plan account for contributions received prior to January 1, 2021, and the investment earnings thereon and (ii) the profit sharing plan account for contributions received after December 31, 2020, and the investment earnings thereon. If a participant first accrues benefits on or after December 1, 2020, the individual account will consist solely of the profit sharing account. Administrative fees are charged first to the money purchase plan account, if any, and the remainder of these charges, if any, to the profit sharing account.

Upon death, disability, retirement or separation from service for more than 12 consecutive months, participants and their beneficiaries are entitled to receive their account balance subject to the payment provisions of the Plan. The definition of retirement was temporarily amended through December 31, 2021 to allow for a separation of service to occur after three consecutive months.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Benefit options under the money purchase plan account are as follows:

- A married participant's account is paid, upon retirement, in the form of a single-life annuity payable for a participant's lifetime or a qualified joint and survivor annuity through purchase of an insurance contract, unless the annuity option is waived. The qualified joint and survivor annuity may also be waived upon written spousal consent;
- An unmarried participant's account is paid in the form of a single-life annuity through the purchase of an insurance contract, unless the annuity option is waived; and
- Lump sum distributions are paid upon a waiver of single-life annuity or qualified joint and survivor annuity, as applicable.

Benefit options under for the profit sharing plan account may only be paid as a lump sum distribution, as no waiver is required.

A participant may obtain a one-time hardship distribution upon determination of immediate and heavy financial need. The hardship distribution is limited to profit sharing contributions that have been held in the Plan for at least two years. Hardship distributions are limited to the lesser of 50% of profit sharing contributions or the sum required to satisfy the financial need,

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual method of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contractor contributions due and unpaid prior to year end are recorded as contributions receivable and include amounts for liquidated damages and underpayments. Contractor contributions due as determined by payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment - Property and equipment are carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed by the straight-line method over estimated useful lives of five years.

Depreciation expense was \$2,774 and \$3,079 for the years ended December 31, 2022 and 2021, respectively.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Revenue Recognition - Revenue derived from contractor contributions is recognized in the period in which covered work is performed, based on the number of hours worked and the contribution rates set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose as described in Note 1 within a jurisdiction primarily located in the state of Illinois.

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local union) may be temporarily employed within the territory of another local union (reciprocating local union). When a participant of the home local union works in the territory of a reciprocating local union, the latter is to make contributions to the former's benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local union benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other contractor contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Contractor contributions included reciprocal contributions of \$213,267 and \$147,128 for the years ended December 31, 2022 and 2021, respectively, from various retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$148,309 and \$142,400 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended December 31, 2022 and 2021, respectively.

Expenses - Certain investment related expenses are included in net (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - Subsequent events have been evaluated through September 7, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, all participants will become 100% vested and the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter is dated February 25, 2016, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken an uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

	Total	Fair Value Measurements at 12/31/22 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

	Total	Fair Value Measurements at 12/31/2021 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 135,729,651	\$ 135,729,651	\$ -	\$ -

Investments measured at net asset value				
Common collective trusts	16,419,052			
Registered investment company	5,462,728			
Total	<u>\$ 158,074,631</u>			

Level 1 Measurements

The fair values of the registered investment companies are determined by reference to the underlying assets, which are principally marketable equity and fixed income securities. Shares held in registered investment companies are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Short-term investments represent shares held in registered investment companies.

Measurements Using Net Asset Value as a Practical Expedient

Certain investments are valued at the net asset value per share, used as a practical expedient to estimate fair value. Net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts valued at net asset value are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a quarterly basis with a 45-day or 95-day notice period.

A registered investment company has been estimated using the net asset value per share of the investment by reference to the underlying assets, which consist primarily of marketable fixed income securities. Redemptions are available on a monthly basis without notice.

NOTE 6. INVESTMENT CONCENTRATIONS

As of December 31, 2022, the Plan held units in SEI S&P 500 Index Fund (20% of net assets available for benefits), which seeks investment results that correlate to the aggregate price and dividend performance of the S&P 500 Index. At December 31, 2021, the Plan also held units in SEI Extended Market Index Fund (22% of net assets available for benefits), which seeks to track the performance of the Russell Small Cap Completeness Index.

NOTE 6. INVESTMENT CONCENTRATIONS (CONTINUED)

As of December 31, 2022 and 2021, the Plan held units in SEI Core Fixed Income Fund (24% and 21% of net assets available for benefits, respectively). This investment fund seeks to provide current income by investing in a diversified portfolio of fixed income securities while limiting principal value fluctuations.

NOTE 7. RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. FUNDING POLICY

The participating contractors contribute such amounts as are specified in the collective bargaining agreements, which vary depending on the type of work performed. The hourly contribution rates ranged from \$6.18 to \$9.00 for the year ended December 31, 2022, and from \$5.60 to \$9.00 for the year ended December 31, 2021.

NOTE 9. MAJOR CONTRACTORS

Contributions from three participating contractors accounted for approximately 25% of total contractor contributions to the Plan for each of the years ended December 31, 2022 and 2021.

NOTE 10. RELATED ORGANIZATIONS

The Plan reimbursed Administrative District Council No. 1 (ADC 1) of Illinois for storage space during 2022 and 2021. Reimbursed expenses to ADC 1 totaled \$1,800 for each of the years ended December 31, 2022 and 2021.

The Plan shares payroll and certain common office and management expenses with Chicago Tile Institute Welfare Fund (CTI Welfare Fund). The shared expenses totaled \$169,510 and \$161,946 for the years ended December 31, 2022 and 2021, respectively. The Plan also reimburses CTI Welfare Fund for audit and legal fees and costs associated with compliance audits. Reimbursed compliance audit fees and costs totaled \$11,122 and \$14,657 for the years ended December 31, 2022 and 2021, respectively. During 2022 and 2021, the Plan also reimbursed the CTI Welfare Fund for conference related expenses totaling \$444 and \$2,056 respectively. Amounts due from the Plan to CTI Welfare Fund of \$21,164 and \$16,773 at December 31, 2022 and 2021, respectively, were the result of the differences between actual expenses and estimated payments.
