Independent Auditors' Report

Plan Administrator
America II Corp. Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of America II Corp. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICA II CORP. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) **Description of the Plan**

The following description of the America II Corp. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. The following employers: America II Electronics, LLC., America II Group, Inc. (Florida and Delaware), America II Belgium, Inc., Component Services & Logistics, Inc., 21st Century Electronics, LLC., and America II Japan, Inc. (collectively, the “Company”) sponsor the Plan.

(a) **General**

The Plan is a defined contribution plan. The Plan covers all employees of the Company who have at least two months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Eligible employees are automatically enrolled in the Plan unless participation is declined. The default deferral rate is 3% of eligible wages.

(b) **Contributions**

Each year a participant may contribute up to 100% of pre-tax annual compensation, as defined in the Plan subject to the limits set by the Internal Revenue Service (“IRS”). A participant may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In addition, participants who have attained the age of 50 years before the end of the plan year are eligible to make catch-up contributions. The Company’s contributions are discretionary at the option of the Company’s Board of Directors. For the year ended December 31, 2022, the Company contributed 50% of the first 6% of base compensation that a participant with one or more years of service contributed to the Plan. Additional amounts may be contributed at the option of the Company’s Board of Directors. For the year ended December 31, 2022, the Board of Directors elected not to make any additional contributions.

(c) **Participant Accounts**

Each participant’s account is credited with the participant’s contributions, allocations of the Company’s contributions and plan investment results, and is charged with an allocation of administrative expenses. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

(d) **Forfeitures**

Forfeited non-vested accounts are used to pay plan expenses or reduce future Company contributions. Total unallocated forfeitures, which may be used to pay plan expenses or reduce future Company contributions, were \$20,000 and \$12,800 at December 31, 2022 and 2021, respectively. There were approximately \$10,000 of forfeitures used to offset employer contributions during the year ended December 31, 2022.

(1) Description of the Plan - Continued

(e) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant vests in Company contributions as follows:

First year	0%
Second year	20%
Third year	40%
Fourth year	60%
Fifth year	100%

(f) Investment Options

Upon enrollment in the Plan, a participant may direct employer and employee contributions in 5% increments in any of the investment options. A participant may change his or her investment options daily.

(g) Notes Receivable from Participants

A participant may borrow from his or her fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of his or her vested account balances. Loans bear interest at the prime rate plus 1%. The interest rates charged on participant loans ranged from 4.25% to 8.50% as of December 31, 2022. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions, although prepayments are allowed in an amount equal to one or more of the next periodic payments or the current outstanding balance including accrued but unpaid interest.

(h) Administrative Expenses

All of the administrative expenses of the Plan may be paid by the Company or the Plan. During 2022, the Plan paid substantially all of the administrative expenses of the Plan.

(i) Distribution of Benefits

Distribution of a participant's account in an amount equal to the participant's vested interest in his or her own account may be made in a lump-sum distribution or annuity payments upon termination of service, death, disability, or retirement. Certain in-service withdrawals are allowed by the Plan, in accordance with the IRS limitations, for participants meeting minimum age requirements. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. If the vested account balance does not exceed \$5,000, the Plan will distribute that portion to the participant as soon as administratively feasible after termination of employment with the Company.

(i) Distribution of Benefits - Continued

In December 2019, the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was signed into law, related to required minimum distributions and the limitation of lifetime or stretch distributions to remain compliant under the applicable laws and regulations. These provisions were effective beginning January 1, 2020.

(j) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

(b) Payments of Benefits

Benefits are recognized when paid.

(c) Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value (“NAV”) of shares held by the Plan at year end.

The Principal Stable Value Fund (the “Fund”) is a common/collective trust fund. The Fund invests principally in investment contracts, including traditional Guaranteed Investment Contracts (“GICs”) and security-based contracts issued by insurance companies and other financial institutions. The Fund is valued by Principal based on the unit value of the funds. This common/collective trust has underlying investments in investment contracts which are valued at estimated fair value of the underlying investments and then adjusted to contract value.

The Principal BlackRock S&P MidCap Index CIT, Principal BlackRock Russell 2000 Index CIT, Principal BlackRock S&P 500 Index CIT, and Principal BlackRock Large Cap Growth Index CIT (collectively, the “CIT Funds”) are common/collective trust funds. The CIT Funds invest principally in the equity securities of companies that compose the applicable index. The CIT Funds are valued by Principal based on the unit value of the funds.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(2) Summary of Accounting Policies - Continued

(c) Investment Valuation and Income Recognition - Continued

The net depreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

(f) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

(3) Trustees Certifications of Plan Investments

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.1.3-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, have certified that the following data included in the financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividend income
- Interest income from notes receivable from participants
- Net depreciation in fair value of investments
- Schedule of Assets (Held at End of Year)

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, issued by the Financial Accounting Standards Board (“FASB”), provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If an asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds are valued at NAV of shares held by the Plan at year end.

Common Collective Trusts are valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. The collective trust funds do not have a finite life, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AMERICA II CORP. RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(4) Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2022 and 2021:

Description	Assets Measured at Fair Value at December 31, 2022	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 22,233,092	22,233,092	-	-
Investments measured at NAV	11,181,016 (a)			
Investments at fair value	\$ 33,414,108			

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 27,701,046	27,701,046	-	-
Investments measured at NAV	12,580,998 (a)			
Investments at fair value	\$ 40,282,044			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Income Tax Status

The Plan has adopted a pre-approved plan under Principal Life Insurance Company. The pre-approved plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The pre-approved plan has been amended since receiving the opinion letter. However, the plan administrator believes that the pre-approved plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

AMERICA II CORP. RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(5) **Income Tax Status - Continued**

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) **Party-in-Interest**

Certain plan investments were managed by Principal Trust Company. Principal Trust Company is the Trustee as defined by the Plan, and therefore, transactions between the Plan and Principal qualify as party-in-interest transactions. The Plan had approximately \$84,000 in expenses paid to Principal during 2022.

Participant loans are considered party-in-interest transactions, as defined in Section 3(14) of ERISA, because they are transacted with plan participants. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

(7) **Subsequent Events**

In accordance with ASC Topic 855, *Subsequent Events*, plan management has evaluated events occurring through October 10, 2023, the date financial statements were available to be issued, to determine if these events were significant to the financial statements.

Effective January 1, 2023, the Company name changed to America II Group LLC. In addition, the plan was amended for the following: the plan will now allow for participant Roth contributions, automatic enrollment, for new hires only, was increased to 6%, the company removed the match holding period, as such participants are eligible to receive an employer matching contribution upon becoming eligible to contribute to the plan, and the vesting schedule was changed from a 5 year grade to a 3 year cliff.
