INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
ARIS HORTICULTURE, INC. THIRD AMENDED AND RESTATED TAX DEFERRED PLAN
AND TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan:

The following description of Aris Horticulture, Inc. Third Amended and Restated Tax Deferred Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – Aris Horticulture, Inc. (the “Company”) established the Plan effective January 1, 1984 and has been amended on various dates. The Plan is a contributory tax deferred plan established under Section 401(k) of the Internal Revenue Code. Any employee of the Company is eligible to become a member of the Plan if he or she has attained the age of 21 and is not a member of a union with which the Company has a collective bargaining agreement. The Company administers the Plan, and Merrill Lynch is the trustee of the Plan’s investment assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The participating employees make contributions to the Plan according to their written wage reduction agreement with the Company, not to exceed 75% of annual compensation. New participants may enroll in the Plan on the first day of any month after fulfilling the eligibility requirements. Participant contribution rates may be changed at any time. The Company, at its discretion, may make contributions on the participants’ behalf to the Plan at a predetermined rate based on the age of the participant as of December 31 of that calendar year. The Company withholds and remits to the trustee semi-monthly contributions in an amount equal to the participant’s eligible earnings multiplied by the contribution rate applicable to each participant and the company’s contribution.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions, the company’s contribution, if any and earnings thereon. The total amount contributed annually by each participant cannot exceed the amount specified under Section 401(k) of the Internal Revenue Code.

Vesting – Participants are immediately vested in their voluntary contributions, as well as the Company’s contributions, if any, and related earnings.

Withdrawals – Withdrawals are not permitted before age 59½ except in the event of death, disability, termination of employment, or reasons of proven financial hardship.

1. Description of Plan, Continued:

Payment of Benefits – Upon termination of service due to death, disability, and retirement or other reasons, participants with a vested interest in their accounts of \$5,000 or more may elect to receive a lump-sum distribution, roll over the amount into another qualified plan or leave the funds invested as is. Participants with a vested interest in their accounts of less than \$5,000 automatically receive lump-sum distributions.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, the Trustee shall distribute account balances to participants in accordance with the Plan.

2. Significant Accounting Policies of the Plan:

The significant accounting policies followed by the Plan are summarized below.

Method of Accounting – The Plan's policy is to prepare its financial statements on the accrual basis of accounting. Specifically, benefits are recorded when incurred, and contributions are recorded when withheld from payroll or when declared for Company contributions.

Investment Valuation – Investments in mutual funds and common collective trusts are reported at fair value as determined by the Plan Trustee. The change in the difference between fair value and the cost of the investments is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Administrative Costs – Trustee and audit fees are generally paid by the Plan, while the Company pays other costs of administering the Plan. Certain administrative and clerical functions are performed by Company employees at no charge to the Plan.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosures. While actual results could differ from those estimates, the plan administrator does not expect those differences to be significant to the financial statements.

2. Significant Accounting Policies of the Plan, Continued:

Risks and Uncertainties – The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Reclassifications – Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

3. Trustee Certification:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 5,452,181	\$ 6,465,469
Interest and dividend income	332,922	517,683
Net appreciation (depreciation) in fair value of investments	(1,465,381)	336,322

4. Party-In-Interest Transactions:

The third-party administrator receives fees for various administrative services provided during the year. Fees paid using Plan assets during the years ended December 31, 2022 and 2021 for these services totaled \$467 and \$622, respectively. These fees were based on customary and reasonable rates for such services.

During the year ended December 31, 2022, the Company provided certain administrative services to the Plan for which it received no compensation.

5. Tax Status:

The Internal Revenue Service has determined and informed the Company by letter dated June 4, 2002 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

6. Fair Value Measurements:

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

6. Fair Value Measurements, Continued:

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following table set forth by level, within the fair value hierarchy, the Plans assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investment Funds, Fair Value Measurements

Fair value of assets measured on a recurring basis at December 31, 2022 is as follows:

Assets at Fair Value as of December 31, 2022:

	Total	(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 5,131,392	\$ 5,131,392	\$ -	\$ -
Subtotal	\$ 5,131,392	\$ 5,131,392	\$ -	\$ -

Investments measured at net asset value:

Common collective trusts \$ 320,789

Total \$ 5,452,181

Fair value of assets measured on a recurring basis at December 31, 2021 is as follows:

Assets at Fair Value as of December 31, 2021:

	Total	(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 6,171,403	\$ 6,171,403	\$ -	\$ -
Subtotal	\$ 6,171,403	\$ 6,171,403	\$ -	\$ -

Investments measured at net asset value:

Common collective trusts \$ 294,066

Total \$ 6,465,469

6. Fair Value Measurements, Continued:

Investments Measured Using the Net Asset Value per Share Practical Expedient

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for those investments; the redemption notice period is only applicable to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (If</u> <u>Currently</u> <u>Eligible)</u>	<u>Redemption</u> <u>Notice Period</u>
Common collective trusts	<u>\$ 320,789</u>	n/a	Daily	none
Total	<u>\$ 320,789</u>			

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Frequency (If</u> <u>Currently</u> <u>Eligible)</u>	<u>Redemption</u> <u>Notice Period</u>
Common collective trusts	<u>\$ 294,066</u>	n/a	Daily	none
Total	<u>\$ 294,066</u>			

Common Collective Trusts

A common collective trust is a fund that is composed primarily of mutual funds, and synthetic and traditional guaranteed investment contracts that are valued at the net asset value of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Transfers Between Levels

For years ended December 31, 2022 and 2021, there were no transfers between Levels 1 and Level 2 and no transfers in or out of Level 3.

7. Investment Contract:

The Plan has entered into an investment contract with Federated Investors Trust Company who maintains the contributions in the collective trust fund (“the Fund”). The Fund is credited with earnings on the underlying investments and charged for the Plan withdrawals and transaction fees charged by Federated Investors Trust Company. Net investment income is distributed monthly and is reinvested to purchase additional units.

The Fund seeks a stable constant value per unit utilizing investments primarily in money market funds and guaranteed investment contracts. Valuation procedures are such that contract value is expected to approximate fair value. Therefore, the Fund is presented at fair value as described in Note 6.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract value or otherwise. The fair value of the investment contract at December 31, 2022 and 2021 was \$320,789 and \$294,066, respectively.

Certain events limit the ability of the Plan to transact a contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

Federated Investors Trust Company may terminate the contract on the last day of the month specified in a written notice to the contract owner for a reasonable cause, which includes the contract owner’s failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets held or participants covered less than the amount or number required by the state of Pennsylvania, Plan disqualification, and if the contract owner is charged such that the Plan Sponsor would no longer be considered an eligible sponsoring organization for this type of contract.

8. Subsequent Events:

Management has evaluated subsequent events through October 2, 2023, the date on which the financial statements were available to be issued. No events occurred that would require adjustments to, or disclosures in the financial statements.
