INDEPENDENT AUDITOR'S REPORT

The Benefits Committee, as Plan Administrator of
Zodiac Seats US Savings Plan
Gainesville, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Zodiac Seats US Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Zodiac Seats US Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Zodiac Seats US Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zodiac Seats US Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zodiac Seats US Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zodiac Seats US Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of Zodiac Seats US Savings Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Safran Seats USA LLC ("Employer" or "Company"), formerly known as Zodiac Seats US LLC, established effective June 1, 1991, and most recently amended January 1, 2022. The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code (IRC). In addition, the financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and with ERISA.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

During the Plan year, certain Plan participants' accounts transferred to the Plan related to the employment status changes of those Plan participants. The transfers occurred between the Plan and another defined contribution plan sponsored by the Company.

Eligibility

Salaried employees of the Company who are age 18 or older and perform one hour of service are eligible to participate in the Plan ("employees" or "participants"). Employees under the Company's collective bargaining agreement, non-resident aliens, leased employees, and temporary employees are not eligible for Plan participation. Any collective bargaining employee of the Company who becomes a salaried employee, subject to these eligibility requirements, will be immediately eligible to participate in the Plan.

Plan administration

The Plan is administered by a benefits committee, which is comprised of employees of the Company. The Plan operates under a Volume Submitter 401(k) Savings/PS Plan document sponsored by an affiliate of T. Rowe Price Trust Company (the "Trustee"). The Trustee acts as the directed trustee of the Plan's assets and is responsible for executing investment transactions on behalf of the Plan. T. Rowe Price Retirement Plan Services, Inc. serves as recordkeeper maintaining participants' accounts and executing participant-initiated transactions.

1. DESCRIPTION OF PLAN (continued)

Contributions

Participants may contribute on a pre-tax or after-tax (as Roth) basis up to 100% of their annual compensation, as defined by the plan document, up to the limits specified by the IRC. Participants may also rollover amounts from other qualified retirement plans into the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions subject to IRC limits.

Employees are automatically enrolled in the Plan at a deferral rate of 3% of the participant's compensation, unless the participant opts out of participation within the designated period, with an auto increase feature which increases the contribution rate automatically annually by 1% per year up to the maximum of 8%.

The Plan has adopted the provisions to allow for a safe harbor provision defined as Employer qualified matching contributions of 100% of the first 3% of the participant's Plan compensation and matching 50% of the next 2% of the participant's Plan compensation.

Participants' accounts

Each participant's account is credited or charged (as applicable) with the participant's contributions, rollovers, Employer contributions, and an allocation of the participant's investment income or losses and administrative expenses, as defined by the plan document. Allocations are based on account balances or compensation, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants' investment accounts are directed by the individual participant.

Vesting

Participants are fully vested in their contributions, related earnings, rollover contributions, and Employer matching contributions immediately upon participation in the Plan. Participants who transferred to this Plan from another defined contribution plan sponsored by the Company due to an employment status change will become fully vested in those amounts at the time of the transfer.

Payment of benefits

On normal termination of service due to death, disability, or retirement a participant is entitled to receive 100% of his or her account balance. Upon termination of employment for other reasons, a participant is entitled to receive the vested portion of his or her account balance. Benefits payable under the Plan are paid either in the form of a lump sum cash payment or in the form of periodic installment cash payments. In addition, the Plan permits in-service withdrawals from a participant's vested account due to a substantial hardship (subject to certain penalties as defined in the plan document) or upon attaining the age 59½.

1. DESCRIPTION OF PLAN (continued)

Forfeitures

Forfeitures of terminated participants' balances may be used to reduce Employer contributions or to pay Plan expenses. Forfeited accounts available for the Employer to pay Plan expenses and to reduce future matching contributions totaled approximately \$7 and \$5 as of December 31, 2022 and 2021, respectively. During 2022, forfeitures of \$1,839 were used to reduce Employer contributions. No amounts were used to pay Plan expenses during 2022.

Administrative expenses

Administrative expenses cover the routine Plan expenses for the services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Employer, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. The Plan is not obligated to reimburse the Employer for any expenses paid on the Plan's behalf. Certain Plan investments are shares of mutual funds and a common collective trust managed by affiliates of the Trustee. Certain fees paid to the Trustee for investment management services are incorporated into the expense ratios of the Plan's individual funds and paid directly from fund earnings.

Notes receivable from participants

A participant in the Plan may request a loan from their account up to the lesser of 50% of their vested account balance or \$50,000. The repayment terms of loans may not exceed five years, except for loans used to acquire the participant's principal residence, in which case the repayment may be for a term in excess of five years but not more than 10 years. Each loan bears interest at a rate equal to the prevailing interest rates charged by persons in the business of lending money for loans made under similar circumstances. Repayments are made by payroll deduction. The maximum number of allowed loans outstanding by a participant at any time is one.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. GAAP and present the Plan's net assets available for benefits and changes in those net assets.

Investment valuation and income recognition

The Plan's investment in mutual funds and a stable value fund are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's net gains and losses on investments purchased and sold during the year as well as held at year-end.

December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Risks and uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. No allowance for uncollectible accounts is deemed necessary since the loan of each participant is less than the respective participant's account balance.

Contributions and receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Employer, which is the pay date.

Employer qualified matching contributions are recorded in the year they are earned and to coincide with the year in which the Employer records the contribution in its general ledger. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received by the Trustee.

Payment of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Zodiac Seats US Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses for the Plan are recorded when incurred.

Subsequent events

The plan administrator has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. FAIR VALUE MEASUREMENTS

Accounting standards define fair value, establish a framework for measuring fair value, and expand disclosure about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 inputs) and lowest priority to unobservable inputs (level 3 inputs). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Observable inputs such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations in which all significant input and significant value drivers are observable in active markets.
- Level 3: Valuations with one or more unobservable significant inputs that reflect the reporting entity's own assumptions.

In some cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible.

The methods used to value investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Registered investment companies (mutual fund investments) are valued at the net asset value (NAV) of shares held by the Plan at year-end which are quoted in an active market and are classified within level 1 of the valuation hierarchy.

3. FAIR VALUE MEASUREMENTS (continued)

The T. Rowe Price Stable Value Common Trust Fund is considered a common collective trust (CCT). The fair value of interests in the CCT is based on the NAV of the fund, as a practical expedient, reflecting all underlying investments at fair value.

As of December 31, 2022 and 2021, there were no restrictions on redemptions or unfunded commitments for any of the major types of Plan assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets by type at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 58,038,184</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 58,038,184</u>
	<u><u>\$ 58,038,184</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u>58,038,184</u>
Investments measured at NAV*				<u>7,598,753</u>
				<u><u>\$ 65,636,937</u></u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets by type at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 73,329,344</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 73,329,344</u>
	<u><u>\$ 73,329,344</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u>73,329,344</u>
Investments measured at NAV*				<u>8,775,248</u>
				<u><u>\$ 82,104,592</u></u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as requested by the plan administrator, the Plan's auditor performed no procedures on the information certified by the Plan's Trustee, determined to be a qualified institution by the plan administrator, other than to agree the certified information to the related information included in the financial statements and schedule of assets (held at end of year).

The following information has been certified by the Trustee as accurate and complete as of December 31:

	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 58,038,184	\$ 73,329,344
Common collective trust	<u>7,598,753</u>	<u>8,775,248</u>
	65,636,937	82,104,592
Notes receivable from participants	<u>974,150</u>	<u>1,086,752</u>
	<u>\$ 66,611,087</u>	<u>\$ 83,191,344</u>

The following information has been certified by the Trustee as accurate and complete for the year ended December 31, 2022:

Dividends and interest	\$ 3,305,576
Net depreciation in fair value of investments	(15,871,504)
Interest on notes receivable from participants	50,029
Revenue credits	73,383

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

6. TAX STATUS

Effective January 1, 2022, the Plan was amended and restated adopting the Volume Submitter 401(k) Savings/PS Plan Document ("Volume Submitter Plan") sponsored by T. Rowe Price Retirement Plan Services, Inc. which has received an opinion letter from the Internal Revenue Service dated August 19, 2020, that the form of the Volume Submitter Plan is acceptable under Section 401(a) of the IRC. The Company and Plan management believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Zodiac Seats US Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. RELATED PARTIES AND PARTIES-IN-INTEREST

ERISA defines parties-in-interest similarly to the financial accounting standards' definition of a related party, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Trustee and its affiliates, including fee offset agreements, qualify as party-in-interest transactions.

The Plan sponsor pays certain fees on behalf of the Plan. These transactions qualify as party-in-interest transactions permitted under the provisions of ERISA. The Plan is not required to reimburse the Plan sponsor for expenses paid on behalf of the Plan.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts.

The Plan will receive credits on a quarterly basis, from the Trustee, for any amounts earned from certain funds in excess of the revenue threshold set by the recordkeeping agreement of \$11.25 per participant per quarter. Credits in excess of the revenue threshold, if any, are shown as "revenue credits" on the statement of changes in net assets available for benefits.

The Trustee retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are managed by the Trustee; therefore, these investment transactions qualify as exempt party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2022:
